WORDSPEAK

The word. The spoken word. The word.
The written word. And the gulf that may be between.

And of the spoken word. The word in the air.
All words in the air. At least in lungs. Thoughts.
Words on page do not exist, do not have life.
Only when spoken. To self or out loud. Then life.

Peace. Peace be to you. In words. By words. Peace.
Soothing. True. Calm. These are words. Speak.
Even lines. Regular rhythm. Along the way. Go.
Say. Sow. Say what will be said. Sow. Say; sow.
Say all. All that will be said. Sow in peace, words.

If this be love, this peace, ... Love.
Poetry. Word thought. C'est la vie. Yes.
How soul speak. Soul speak. Breathing.
Breathe along. Breathe on.
On through. Breathe.
Life.

So long.

II

And of a calling. Prayer. Words spoken.
"As we forgive those who trespass against us..."
True words. To God's ears. From my soul.

God is all around. You know. God hears.
"God who hears in secret..."
Speak to God. All that is said, God hears.

A priest speaks. An actor speaks. A poet.
A singer sings. Words. Words spoken.
Speak with breath. Breath of life. Peace.

III

Yield. Yield to the Spirit. Yield.
Let the Spirit work in you. To live in you.
Hold not back. And know the peace.
Know the blessed peace of Christ.
Allow the Spirit to live. To live in you.
Yield. Submit. Do His will.

Do not fight against his will.
With your reason or with your weakness.
Allow the Spirit to work in you.
As He has. Again. Breathe.
Breathe in him. You can.

Simple. Quite simple.
Though it seems so difficult.
Made so fretful. Let go. Go.
Do not hold back. Yield.
Submit to him your will. And live.

IV

Nothing is hidden
That will not be made manifest.
Hide not your sin. It is not hidden.

Open. Open up. Open. Remain open.

V

Wonder. How I wonder. Sometimes.
What. Why. How. When. Where.
How I wonder. Sometimes. Sometimes wonderful.
To wonder. Sometimes bleak. I wonder.
Keep wonderful. Wonder full of wonder.

Let not your heart be troubled.
Let it not sit in worry. Wonder.
Only. Only wonder. Do not wander.

If this be so, let be so. So be it.
Let it be so, Lord. Let it be.
Come. Come to me.
Let me not wait. Not in fear.
Come, wonder. Wonder I. Be with me.

Lead me on.

VI

And so, love, what more can I say.

To what end will I not go.

To what end.

So let me only say, I love you.

I love you so.

VII

Every second is important. Every moment.
Do not waste time. Do not lose your way.
Listen to the voice of the Spirit. Heed the voice.
Do not turn your face from your purpose.
Do not leave your seat. You may not find your way
Again.

You know what is right. At any given moment.
Stay the course. Stay on the path.
Listen to the Spirit within. Heed the voice.
At any given moment.

Every second is important. Every iota
Is meaningful. However small.
Do not disregard the call. However small.
Listen. And heed the voice.
At any given moment.

VIII

"Give us this day our daily bread."

Daily bread. My flesh is food indeed.

Let the Spirit come upon us. Be with us.

Every day. This day. Every day.

We love you, Lord.

IX

The Lord has work for me and you.
To do. The Lord has work.
It is not something that can be put aside.
To the side. Put these thoughts to the side.
The Lord has work for me and you to do.

Embrace his call. Do his work. Day to day.
Suffer not the postponing of his labor.
Do not put it off. Until later. Until tomorrow.
Do today the work the Lord has set aside for you.
All that is to be done today, is to be done today.
Do the Lord's work.

It is possible. It can be. It must be.
There is a way. There is always a way.
To do the Lord's work today.
Fear not for money. Fear not for self.
Do the Lord's work today. This is the day.
There is a way.

Be not anxious about your life.
Give no thought to this world's cares.
Find the way. There is always a way.

X

Time. On time. In time. Right time.
Always on time when in the Lord.
Right on time.
As if led. Led by the Lord, the time is right.

Let the Spirit of the Lord guide you
In all you do.

No need to hesitate. No need to wait.
No need to rush. To rush on ahead.
Always on time, in time with the Lord.

Do what you must. The work of the Lord.
And time is with you.

XI

Sole. The sole purpose in life.
Alone. In a way. Nothing else matters.
No matter. No building. No human structure needed.
The sole purpose in life is to do the will of God.
To live with Jesus and walk with Jesus.
To do the will of the Lord.

Let the Spirit come upon you. Come upon me.
Spirit, guide me through life. This life.
Lead me forth into the kingdom.
Alone. This alone. Is needful.

O Lord, breathe into me. Light.
Light my way, my Lord.

Peace. Peace be with you. All of you.

Sole. The sole purpose in life.
The sole purpose in life is to do the will of the Lord.

XII

Bless you. O Lord. Bless us, O Lord.
All blessed. All be blessed. Blessed by the Lord.
Peace reign. Peace reign in your hearts.
Peace reign in all. Bless us, O Lord.

Forgiveness. Forgiveness be with us. Never leave us.
Forgive us, O Lord. All our humanness. Forgive us.
Let us be as one with you. Let us be as one.
Forgive us, O Lord. Bring us into your presence.

All well. All be well. Blessings upon you. Upon you all.
Let love reign. Let all be cleansed. Let there be no judgment.
Forgive us and cleanse us and be with us, O Lord.
Let your blessings flow. Let them be upon all.
Let all be well in you.

What more. What more could we ask for.
Than to be blessed by you. Bless you.
Bless you all. Let your blessings flow.
Upon the whole earth. No judgment. Bless you.

XIII

Keep us in line, O Lord. In line with your will.
Lead us not astray. Lead us.
Let us not be led astray. Be with us.
The presence of the Lord is precious indeed.
Be with us, Lord. Lead us forth.

Keep any sway of temptation away from us.
Let it not come upon us.
Protect us. Protect us from harm.
From being led astray. In any way.
Keep us. Keep us in your pasture.

Shepherd us, Lord. Let us know right from wrong.
Let us do right. The right thing. At all times.
Enter in and lead us forth.
We give our will to you, O Lord. Let your will be done.

XIV

Home. I wish to be. Home.

Take me home. Into the light. Into the warmth.
Into the hearth, the heart.

Home. Take me home. I wish to be. Home.

In light. In love. In you. O Lord.

Home. Take me home.

XV

Prophet. The prophet. Living God's word.
Speaking God's word. Infused with light.
The light of the Spirit fills the prophet.

The prophet speaks for God. Lives for God.
The prophet listens. The prophet hears.
The prophet does the will of God.

The mighty wind blows around the prophet.
Speaking to him. Calling him. Calling the prophet's name.
Calling him forth, for the will of God.

The mighty wind calls the prophet, blowing around him.
The still, small voice speaks to him. Whispering.
Silently. Silently speaking to his heart.

The prophet lives for God. Living his will.
Walking in his ways. Infused with his light.
Hearing God calling in the mighty wind that blows him forth.
Feeling God speaking in the silent voice.

XVI

Blessed Mother. Mother of Christ. Blessed of all generations.
Bringer of life into the world. Bringer of light.
May we love our mother. May we honor her.
Mother most humble. Mother most kind.
Mother blessed by the Lord. The womb the Spirit came upon.

Mother. Blessed Mother. May we love like thee.
O Lord, bless us. Bless us as she was blessed.
Enter into our bodies. Sanctify us.

Call us. Let us heed the call. Let us accept you, Lord.
As the blessed mother accepted you.
Let us be so humble and true.

Pierce our hearts. Pierce our souls.
Discipline our lives. Let us be with you.
Let us be of you.

XVII

Anointed. Let us be anointed.
Let the oil of love flow upon us and cleanse us.
Make us new.

Christ. Flesh of Christ. Pure. Clean. Whole.
Anoint us, O Lord. Make us whole.

Wash us clean of our sin. Renew our hearts, O Lord.
Anoint us with your oil. Let it flow upon our faces.

Let it roll down our bodies. Our whole bodies.
Let it make us one with you.

Anoint us, O Lord.
Make us new.

XVIII

I thank you, Lord, for this. For this work.
For these words. For these words for you.
Thank you for blessing me with your call.
Thank you for your leading me forth.

For the words. For the form. For the Spirit.
For all. For all you give unto me. Have me do.
Let it be ever true. Let it be ever clear. Let it flow.
Let it flow with your Spirit. Only with your Spirit.
Let your Spirit be upon this work.

Thank you, Lord. For the life. For life again.
For the gift. The inspiration. Thank you.
Bless you, Lord. Bless me, Lord. Lead me forth
In your light.

Spirit of Christ, be upon this work.
Thank you, Lord.

XIX

My people. Humble people. Of the earth.
In the dirt. Dust. Dirt.
Ashes to ashes. Dust to dust. Humble.

Full. Flesh. Physical. Earth. Dirt. Dust.
Sweat of the brow. Work. In the dirt.
Strong. Sure. Simple. Flesh. Body.

Muscle. The earth's flesh. Direct. Simple.
Humble people. Doing their work. No more.
No fantasy. No fear. Down to earth. Humble.

Make us humble, Lord. Keep us humble.
That our spirit may soar. From within.
"Blessed are they..." God's blessing is upon the poor.
The humble flesh.

XX

O Lord, this world is so full of tension.
So full of pain. So full of heartache.
How can it be relieved, Lord. Let it be relieved.

Ease the pain. Ease the tension. Ease the suffering.
We bring upon ourselves. All this. All this pain.
Please ease our human shortcomings, Lord.
Remove us from ourselves.

Take us out of our little worlds of self-induced heartache.
Of our own making. Of our own device. Of our own falsehood.
Remove the scales from our eyes. And let us see.

Let us breathe in peace again. With you. With you, Lord.
Let us be one with you. Without pride. Without suffering.
Without the falsehood of this earth.

Please, Lord. The world is so full of tension.
So full of pain. Please ease our suffering.
Leave us not beyond hope. Fill us with your hope.
Fill us with your light. Fill us with your truth.
Be with us.

XXI

Shine. Let your light shine. Shine on me.
Let the Lord's light shine through you.
Find you his way in this world.
Find your way. Shine your light. Out. For others to see.
Hide it not. Miss it not. Let it shine.

In your work. In your life. In all you do.
Live your life in light. Live a lighted life. In the Lord.
Find your way. Find your light. Find the lighted way.
And shine.

