1. THE INNOCENT HEART

When I Was A Child It Rained Every Night,
While I Was Sleeping Sound.
The Moon Followed Me,
And I Would Watch The Clouds Move By.

We Would Sing.
We Would Dance.
And We Would Wonder
At The Presence
Of Our Bodies.

We Would Sing.
We Would Dance.
And We Would Wonder
At The Presence
Of Our Bodies.

Death Was An Illusion, A Game We Would Play...
Till The World Took Its Hold Of Me.
And I Grew To Believe The Game Was Real.
You Know How It Is.

But Now I Clearly Turn To The Child,
For The Wisdom That Is True.

Now I Sing.
Now I Dance.
Now I Wonder
And Move To The Innocent Heart.

We Grow From A Tiny Heart.
And All Our Bodies Are That Tiny Heart.
Two Feet Tall... Several Inches... A Tiny Heart.
The Tree Is In The Seed;
The Seed Is In The Tree.

Eyes And Hands. Feet And Mouth.
Nose And Lungs. Skull And Forehead.
All Flesh And Muscle.
All Blood. All Bone.

All The Body Is The Innocent Heart.

2. BABY INSIDE

There's A Baby Inside Me -
He's Looking Through My Eyes.
There's A Baby Inside Me -
He Is Truly Wise.

His Innocence Astounds Me;
It Sets Me On My Feet.
His Innocence Astounds Me;
His Vision Can't Be Beat.

There's A Baby Inside Me -
He's Speaking Through My Mouth.
There's A Baby Inside Me -
He's Speaking Through My Mouth.

Don't You Feel The Baby,
Living At Your Heart.
Weren't You A Baby,
At The Very Start.

If You Can't See, If You Can't Feel...
The Baby In Your Heart, The Baby In Your Soul...
It Doesn't Matter How Young, It Doesn't Matter How Old -
You'd Better Wake Up, Turn Around.
And Sing A Little Song.
Wake Up, Turn Around,
And Sing A Little Song.

There's A Baby Inside Me -
He's Looking Through My Eyes.
There's A Baby Inside Me -
He's Speaking Through My Mouth.

Don't You Feel The Baby,
Living At Your Heart.
Weren't You A Baby,
At The Very Start.

3. SOLID ROCK UNSHAKEABLE FOUNDATION

You Have To Find Your Faith
On Solid Rock,
Unshakeable Rock.

You Have To Find Your Faith
On Solid Rock,
Unshakeable Rock.

The Earth May Quake.
The Sky May Shake.
The Bombs May Fall.
The Devil May Seem Quite Tall.
Solid Rock Unshakeable Foundation
Will Pull You Through.

Have Faith, And I Breathe It.
It's In The Air; It's In My Veins.
Innocence Knows No Death.
Innocence Knows No Fear.
Heart Of Jesus, Burning In Me...
Innocence Knows.
It Can Never Be Shaken.
It Shall Never Pass Away.

The Earth May Quake.
The Sky May Shake.
The Bombs May Fall.
But The Child Can Only Smile
Through It All.
The Child Can Only Smile
Through It All.

Mockery May Surround You,
But Innocence Knows No Death;
Innocence Knows No Fear;
Innocence Knows...
The Burning Soul Of Jesus Christ
The Love That's Whole.
The Love That Grows,
The Love That Knows -
This World Is An Illusion
Conceived In Sin.

Solid Rock Unshakeable Foundation.
Solid Rock Unshakeable Foundation.
Solid Rock Unshakeable Foundation.
Holds The Truth.
Holds The Faith.
Holds The Child's Smile
All The While.

4. VISION OF CHILDREN

Time Is An Illusion;
Don't Believe It.
And You Live Forever.
Don't Believe It,
And You Live Forever.

Death Is An Illusion;
Don't Believe It.
And You Live Forever.
Don't Believe It,
And You Live Forever.
Live Forever.

Take A Step Outside Time.
Take A Step Outside Death.
Take A Step.
Take A Step To Eternal Life.

Children, I Can Feel It.
Children, I Can Breathe It.
Children, Take A Step.

I Have A Vision,
A Vision Of Children.
I Have A Vision Of Children -
A Vision Only Of Children.

I See No Worry.
I See No Doubt.
I See No Leaders, No Government.
I See No Death,
No Destruction, No Division...
I See No Toil At All.
I See Something As It Is;
I See No Questions.