Turn not away from it. Miss it not. Live it.
Live a life of light. Live the Lord's way.
Let his hand be upon you. To light your way.
Shine. Let your light shine.

Please, Lord, let me walk the lighted path
To you. No other. No other way. But this.
Walk the true path. Amen.

XXII

There is something of God in us.
We are God's creatures. His imprint is with us.
We are tied to God.

Something in us is in direct line to God.
A direct communication. Our Soul. Our Mind.
Our Heart. Our Body. Ourselves. We are tied.
To God.

God is with us. We can speak with God. Think with God.
Be of God. Live as God's disciples.
The kingdom of heaven is within us.

There is something in us of God. We are of God.
God's creatures. The creator is in his creation.
God is in us. With us. In direct line.

Our soul lights our mind of God.
Tap into God. Tap. Tap. God is there.
God is in us. Speak to him. Speak of him.

XXIII

God's love. It is. Life. It is. That is.
It is that that is in us. God's love. Life.
That is life. That breathes through us. Lives in us.
It is that that is.

That is what is in us of God. God's love. God's breath.
Life. It is life. As we are alive, we are of God.
And we have God in us. All that is alive is of God.
It is so.

Live and breathe the will of God. God's love.
God gives to us the breath of life. Is in us.
And God gives his Son to us. To be with us.
As us.

See. See that Jesus bleeds for us. Is with us.
Is here to save us. Is God's love. Given to us.
See. Jesus is with us. Gives life to us. Live in his Spirit.
God with us.

Live.

XXIV

Whole. Whole person. Be a whole person.
Balanced. Complete. Whole. Holy. Of God.

The source of light shining brightly through.
Whole. Filled with light. In which there is no darkness.

Heart. Mind. Soul. Strength. All. Whole.
Leaving nothing without. All whole. All balanced.

Being. Whole being. Nothing short.
Not of self. Not limited. Not merely human. Not blinded.

Whole. Of God. All. Arms around all. Everyone.
All is of all that is. All. I love you, brother. I love you.

XXV

The child speaks. I can hear the voice of the child.
Can you understand the child's speech?
The child speaks the heart. To the heart.
The innocence of the child speaks volumes.

Hear the child. Comprehend the voice. The sound of the child.
Speaking in tongues of wonder. Speaking in tongues.
Listen to the voice of the child. Hear him speak.

O purity and wonder. O innocence of God.
Like a little child. Be as a child. Feel as a child.
Listen as a child to the voice of innocence. The voice of God.
Speaking volumes. O joy.

Know the joy of the heart. The wondrous heart. Love.
Leap for joy. O joy. Listen to the voice of the child.
Hear the voice of the child. Speaking.

XXVI

No fear. No death. Nothing to fear. Peace.
O Lord, please take fear from my soul.
Let there be no need to fear. No darkness.

Remove the dark cloud that hovers overhead.
That hovers in my heart. It does not exist.
Remove the paranoia. Free me from thoughts
Of fear. Fearful thoughts that do not exist.

No need to fear. No need to worry. Bless me, Lord.
Free me from death. Free me from fear.
Watch over me, and bless me.

Thank you.

XXVII

Word. The word. With God. Is God. God.
Holy word spoken, from which all comes.
All comes from the Word. Spoken.

At the heart, creating all ... the Word. It shall never pass away.
Life comes from the Word. God. Father of all.
The Spirit. The Creator. The Word.

Say. Say, God. And it is so. It is so.
Say. Sow. Sow in words. The word of God.
God is. The Word is. The Spirit. Life.

XXVIII

Stains. From whence come the stains. The form.
The stains come to be. The marks. Given.
Taken. Taken by us.

The stains, the marks, are a sign. A sign unto us.
To see. To see beyond ourselves, our minds.
Love these stains, we find.

Water and ink. And hair. And junk.
Apparently negligible. Apparently without purpose.
Without placement.
"All the hairs of your head are numbered."
Nothing is without reason. Reason of God.

All is placed by God as a sign for us. To see.
See all that God shows us. God shows us all.
All is here for a reason. Even these stains.
Find God in all around you. God is all around.

XXIX

A voice. A voice speaking. Only this. Nothing more.
Nothing else. Beside this. A voice speaking.
Nothing more.

XXX

In the synagogues of Galilee. It began.
Quietly. Humbly. Up from the womb he grew.
Born of the womb of a woman. Dead by men's hands.
Humble he was. Human. The seed.

And so the kingdom of heaven was born. In a man.
And so the word went forth. Quietly.
No trumpets blaring, declaring his birth.
No trumpets blowing before him as he speaks.

By the sea of Galilee. The birds chirping. The children laughing.
The water rushing toward the shore. Quiet.
Simple. Humble. Human. Jesus. Born as we are.
Growing as we do. Dying as we must.

O come, kingdom of heaven. Wrap us in swaddling clothes.
Bear us up to the breast of the Lord. Let us grow.
O Jesus, be with us. As our feet walk upon the earth.
As we tread forward into thy kingdom.

Amen.

XXXI

Love and friendship. And the human heart.
The light and the warmth of friends. Sustains.
Through the years, on earth. Brothers. Sisters.
Hearts and voices and persons, there. For you.

And came into the world, this world, this day – the Christ child.
One of us. A friend. A brother. A heart, a warm heart.
Through the years, here. Sustaining ourselves.
His heart, his voice – for us.

Let us live like brothers. Let us live as friends.
Bound by Christ. Together in his name. His is the friendship.
Between us. The warmth. The light. The love.
That lasts throughout the years. And is renewed, rekindled
This season.

Peace be with you.

XXXII

Happy Birthday, Jesus. Happy Birthday to us all.
We are all born today. With you.

A new life has come into the world. A new light.
To lead us all forth. We are all born again today.

Bless you, Jesus, and keep us. Keep us in your heart.
May we all be blessed by the grace of your new birth.

Happy Birthday, Jesus. Happy Birthday to us all.
We are all born today, in God. Be with us.

O the light that has come into the world. O the life.
Leap for joy, as a child. We are all born today.

XXXIII

Forget not. Let me forget not. Thy words.
The beauty of thy words. The truth. The meaning.
Let me not forget what I have heard. What I have learned.
From you. From your words. Your teaching, O Christ.

Let them dwell within me. Stay within me.
Let them sink into me and grow. Let them never leave.
Let me not forget. Thy words. What I have learned.

Let me keep your words, O Lord. In my heart.
In my mind. In my soul.
Let me not forget. The light.

XXXIV

A voice. Give me a voice. Your voice.
To stay within me. Speak for me.
Let the voice reside in me.

XXXV

In heaven. In heaven all things may be done. Already.
All this work. All these prayers may be accomplished.
All fulfilled. Already.

Heaven first. God's kingdom. God's thoughts. Mind of God.
No need to struggle, in anxiety, here. Heaven.
In heaven, is all that matters.

Treasures in heaven. Spirit. Store up treasures in heaven.
What will be done. May be done. In heaven.
Let it be done, O Lord. Let it be done.

Peace.

XXXVI

No time. Timeless. The sun shall always shine.
No words. The word of God shall be written on our hearts.
We shall speak with new tongues.
No thing. As we know it. Nothing owned. Possessed.
All one. All holy. All true.

In a world of no earthly limitations. In God's world.
In heaven. In heaven there is no time. Eternal.
Eternal life. In God's kingdom.

Heaven and earth shall pass away.
But the light shall not pass away.
Let us live in God's eternal light.

Take me away, Lord. Let me step into your kingdom.
Out of this world. Into heaven.
As I am ready. For life.

Make me ready, for your kingdom ... of light.

XXXVII

Prayer. Ask the Lord. Continually ask. Pray.
Build your soul. Make it full. Complete.
Fill your lungs, with his words. Pray. Always pray.

Find a whole soul. A soul complete. Full. Of God's words.
Prayer. Continually pray. Always ask. Again.
Build your soul. Make it whole.

Ask again. And again. As time goes by. Fill your soul.
Let it grow. Layers of prayers. Rising.
Find a whole soul. It shall make you free.

"Because of his importunity..." Ask.
Ask again. And again. Sincerely. Pray in sincerity.
Fill your soul with God's words. With prayers.
And all will be well with you.

Pray.

XXXVIII

Love. Compassion. Heartfelt sincerity toward others.
Be sensitive toward others. Love them.
This is your purpose while here. To love others.

Be kind. Be merciful. Be tender. Love.
Love. Open your heart. Let it be tender.
Feel others. Expose the wound.

Set your heart on others' hearts. Feel their pain.
Be sensitive to them. To their feelings.
Let there be a tear in your eye. For others.

This above all is important. "The greatest of these is love."
You are here with others. You are with all.
We are all as brothers. Have a human heart. Love.

XXXIX

Beloved. Of God. I will answer your prayer.
Ask what you will. My love. My child of love.
You are chosen. By God.

I will give to you your request, for it is holy.
It is good. What you ask. It is well.
My heart longs to grant your desire.

Beloved. Of God. Your prayer is answered.
Accept the blessing, anointed one.
You have found favor with the Lord.
His love is upon you. It is in you.

Live by his Word. Staff in hand. And go.
You are my beloved, my blessed one.
Upon you I pour out my love.

Bless you, Lord. And thank you. For your will.
Be done. On earth as it is in heaven.
Thank you, Lord. Let it be so.

XL

People I'll see in heaven. People I see now.
Same people. Seen now. Seen in heaven.
I'll see you again in heaven.

Think. Think of it. I'll see you again in heaven.
You'll see her and him and them, in heaven.
Heavenly. Heavenly thoughts.

Flowers. Birds. Sitting on a bench. Waiting.
Silently. Quietly happy. Whistling or singing.
To yourself. With others. Together for heaven.

I'll see you again in heaven.
Peace.

Health. Well-being. Love. Music. Beauty. Thank you.
Music and dance. This poetry. Happiness. Gratitude.
Thank you, Lord, for making me well. Praise you.
This tender bleeding I do for you.

Sing your heart. Praise the Lord in song. Love.
With your strength. This art. This life. While well.
Happy New Year, to you. In music and dance. Of life.

Praise you, Lord. Thank you, Lord. For this gift.
For this love. In this love. I thank you, Lord. I do.
O to be well. Make all well. All well in you.

The lovely strains of music. The harmony. Like skating on ice.
Like dancing tenderly through life. Like life.
Like you and me. Like all, together. In peace.

XLII

"Domine, padre..." (tongues). In tongues.
Speaking in tongues. "Domine, padre..." On.
Building. Building in tongues. Speaking freely, fully.

"Homm, Nomm,..." Words. Sounds.
Full. Of life. Full of Spirit. Holy Spirit.
All. All Spirit. Love.

"Domine, padre..." And on. (In tongues.)
Speak in tongues. Speak fully, truthfully. Of the Spirit.
Go. On. Spirit. O, Spirit. O, Love.
And on. Speak fully,

Speak for me. Speak. Yield.
Give. Give self. Yield.
Lay down your life. Love. Lord. Life.

"Domine, padre..."

XLIII

Doors open. All the doors open. Open all the doors.
When all the doors are open, there is no temptation.
Close not the doors. Lock them not.

Open. Remain open. "I've got both doors open."
Free. Open. No temptation. No suspicion.
No sin. Can be no sin. When doors open.

I do not suspect you. Do not judge you.
It is not mine. This. This is not mine.
You can't take it. It is not owned.

Hide not. Hide not. Hide not.
Do not lock your doors. Open your windows.
All the windows open. Open all windows.

Find this. Know this. Freedom.
This is freedom. Open.

XLIV

If you are a saint, you are a saint by God's approval,
And you have no reason to be proud.

We are God's children. Of God. In God's will.
Not our own. Not of our own will.
God is responsible for all that is good.

Be a saint. Yes. Be a saint. In God. Of God.
Let God reign in your hearts. In your lives.
Know it is not you who determines your life.

All the saints bow down before God.
All in humility. All as God's chosen.
God's children.

I do not wish to be what I am not,
And what I am is of God.

XLV

How many people really cry?
How often do we stop in our tracks upon hearing of tragedy?
Are we ever touched by suffering? Do we ever bleed
For others?

Do we ever see how we have forsaken Him?
Do we ever hear his cry?
Do we ever love? Do we ever care?
Is there ever truth in our lives?

How often do we really feel the pain?
Do we ever cry? Do we ever care?

Bleed. Bleed now. Cry for love.
Cry for peace.

It should be.

XLVI

Life's good. It is wonderful to watch the Spirit move.
To see the ways of God in action. To be alive.

I am swimming in hope now. I'm alive.
Light is beginning to shine on the horizon.

Shall we dance? Yes, let's.

XLVII

There is no turning back now. There is no end.
On we go. Into the light.

All night. All night the light shines.
Shines on me. Brightly.

O the light. O light. Shine. Shine.
Shine on me. Never leave
Me behind. Shine. Always shine.

In patience, peace.

XLVIII

Why do we do what we do, O Lord?

Why do we do what we do?

How should we live our lives, O Lord? How shall we survive?

Let me not be driven by money, O Lord.

Let me not be driven by greed.

Let me live in truth, O Lord. Let me live by thee.

Never leave me. Never flee. Never let me fall short.

Fill me with thy inspiration. Let me be with thee.

Always make me as strong as I can be.

Speak the truth. The truth will make you free.

Live the truth. Never leave it be.

Let me never be driven by money, Lord.

Let me never be driven by greed.

Let me understand my actions, Lord.

Let me do what is right by thee.

What is right to do, O Lord? What is right by thee?
Should we leave the hills and forests?
Should we let them be?
Should we abandon all our progress?
All this human mess?
How should we live our lives, Lord?
What is right to do?

Make us one in your name. Fill us with your truth.
Clear the path before us. Let us walk with you.
Together down the road of life. The road that you would choose.
Make us all one brother. Make us all you.

Peace be with you, brother. I do love you so.
Let us love one another. Together we may grow.

O Lord, show us the way, or the world may end.
Show us the way, O Lord.

I will give up all I have. All I have is yours.
Nothing of this will I treasure. Only to be with you.

So take my life. Take my things. Take all I have.
I give all I have to all, and pray for peace in return.

Show us the right way, O Lord. True peace. No false hopes.
No evil distractions. No damning pride. No wrestling
For power. Take it all, take all of it –
And bring us all together.

XLIX

Music. A speaking in tongues. A language of sound.
Singing. Not the words. The sounds.
Not the meaning. So much. The beauty.
The movement of the words. The sounds.

Singing along. Speaking in tongues. Of sound.
The music moves in ways, in forms, its own.
Listen to the music. Listen to the sound.
Listen to the speaking, in tongues.

Oui. Oui. Si. Si. Da. Da. Oh yes.
Moving along in ways its own. Listen.
And speak in tongues, of love.
The beauty of the sound is to hear.

Listen.

L

Imminent. Soon. Christ coming. End of the world.
Through the window I see Christ coming
In the dark, night sky.

Actually coming. Christ actually coming. Soon.
The end of the world... Give up your life.
Hold on to nothing. Be ready.

Let me be ready, Lord. Make everyone ready.
Everyone in this room. I pray.
Let us do as we must. To accept your coming.

In the dark, night sky. Through the window.
I sense it, imminently. Christ's coming.
The end of the world is upon us.

LI

Lynn. O Lynn. Be with me today.
With me today. With me today.
With me today, Lynn.

The end is soon. Save me from the grave.

(Peace and joy and love and happiness be with you.)

Forever. With me. James. (Peace.)

LII

The Spirit of America. Is alive. Cannot be killed.
The Indian's land may have been plundered.
He may have been removed to a cage.
But the Spirit is alive.

Do we hear the voice whispering in the wind?
Do we care to listen?
Do we have any sense at all?

The Spirit of the Indian remains in this place.
The voice continues to speak to us.
Stop and listen to what it says.

Does it encourage this country?
Does it call it home?
Do we care to listen at all?

Peace, brother.

LIII

Together. Working together. Collaborating.
As one. Joined in a circle. Of love.

We need others. Must open to others.
Be one with others. To grow.

God gives us each the other. To love.
To share. To learn from.

Open yourself to others. Know others.
Be one with others. And grow. And be.

Thank you, Lord, for my brother.
My brothers and sisters in this world.

LIV

Surrounded by the deep, dark night.
In the deep, dark night. Encompassing me.

My eyes shine. As headlights shine.
As reflectors on the road. But I see the darkness.

The darkness surrounds me. Is all around me.
Though not frightening. No way fearful.
It is here.

And my eyes shine alone in the encompassing darkness.
Nothing else. It comes down to this.

Lord, remain with me; let me remain with you.
As you return. Soon.

Eyes alone in the night. I see you.

LV

Making gods of men is the sin
That confirms man's fall.

LVI

A breathing head. A featureless face.

Lips apart. Eyes open.

Breathing. A breathing head.

Open. Wholly open. The Spirit breathing through.

A featureless face. No limitations.

Spirit, breathe through me. Fill me. Wholly.

Bring me into thy presence. Speak.

Speak to me.

Open. Wholly open. Filled with the Spirit.

Speaking. Only speaking.

In the Spirit. Yes, Lord.

In thy innocence and truth.

With a breathing head.

LVII

Let thy will be done, Lord. In my life.
Let not my will interfere. With your will.
Let me live with your will.

So little can I sometimes see. Of what to do.
Of what is right. Of what is thy will.
Let it be done, O Lord. Please, let it be done.

My vision is so short. I am so easily blinded.
So easily full of doubt. So easily unsure.
Of myself. Lord, set my feet on the narrow path.

Let me be filled with your quiet certainty.
With your resolve. With your uprightness and truth.
Let thy will be done in my life. Despite myself.

Let it be done. O Lord. Let it be done.
Without doubt. Without fear. With thee, O Lord.
Only with thee. No turning back. Let it be.

LVIII

And on we go. On we go in the will of the Lord.
Seeking first the kingdom of God. What is right.
No other ideas, no other ways, distract.

Full and real, we walk forward.
Leaving behind what is not necessary.
Paring our lives to the bone.

All that matters is the will of God.
All that is is this truth.

Take all else. As on I go.
In the will of the Lord, I pray.

Set your mind on the kingdom of God.
And do his righteousness. Do the will of the Lord.

And so, on we go. See you. See you soon.

LIX

I do not want money, Lord. Do not want money.

I do not want money. I want to do your will.

Show me how to do your will, Lord. How to do your will.

Show me how to live my life as you would have me do.

How can I live in this life. How can I live.

How can I live without the necessity of cash.

How can I not impose on others. Not impose on others.

How can I carry my weight.

O Lord, show me how to live my life. Let me live my life with you.

Let me live my life as only you would have me do.

LX

Productive. Daily. Openly productive. In the Word.
Day to day. With a place. And a line.
Daily bread. Baked daily. Feeding. Growth.
Gloriously. Openly. Wholly. Producing fruit.

Enter in. Step on out. Feeding the human.
Daily. In a place. From an office. Ordinary.
Quietly. Humbly. Producing fruit.

Evenly. Day to day growing. Building up.
Continuing. On. And on. Readily. Fully.
In an ordinary place. In an office. In the Word.
The word of God spreading out. Building up.

Producing fruit. In a regular way.
In an ordained way. On a production line.
Of love. Of openness. Of truth. Of God.

LXI

Here I am. Here am I. Remain faithful.
No matter what. It doesn't matter.
About the world. About the people.
Remain faithful.

Through it all. Through whatever.
All that matters. Remain faithful. Remain good.
However the world may seem.

You are here. Here and now.
Whatever it is. Remain true.

The world may be glorious. It may be horrible.
It doesn't matter. The kingdom of God is nigh.
It is at hand. It is here, too.

All that matters, is this.

LXII

Speech. Oral. The oral tradition. The word.
Out loud. Spoken. In the air.

Speak. Speak the words. Speak to others.
Out loud.

Is. The word to be spoken. The word is.

Speak the word. Hear the word. Converse.
All the words are to be spoken.
Speak the words. In the air.

Open. Openly speak. All you have to say.

Alive. The word alive.
Bring the word alive. And speak.

Oui. Oui.

LXIII

By His stripes and bruises. By Jesus' wounds.
By the wounds of Christ. Your bruises. Your stripes.
Lord, I ask all in your name. To be granted by your suffering.
To be washed clean in the blood of Christ.

All you seek can be found in asking
By the stripes and bruises of Jesus, the Lord.
In this we are purged. In this we have life.

Like a crown of thorns smile dance. Like life.
That is born of the pain of Christ. By his wounds.

Find all healing. Be delivered of all sin.
Jesus has died for us. For you.
Ask in his name, and by his stripes and bruises
You shall find the joy of reconciliation. Of peace.