I Cry A River Of Tears,
And I Have A Vision
Filled With Light:
A Vision Of Children,
Living As One...
In Peace, In Love -
Together Living Under God.

The Sun After The Storm
Shines In My Eyes, Illumines The Words.
And Oh The Soft, White Glow
Of Everything,
Seen Through The Fresh, Clean Air
After The Rain.

I Have A Vision Of Children.
I Have A Vision Of Love.
I Have A Vision Of Children.
Heavenly Vision -
I Have A Vision Of Children.

In The Kingdom Of God,
Nothing Is Hard.
In The Kingdom Of God,
Nothing Is Hard.

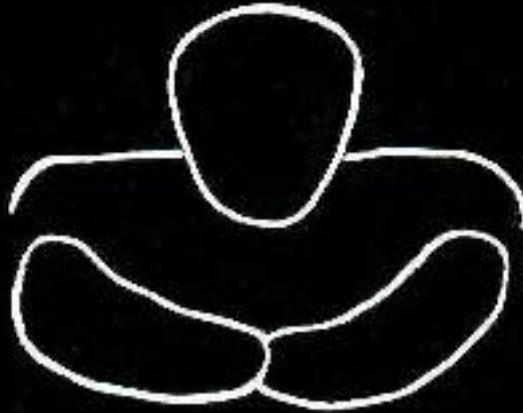

5. UNDER GOD

Under God, I See -
People Breathe Up From Their Seats.
Under God, I See -
People Breathe On Down The Streets.
Under God, I See -
People Breathe As Their Hearts Beat.
Under God, I See -
People Breathe.

Under God, I Hear -
A Language Innocent Children Hear.
Under God, I Hear -
The Quiet Permeating Here.
Under God, I Hear...

Under God, I Perceive -
The Pure Beauty Of All Life.
Under God, I Perceive -
The Love That Does Not Die;
The Light That Always Shines;
The Song That Never Lies,
Beating In The Pure Heart.
Under God, I Perceive -
The Source Of Everything.

Under God, I Perceive -
True Freedom Is
Absolute Surrender
To The Will Of God.
Under God, I Perceive -
The Present Time.

B

INTRO. TIME IS AN ILLUSION

Time Floats When You're On A Boat;
Time Jumps Rope When You're An Antelope.

Time Crawls When You're A Baby On The Floor;
Time Pauses When You Hesitate At The Door.

Time Cries When Tears Are In Your Eyes;
Time Flies When You're A Bird In The Sky.

Time Slows In A Muddy Hole;
Time Flows Through An Open Soul.

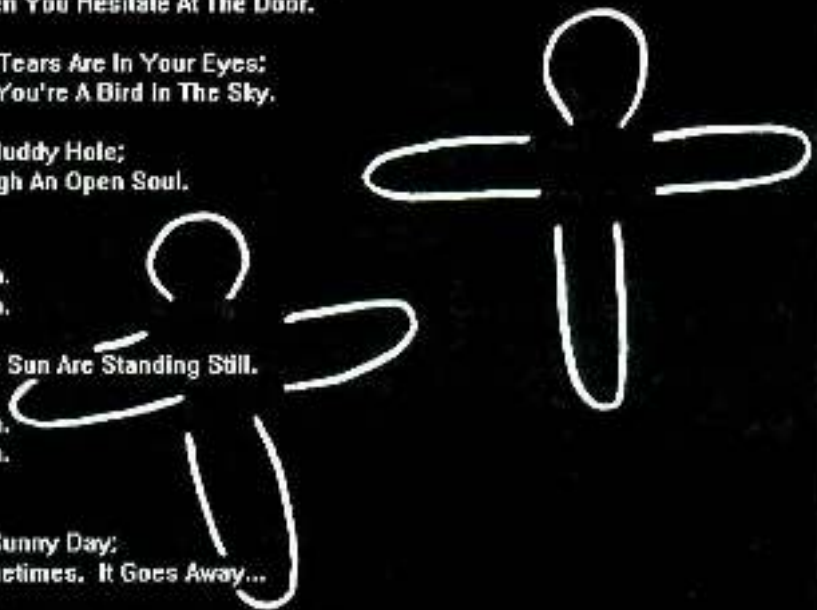

Time Is An Illusion.
Time Is An Illusion.