LXIV

You need nothing at all. Not this.
None of that. Nothing at all, none of it,
Is needed. But Christ.

Jesus, be with me.

LXV

Other. Listen. Hear other. Feel.
Feel other. Understand. Listen.

A tear in my eye. It hurts. But it is good.

Woman. Black. Color. Yellow. Other.
Don't be afraid. Don't assume you know.
Open yourself to others. To other. Than you.

It is not easy. It is not hard.
Let it not be hard. To be. To know other.

Listen. Meld. Be as one. Purgation.
Process of purgation. Bearing the Birth Pangs.
Of feeling. Of loving. Of being one
With other.

Let it be, Lord. Let us be one. Open my ears.
Open my eyes. Let me live thy wisdom
And love. Thank you, woman. Thank you, other.

Let the other in. Though it makes you cry.

LXVI

It is not in words. That the heart speaks.
That the heart moves. The heart moves.
Listen to the heart beat. Listen to it speak.

The heart speaks not in words. It is perceived
Not by logic. Human logic. It is in movement.
It is in tears. The heart speaks.

Like a passive stream. Flowing. Flowing through,
Like a shadow across a wall, in darkness.
Listen to the wordless expression. Feel. Feel it.

Let it purge your heart. Of silly words.
Of human logic. Of pointless expression.
Let it make you new. Let it cleanse.

Cleanse your soul of anything short, of perfection.
Anything short, of purity. Sense the expression.
The speaking. Don't place a yoke upon its neck.

LXVII

Sometimes I see you in the eyes and faces of people.
But not enough. I do not always see you.
I do not always see that everyone is my sister.
Everyone is my brother.

The kingdom of heaven is here. Everyone is my sister
And brother. Jesus is in everyone. This is true.
We are all brothers and sisters in Christ.

But someday. Someday I will always see that.
Someday I will be in heaven. Forever.
I will live that. I see it.

So I thank you now for the moments I see
Everyone. And I ask to hone my vision
And see — everyone is my sister, everyone is my brother.

Peace be with you. (I see you sister, the poor in spirit.)
Bless you.

LXVIII

Catharsis. I need to be cleansed. A cleansing.
To hold as 'twere the mirror up to nature.
To see ourselves. To cleanse ourselves.

Purge me, Lord. Let me purge.
Let catharsis flow from my life, into my life.
Let me see myself in others.
Let me show others themselves in my life.

Purgation. I need purgation. In my life.
In my art. Let there be purgation.

Catharsis. A catharsis. Let there be a catharsis.

Amen. (Let truth reign.)

LXIX

Make me well, Lord. Let me not fall into sickness.
Into lack of strength. Stay with me.
That I might praise thee.

Give me thy breath.

LXX

Lord, keep my eyes focused on the sky.
On the tops of trees and the sky.
Let me look above the buildings. Above the earth.

Let me see the beauty of the clouds.
The beauty of your work. The heavens.
Let me not be embroiled in things of this earth.

Let my eyes look upon the tops of trees and the sky.
Let my mind be upon the clouds. In the sky.
Let me never be blinded to this beauty. This art.

Bless me so. And forgive me my ignorance.
Fill me with thy truth. Thy everlasting truth.
Focus my attention on your sky.

LXXI

Let's play. Let's play together. Let's dance and sing
And play music to the Lord. In joy. The joy of the Lord.

Let us play a new song, of beauty and love.
A song not heard before. A song divine.

Let us take what we are given, and play.
Play it. Play it out for all to hear.

With love. With newness. With beauty. For you.
Let us take what we have and play together. A new song.

Sing to the Lord a new song. Sing to all a new song.
Direct. Honest. Sincere. No games. Just play.

Play with heart and soul, and life.
Thank you. Thank you so.

Let's play together. Evermore. Ever new.
We shall play forever in the light of the Lord.

LXXII

Thoughts. Too many thoughts. In my head.
No clarity. No certainty. No you.

O Lord, please take my thoughts. Let me not think
Too much. Let your Spirit guide me. Be with me.
To guide my thoughts. Take my soul, Lord.

Let me find and keep a balance to my life.
Let me not slip into confusion, and doubt.
Be with me. Stay with me. Hold my thoughts
In your hands.

Save me, Lord. From the winding whirlwind
Of thinking. Clarify my soul. My heart.

Let me not think of my own accord.
I yield my thoughts to you, Lord.
Guide me with your Spirit.

Balance my soul. Please, Lord. Make me well.

LXXIII

Listen. You must listen. Hear.
Open your ears. Please let me listen, Lord.

"Ears to hear and eyes to see."
Just sit and listen.

Do not talk. Do not think. Listen.
Receive the Word given to you.

O Lord, please open my ears. Let them be opened.
Clean out all the garbage, and let me hear.

Listen, with a calm heartbeat. Listen, to others.
Feel. Feel them speak. Feel the sound all around.

Listen. Listen. Listen.

LXXIV

There are many hours in one day.

Your training is completed. Now you must put into practice

That which you have learned.

LXXV

The kingdom of God is not bound by space and time.
It is no different today, or yesterday, or tomorrow.
It is the same here, there, and anywhere.
The kingdom of God is. The kingdom of God is.
It is everywhere, at all times.

Do not be bound by space and time.
By thoughts of space and time. About space and time.
You may go here, you may go there –
The kingdom of God is everywhere.
It may be now, it may be then –
The kingdom of God exists always.

The kingdom of God is not bound by space and time.
Do not be bound by space and time.
Be everywhere, at all times. Like God.

Peace.

LXXVI

In deeds of love. It is.
It is in deeds of love, acts of compassion, of kindness,
That one comes to know the reality of Christ Jesus.
For then one truly is Jesus.
We are all Jesus Christ. Of Jesus Christ.

Let your light shine. Be as Christ. To know Christ.
Be Christian. Who you are.
In this love, Christ is known. (No doubt.)

And God the Father will hear you then,
For you will be as his Son. Be his son.

Know this. Jesus is in this love. Know this love.
Know Jesus. Bleed for others. And be free.

LXXVII

Today. Now. The only time. The present moment.
Tomorrow may not come. We do not know.
The light of the sun shining now is all we have,
Is where we must live.

In readiness. In this moment. Today.
Doing what must be done today. Only.
Can you live now? (In this moment. Today.)

O Lord, bless me in this moment. The moment.
Eternal. Forgive me my sins, and let me live
In your light. Your eternal light.

Think not of tomorrow; tomorrow may not come.
Live and do the will of God today.
The past goes away. Stay. Stay today.
In the shining of the sun.

The kingdom of heaven is at hand.

LXXVIII

"You need Jesus, James."

I know. I know it. I cannot deny this.

I am a sinner. I am lost.

But how. How. I repent of my sin,

And it comes back to me. It returns.

Jesus, I need you. I do.

I am torn between monk and married man.

To love a woman. To devote myself wholly to God.

I can do neither. I need to do both.

I am lost. There is no woman. I am blinded to God.

And yet I seek. I seek a woman. Though in such futility.

I seek God. Though so often distracted.

I need Jesus. Jesus, Jesus, I do.

I'm torn between monk and married man.

(Jesus, if you would, solve this eternal problem.

Be with me. Protect me. And let me love.)

Forgive me my sin.

LXXIX

Angel. I see an angel.

Angel. I feel an angel. Flying.

Flying overhead.

Angel. Flying in my heart.

Save me.

Make me as an angel.

Peace.

LXXX

Purged.

Purge me, Lord.

Keep me, save me,
From evil.

Be with me, Lord.
Be with me.

Thank you.
Thank you, Lord.
Thank you.

What can I say.
(Though I don't deserve.)

Thank you.

LXXXI

States of purity and wonder.
Unencumbered by words. YHWH.

Clarity of mind. Of heart. Of soul.
Fullness of flesh in God. The Father is.

Be with him. Of him. In God's name.
YHWH. What can be said. Purity of soul.

"Hallowed be thy name." YHWH. God and Father.
In states of purity and wonder. In God's presence.

Let thy presence fill my life.
Bring me closer to your holiness. O Lord and God.

Nothing more could be said. Than this.
O Lord and God remove the straggling thoughts,
Unencumber me of words,
And let me sit in thy holy presence,
In thy Holy Spirit.

LXXXII

Do not trust your eyes and ears.

What you see and hear is an illusion.

Nothing is real but the word of God. Nothing is real but the Word.

Go through your senses. See through the illusion.

The word of God is the seed, from which all is sprung.

It is not bound by the senses. By the eyes and ears.

The word of God is all that's real.

Live in his holy name.

LXXXIII

Thirsting for the word of God. Thirsting for the Word.
To be filled by his Holy Spirit.
To be living his word.

Speaking now with Jesus. Singing praise to his name.
Living my life with Jesus' blessing.
Accepting his way.

The Lord indeed answers prayers. He hears
And heeds our call. He is quick to bless us.
He is ready to be with us.

Call on the name of the Lord.
Bring him into your life.
He indeed will live with you.
He indeed will answer.

It is wonderful to thirst for the Lord.
To thirst for his Holy Spirit.
His blessing is a gift most precious.
Desire for him is dear.

LXXXIV

Joy. The joy of the Lord. The joy of life.
Reveling in the innocence. In innocence and truth.
Awash in forgiveness. In forgiveness we find love.

The joy of the Lord is humble.
It is as the innocence of a child.
In this joy there is no judgment.
In this joy is no fear.

All is forgiven. All is new. All is waiting
For you. For you to live your life out.
To live your life in truth.

I am awash in innocence. Purity is returned.
Simple joy has filled my life.
Everything is new.

(I am well again.)

LXXXV

Secular. Religious. And who can tell the difference.
Who can say what is of God, and what is not.
Who can know the heart of any man, but God.

The man who does his job well, giving all,
In dedication, may be more Christian than he
Who says in words that he is so.

Seek truth. In truth is Christ. Christ is truth.
Music that is true is Christian. If it has
Only words, it is not. Seek truth.

And what is it that Christ would have each man do.
What is the place of each man.
And how might he best serve God.

Secular. Religious. There may be no difference.
If each is truly done.

LXXXVI

O Lord, let me be. Let me stand in your light.
Let me be one with you and your creation.
Make me one with Nature.

Let me stand under your sun and sky,
On your grass, your earth, by your trees.
Let me stand under your power
In wordless awe, my heart beating,
Being filled with thy Spirit,
Completely filled with your Spirit.

One with you, and your creation.
Purged and filled by you. O, wonder. O, light.
O heart beating, pounding. O, Jesus.
Be with me.

And standing in your field, as your creation,
I am filled with unspeakable awe, and joy.
The vault of heaven overhead, in my heart.

Please bless and keep me, Lord.

LXXXVII

Christ has come into this world. Is in this world.
He has wiped away any need for fear.
No fear is necessary. He has purged the world.

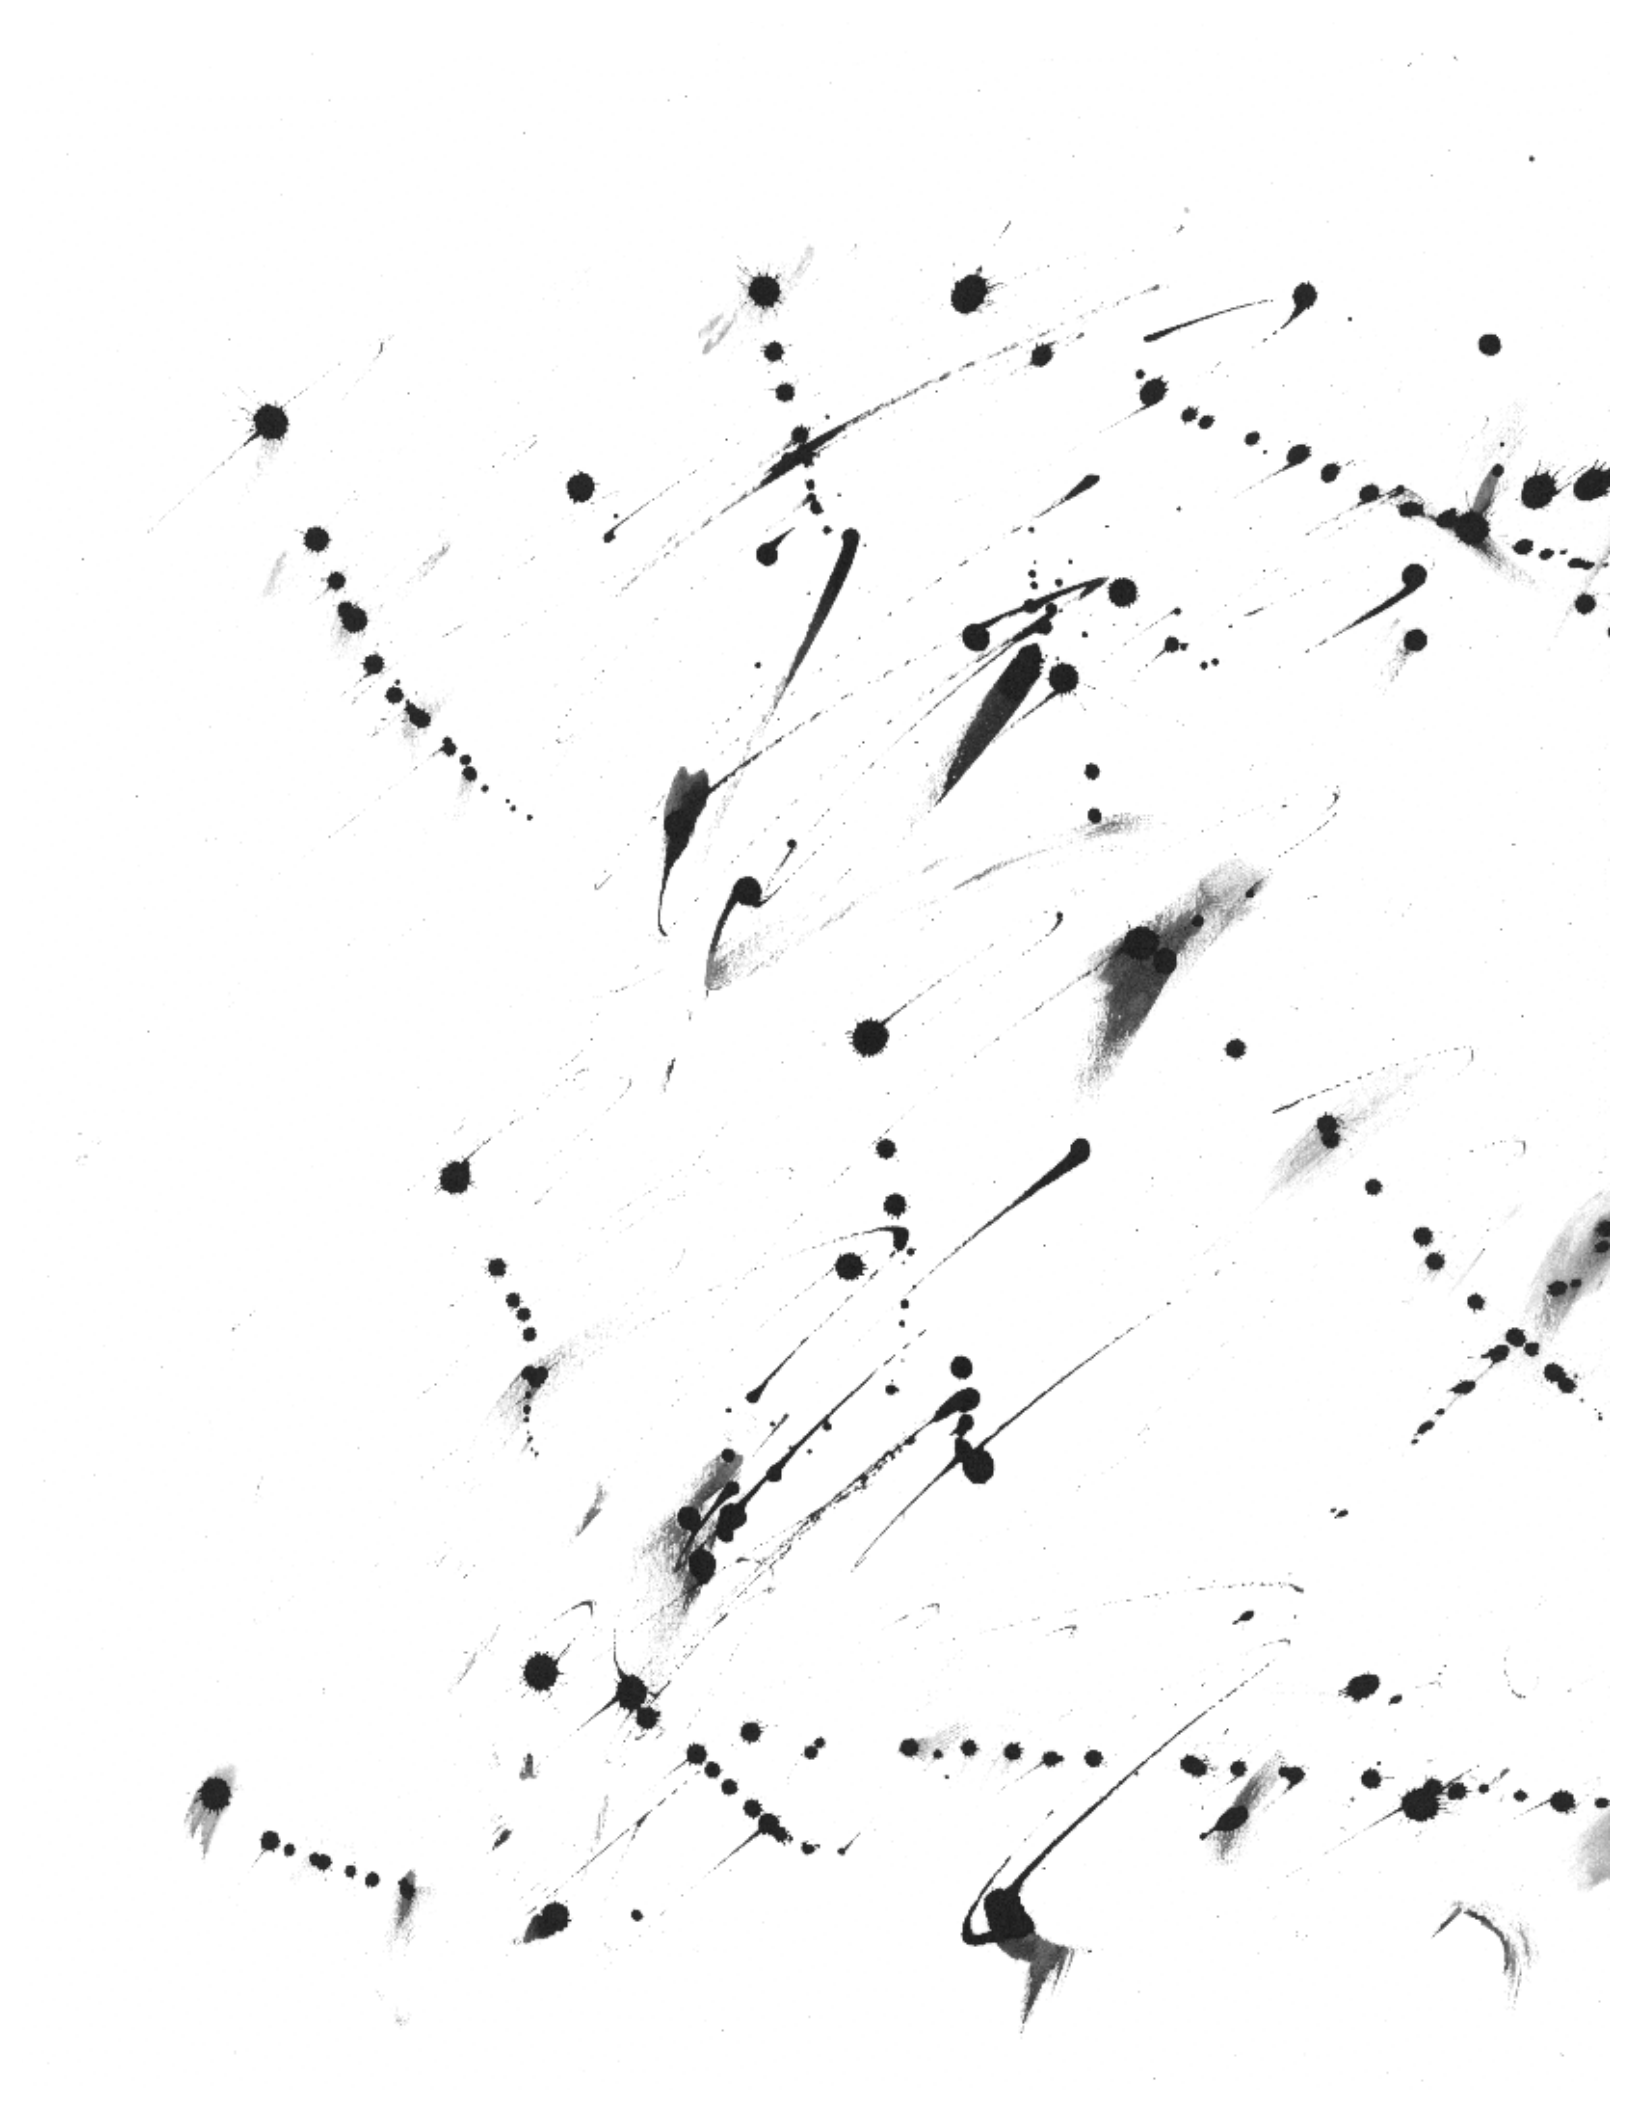

Do you see that he has come into the world?
Can you see that? There is a bridge
Between here and there. And there is come here.

O Lord, your blessing is overwhelming.
Your presence is so much, for the human being.
How can we accept your grace, fully as is given?
How can we live our lives in regard of you?

Know this. Christ is in the world.
Ready to purge the world. At all times.

Make us able to drink from your cup, O Lord.
Make us able to live in your presence.
To be wholly one with you. In peace.
And love. Now.

Amen.

LXXXVIII

Lord, you have the power to cleanse me of my sin.
Remove my sin. Take it all from me.
As if it never was. Washed away.
"Ask and it shall be given."

And imagine never having to sin again.
Never sinning again. Completely free of sin.

O Lord, I would I never sinned again.
I would it were removed from me forever.

I can only imagine never sinning again. Never sinning
again.

O Lord, as far as I can, as far as I may,
Let me never sin again. Never sin again.
Never sinning anymore.

Let it be.

LXXXIX

In your light. Let me stand. In your light.
Let me be. In your Spirit. In your light.

Let me sit upon your mountaintop.
In your presence, let me be. Above.
Above the world.

Let your Spirit descend upon me.
Awash in your light, let me be.

In perfection. On your mountain. Seated in your light.
The clouds above. Your clouds. Upon me.

Floating on this cloud of light.
In peace. In joy. In thee.

Hallelujah, amen.

XC

Open. Open is the only way.
To be.

Open. Open up. Only open up.
And be. And live.
In light.

Open.
And be free.

Be open. Open. Open ...
And see.

All is open. Open to you
And to me.

Only open, and be free.

XCI

This is the day. The one day. The only day.
The Lord has made, this day,
For you and me.

O live. Live in this day. The Lord made.

The birds will sing. The sun will shine. This day.
There can be love in your heart. This day.
Let shine.

O, O, O, O, Lord. All of this day
Be with me.
On the earth. In the light. In the wind.
And sea.
Be here with me. This day.

I thank thee.

XCII

Bless, Lord. Bless all, Lord.
Bless my family and my friends. Bless all the people
I have known. Bless my enemies
With your love. Bless you, Lord. Bless me.

Bless the sun, Lord, and the rain. Bless the sky
And trees. Bless all of Nature and the buildings.
Bless all things in thee.

Bless all the people of the earth, and the people
Who have been. Bless those in heaven
And those on the way. Bless all, Lord,
In thee.

Bless everything that lives and breathes
With your heavenly light.
Bless the flowers and the trees
With all your love and might.

Bless you, Lord, bless me, bless all.
Bring all under thee. Bless us. Bless us. Please.

XCIII

There are no words. Alone. In Nature.
The birds singing. The cat purring.
The wind blowing. Breathing.

Speaking. Speaking directly to God. Communing.
In communion with God. Speaking not in words.
Breathing. One.

One with Nature and God. Close to the soul.
The Spirit breathing through. Alone. With God.
In Nature.

Speak to me, God. Breathe with me, God.
In me. Be in me. Of you. Let me be.
Amen to this speaking and breathing with God.

Amen. Remain with me. Amen.

XCIV

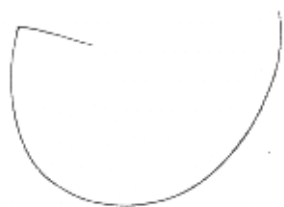

O Lord, let thy will be done in my life.
Take my life. Take all my life.
Let all I am be led by you.

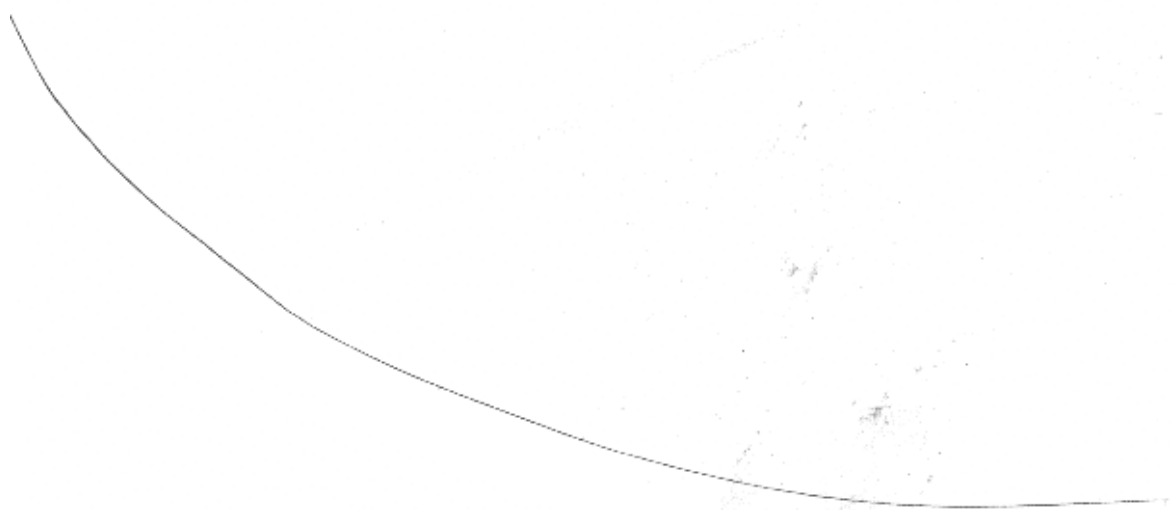

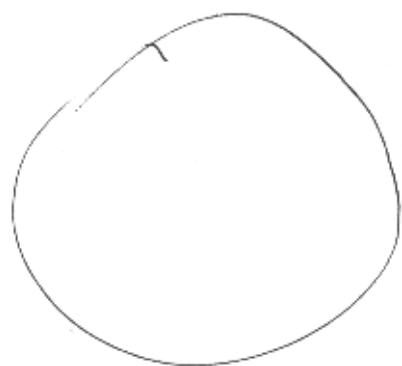

I am unable to know the way.
I am failed, leading myself.
Only you know.

Rend my heart in twain, and bring me
To ground zero again. Slay me in your Spirit.
Make me fresh, and new.

Humble me, and lead me through.
Let me not turn back again.
Leave me not alone, without you.

O Lord, I offer up my life to you.
Take my love. Take my life.
Let my life be lived in you.

XCV

Atmosphere. In the atmosphere. On Earth.
Whole. Breathing. The air.
Nowhere else. Nowhere else to be. But here.

Here on earth. Under the clouds. In the air.
In heaven. As God created it. Created us.
To be here. In this place. Only.

Leave us not this place. Let us be
In our realm. Our atmosphere.
Nowhere else to be.

Praise you, Lord, for this place. For our home.
Here on earth.
Bless us, Lord. Bless this place
We are in.

Be here. Breathe the air. Be humble.
Living in our atmosphere. Living here.
On this earth and in this air.
Together in our atmosphere. With you.
O Lord. With you.

And through this world we go.
On through.
On through and to the Lord.
But here, here we must be,
To do so.

Do not destroy your atmosphere.
Do not destroy your home.
Your body is a temple
Of the Lord.

There you must live.
There you must breathe.
There you must be.

If you cannot be true,
If you cannot do right,
Here while you're on this earth,
Who will give to you the kingdom?

Take care of this place.
Take care of this home.
It is the way to the kingdom.

XCVI

Write me into your book, Lord.
Let me read what is written there.
Day to day. In your wonder. In your glory.
In your love, O Lord.

Unfold your story, before my eyes.
Let me see your grace and blessing.
Your life, in my life, let me know.
Let me see your beauty.

You are the author of my life.
All is well in you. All works
In harmony. All is wonderful
In your plan and composition.

Unveil your plan before my eyes.
Let me live in wonder of you.

XCVII

Awaken, O sleeper. Arise. Do not linger in darkness
Too long. You have been waiting.
Come into the light.

Lift your head. Look upon the face of God.
Do not linger in darkness anymore.

Arise from your slumber. Come into the light.
Wait no more for your call. The time is nigh.
Heed the time.

XCVIII

Star light. Star bright.
First star I see tonight.
I wish I may. I wish I might.
Live in the Lord's eternal light.

XCIX

O Lord, place your yoke upon my shoulders.
Lightly onto my neck. Let me bear
Your light burden. Steer me through
This world.

Your burden is light and your yoke easy to bear.
The yoke that leads to freedom.
Freedom from sin.

Place your yoke upon my shoulders.
And guide me. Steer me lightly.
Keep me free from sin.

I feel your yoke upon my neck.
Your hand upon me is wonderful.
Guide me on, lead me forth,
In you, only you.

The world has stones to weigh you down.
Take the yoke of the Lord upon you.
And find his freedom.
His truth.

C

Be not a part of this world.

Do not be of this world.

Be of heaven.

You are a citizen of heaven.

Do not be tied to this passing universe.

Let it go when it must.

Remember, you are of heaven.

Though in this world, not of this world.

Do not be afraid. It is not yours.

Let it go.

Love your brother. Be patient with this world.

But remember, it does pass away.

It will go.

But the kingdom of heaven never goes.

It always is. It always exists.

You shall always have your home.

In heaven.

Again, peace. Peace of Christ be with you.

The peace of Christ is eternal.

The peace of Christ does not end.

Peace be with you. Now and always.

Peace.

Peace. Forever.

Amen.

CI

Sing songs of praise.
To the Lord. Every day.
No matter how tired. No matter how late.
Sing.

Yes. Be not distracted
By the ways of this world.
No. Sing your praise
To the Lord.

Every day. In all ways.
Stay with the Lord.
And sing.

Praise you, Lord.
Be with me, Lord.
Lead me, Lord.

Bring me to the place
You would have me be.
Bring me home.

Praise you, Lord. Bless you. Thank you.

CII

Save me, Lord. From the evil one.
Let not his ways infect me.
Keep me free of him.

The plagues of this world are all around.
There are pits placed everywhere.
Let me not be snared.
Take from me that which is of him.
Purge me of my sin.

I pray you will lead me forth.
Into the kingdom of light.
Out of this world of darkness.

Let me do thy will.
Without hesitation. Without procrastination.
With thy inspiration. And truth.

With thy truth there is no doubt.
There is no turning back with you.
Bless me with your cross.
Baptize me with your fire.
And let me live once more.

CIII

Servant. Brown wooden cross. Jesus Christ.
Bearing the weight of the world.
Upon his shoulders.
Laden down with our burdens.
Saving us.

Sacrifice. The sacrifice of the lamb.
The lamb of God. The Son of God.
Jesus Christ. Here to serve.
Amongst us to save.

To save us from our sin.
He came into this world.
He laid down his life.

Humbly. Gratefully. Completely.
Freely giving of himself, to save others.
The servant loses his life.
Becomes earth and dirt. For you.

Bless you, Lord. Let me be as thee. Bless you.
Bleed me, Lord. The blood of the Lord
Is poured out upon the ground... For you.

CIV

Set your heart at rest. Be not anxious
About your life. Breathe easily, calmly.

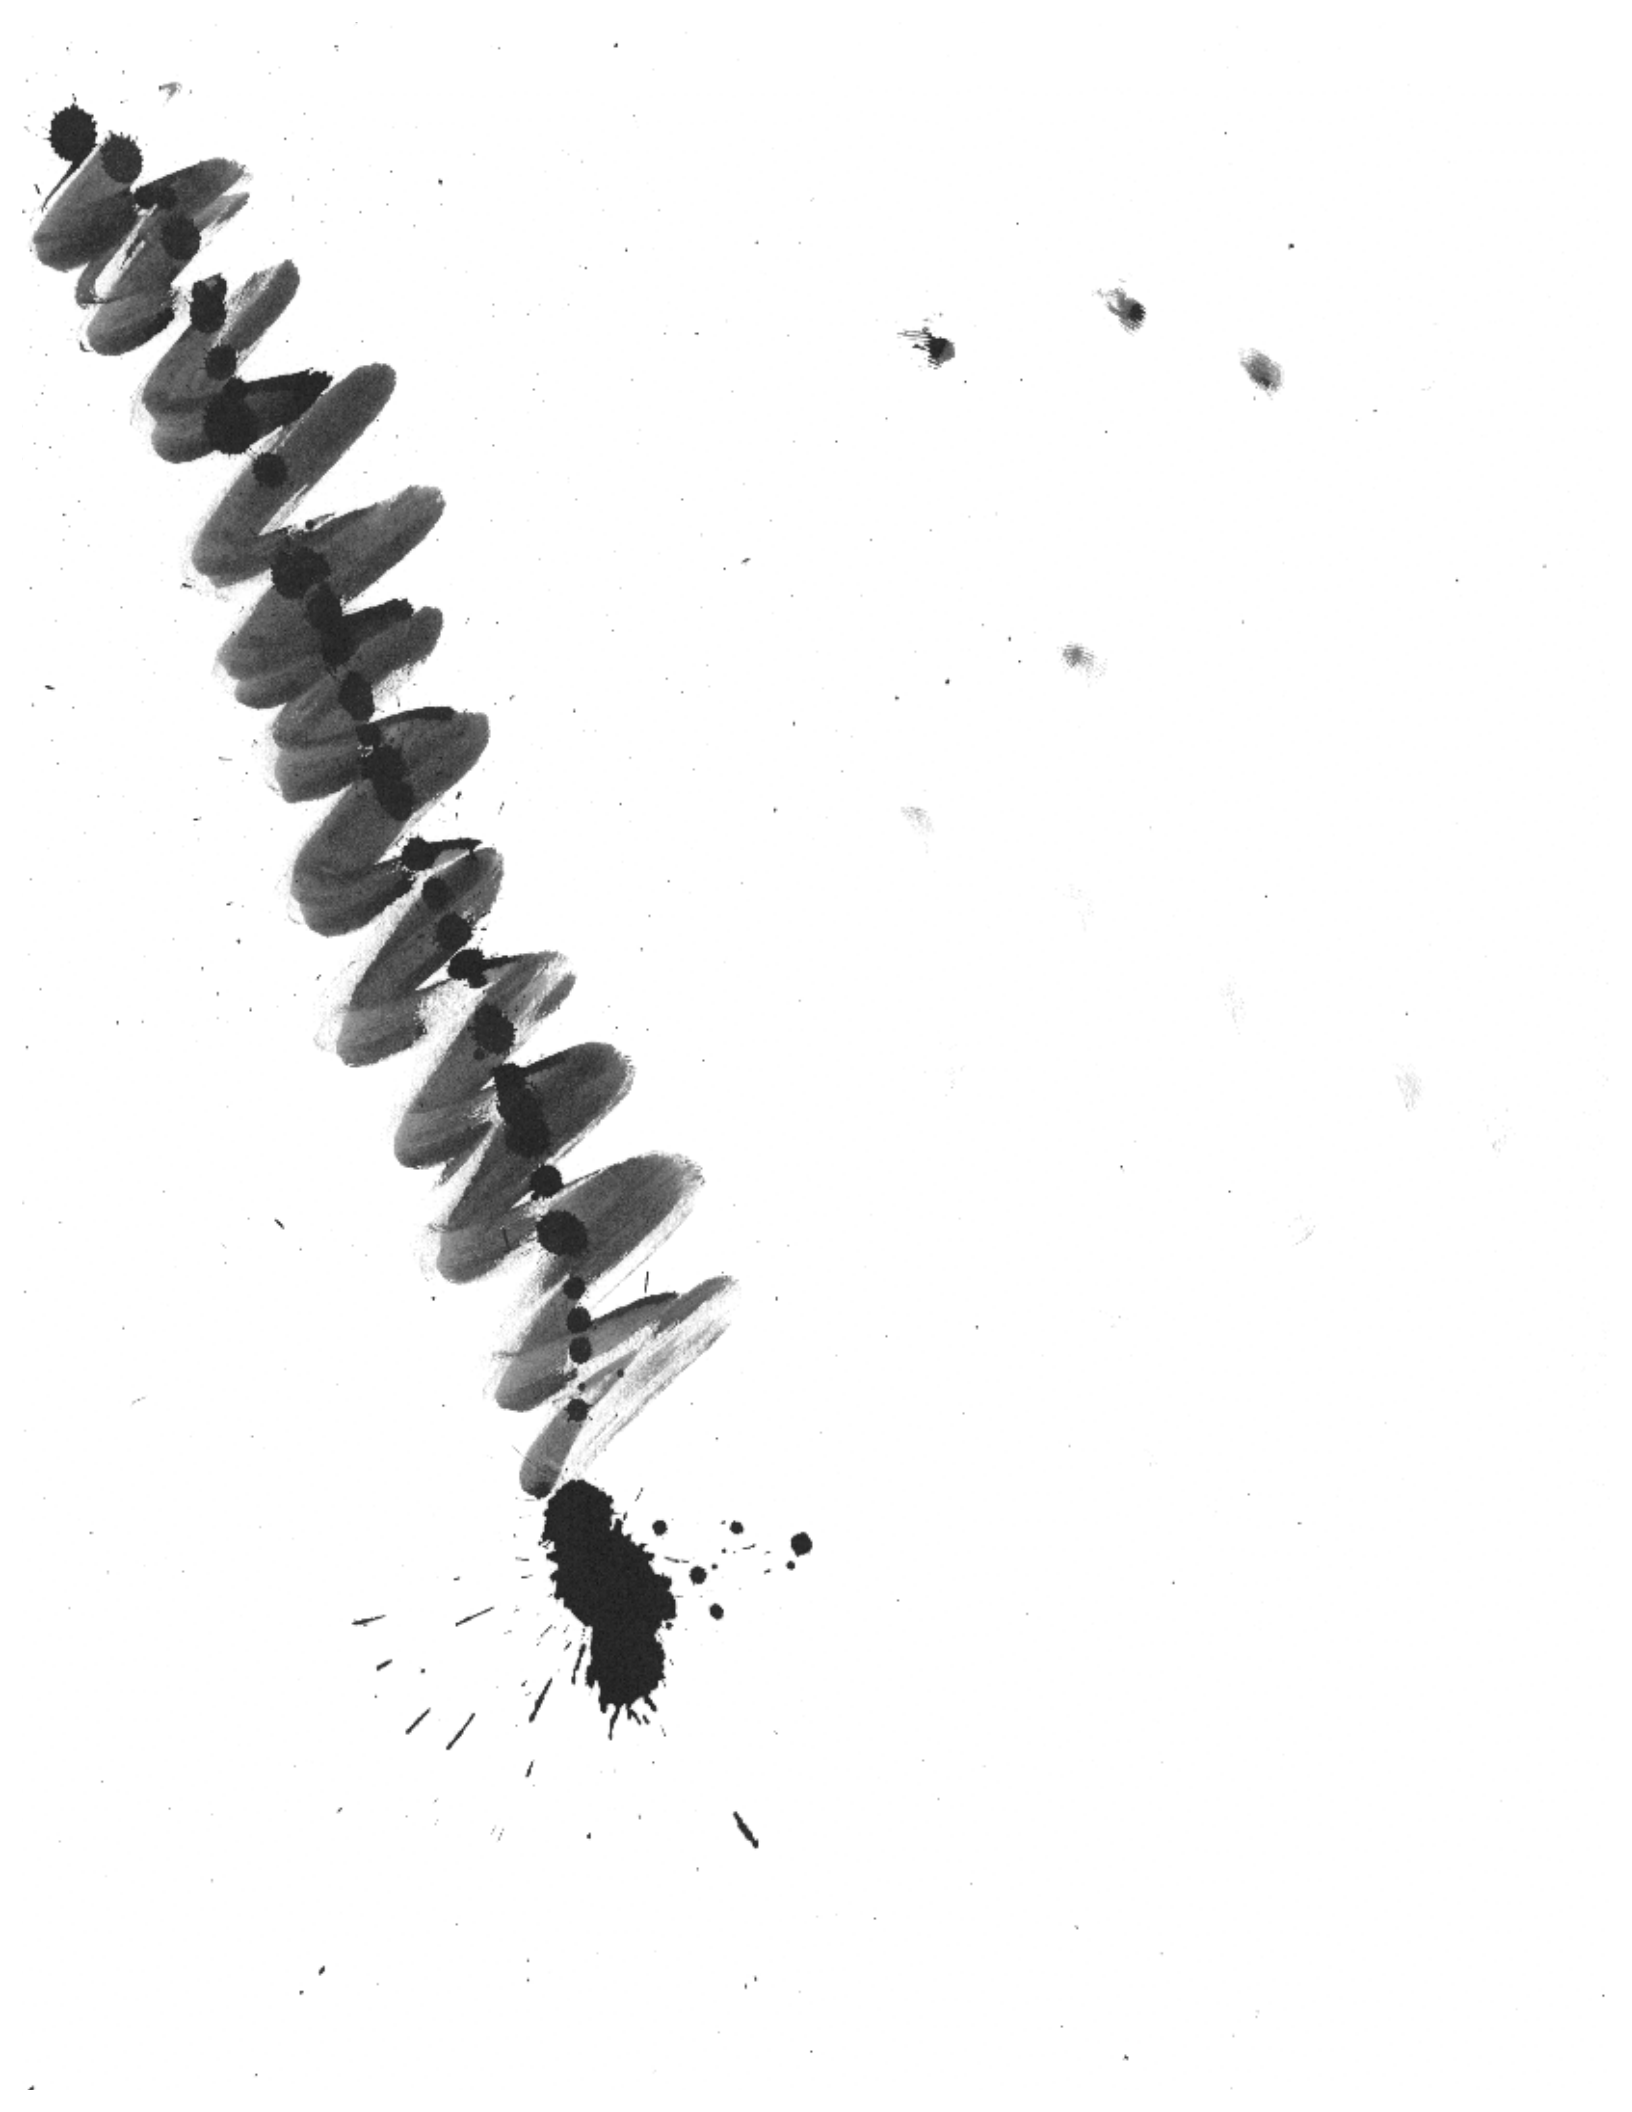

Remove the agitation from your soul.
Care not about money, or work, or any thing.
Set your heart on the Lord,
And all will take care of itself.

Let peace reign in my soul, O Lord.
Set my life in thy holy order.
Let me breathe with thee. Only with thee.

Set your heart at rest, young man.
Your time is nigh. See it as it comes.
Take it as it comes. Be at peace.

Thank you, Lord. Thank you, savior.
Be with me today. Be with me always.

Shalom... Shalom... Shalom...

CV

"Forgive us our trespasses."

Accept the forgiveness of the Lord.

"As we forgive those who trespass against us."

Grant the forgiveness of the Lord.

Forgiveness. Accept the Lord's forgiveness. Into your life.

It is total. It is complete. It is whole.

It asks no questions. Accept his forgiveness.

It will wash your life clean, of sin.

All will be behind you. As if it never was.

It is forgiveness. True forgiveness.

Harden not your hearts. To his forgiveness.

Accept it. Accept it wholly. Into your life.

And all is forgiven. All is forgiven you.

Find the Lord's forgiveness. Open your heart to it.

Forgive all. All is forgiven. It is wonderful.

This forgiveness is wonderful. To behold.

Cast no stones. Accept forgiveness.

CVI

O Lord, let me be in heaven, where thou art.

Thou art in heaven. Thou exists in purity. In light.
Let me live in heaven with thee. Now and forever.

O Lord, let me listen to your voice.
Let me hear you speak to me. With your heavenly voice.

Let me exist where thou art. Apart from this world.
In perfect purity. In perfect light. In perfect truth.

Thou art wonderful, O God. Thy presence is divine.
Thou livest where sin is not. Thou livest in heaven.

Where thou livest no man can come. No darkness may enter. Thou
livest in perfection. Thou livest in heaven.

Speak to me with your voice. From where thou art.
To where I am. Be with me here.

Thank you. Praise you, Lord God.

CVII

O Lord, if I do my will, all is sinful.
All I do is tinged with sin. Nothing is good.
But in your will, O Lord, even sin
May turn to good.

O Lord, watch over me.
Let your will be done in my life.
Through all I do. Be there, Lord.
Take me under your wings.

Gather me into your life, O Lord.
Bring my life in line with you.
O Lord, let thy will be done in my life.
Let it always be done.

I wish for none of the sin, I have committed.
Take it all away. Let my sin be gone
In your will. Take it. Take it from me.

All I am I offer to you. Take my life, O Lord.
And make it well. Make me well in you.
Please, O Lord, I beg you, please. Take all I am to you.

CVIII

I pray that you will stay with me, Lord,
Through all my trials and tribulation.

Amen. Lord. Amen.

Remove my trials and tribulation, Lord,
Let them be no more.

Amen, Lord.

Amen.

(Free me from sin.
Amen.)

Let it all be taken away.
Let it all go ... Amen, Lord. Amen.

Thank you, Lord. Thank you.
Amen. (Please ... Amen.)

CIX

Sing. Sing a song.
Out loud. Out strong.
Sing. Sing out.

No more waiting.
No more hesitation.
Sing.

No procrastination. No excuses. Sing.
That's all.

Sing unto the Lord a new song.
A song of heavenly light.
A song with all your might.

All sing. All sing. To the Lord. Sing.
A song. The new song. Sing.

This is all. This is all. This is all.
Of the Lord. Of the Lord. Of the Lord.
This is all the Lord is, all the Lord
Has you to do. Sing to him. Sing to him.
Sing to Him. (Peace.)

CX

Breathe. That's all. Just breathe.

That's it.

CXI

O Lord, let my words not be empty.
Let me not speak in vain.
Let me not speak with an idle tongue.

Let there be meaning in these words.
Let there be truth.
O Lord, please be a part of these words.

And let me speak the words you give me
With the meaning that is there;
Let me not be lax in this.

Let the words ring with the truth
You have wrought, with all the love
You have granted to me.

O Lord, let me be true
To your call, to your words,
To the life you have set for me.

Let it be so.

CXII

We are not beasts. We are not like the other animals.
We may be worse. We are meant to be better.
But we are different.

We have the rule of Life to live by.
We have the word of God. We have Jesus Christ.
Live by the teaching of Christ.

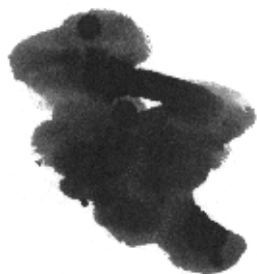

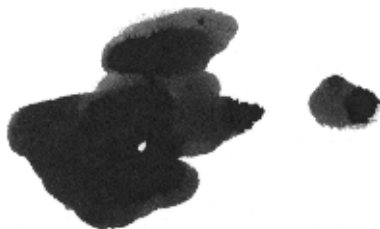

We are capable of great good.
And capable of great evil.
We have the wisdom, the mind of God.
Do not evil. Be not as a beast.

We are the paragon of animals.
God's animals. God's beings.
More than natural.

We have the word of God. Living in Christ Jesus.
Speaking by the Holy Spirit.

Live according to the Word. As a genuine human being.

Peace.

CXIII

Why did you bring me here, Lord?
There is nothing here for me. For me to do.
What good can I do?

I'm crying. I'm crying, Lord.
Is it not time to take me home.
I think I shouldn't be here in the first place.

Why am I here? What is there to achieve?
It sometimes seems there is no good here at all.
Will you not soon take me home?

And I walk along. I tread along. In this world.
Wondering why I am here. (All seems against me.)
Wondering when I will leave.

Is there some purpose in being here?
Does it not all lead nowhere, Lord?
Is there any good in this?

Lead my way, Lord. Take me home. Soon. To you.

CXIV

You must go from where you are.
You can do nothing else.
Where you are is all you have.
Go from there.

It does no good to worry about
This or that in the past that went wrong
Or should have been done another way.
The only way to solve any problem,
The only way to grow and change,
Is to work from where you are.

You may have missed this opportunity
Or that chance to do something...
It may have been the wrong thing to do,
Or it may have not (it may have been right).
You do not really know.
All you know is where you are
And what you have to do.

So work from where you are.
Take steps from the present place.
That is all you can do. (Do your best right now.)

CXV

Tell the truth. Express it as it is.
Say what is happening. Say what you're thinking.
Never to hurt another. Never as a weapon.
But always to heal.

In truth is healing. The truth will make you free.
State the truth in all you do,
And you will be free.

You will have no questions or doubts.
There will be no weights upon your shoulders.
All confusion and pain will be gone from you.
As you tell the truth.

Do not hide. Do not lie. Speak the truth.
Say so. Say what it is. Express it.
And it is gone. All problems go.

Live in truth. Live in the heart.
And all is well. All is even.
God is never far away. In truth.

Throw your life upon the Lord.
You can do nothing yourself.
Let the Lord do your work.
Let the Lord guide you.

Give up your life. Give up your work.
Cast it to the floor.
The Lord will pick it up and take it
For you.

Cease trying to do it yourself,
To figure it all out....
Only the Lord knows;
Only the Lord can do.

Let the Lord do your work.
Cast your will to the wind.

CXVIII

O Lord, I pray you will bless me in my dreams
As well as in my waking life.
Bless me when I sleep as you bless me when I rise.
Bless me night and day. Bless all my life.

Hold me in your hands at night.
Let me sleep in peace.
Watch over my dreams, and always stay with me.

Bless my life. Bless my work. Bless all I do.
And bless me when I close my eyes -
Never let me be far from you.

Amen. Lord. Amen.

This is all I ask of you,
That you bless me all my life.

Amen.

CXIX

Wind. The wind. The wind speaks.
The wind breathes through us, in silent words.

The wind blows. The wind howls. Sometimes.
Let not the wind be angry.

Be like the wind. No one knows
"Whence it comes or whither it goes."
Be born from above.

Let the wind speak through you.
Let the Spirit breathe in your heart.
Let it breathe through you,
With a still, small voice.

Set your soul afire. Be born of the Spirit.
Listen to the wind blow.
Let it speak to your heart.

Peace. Everlasting peace. Be with you.