The Earth And The Sun Are Standing Still.

Time Is An Illusion.
Time Is An Illusion.

Time Plays On A Sunny Day;
Time Strays. Sometimes. It Goes Away...

Time Is At Stake When You're Drowning In A Lake;
Time's A Fake When You Live For Love's Sake.

4. HEAD OVER HEELS. TURN AROUND

Head Over Heels. Turn Around...
Jump In The Air - Sit On The Ground.

Head Over Heels.
You Wonder And You Smile.
Head Over Heels.
You Are A Little Child.

Turn Around In Circles...
Your Arms Open Wide.
Turn Around In Circles...
Feel The Innocence Inside.

Jump In The Air -
You Are Full Of Joy.
Jump In The Air -
Every Girl And Boy.

Sit On The Ground,
Head Over Heels.
Sit On The Ground;
This Is How It Feels.

I'll Turn Around And See -
Jesus,
Right Inside Me.

Head Over Heels. Turn Around...
Jump In The Air - Sit On The Ground.

Head Over Heels,
You Wonder And You Smile.
Head Over Heels,
You Are A Little Child.

Turn Around In Circles...
Your Arms Open Wide.

Feel The Innocence Inside.

Jump In The Air -
You Are Full Of Joy.

Every Girl And Boy.

Sit On The Ground,
Head Over Heels.
Sit On The Ground;
This Is How It Feels.

5. A CHILD'S LULLABY

ShShSh...
The Baby Is Resting.

Close Your Eyes, Go To Sleep;
Let The Darkness Clean You,
Like Rainwater Through Your Mind.

Let The Darkness Clean Your Eyes And Ears;
Let It Clean Your Nose.

Let The Darkness Clean Your Arms And Legs;
Let It Clean Your Toes.

Let The Darkness Clean Your Heart And Spine,
And All That Is Inside.

Let The Darkness Clean You,
Like Rainwater Through Your Mind.

Go To Sleep, Wake A Moment Later -
The Night Having Passed No Judgement.

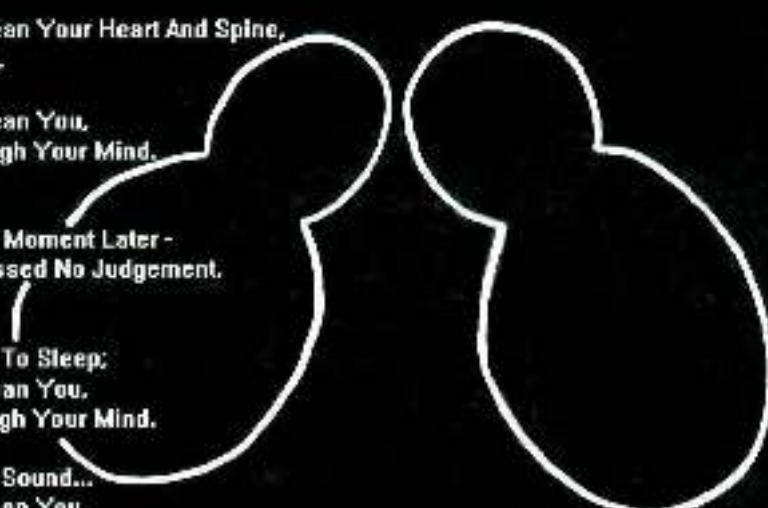

Close Your Eyes, Go To Sleep;
Let The Darkness Clean You,
Like Rainwater Through Your Mind.

Little Baby, Sleeping Sound...
Let The Darkness Clean You.

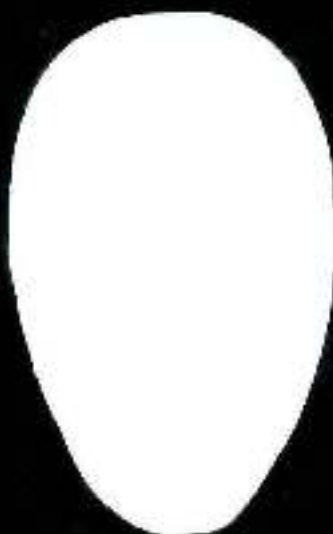

All The People, All Around...
Let The Darkness Clean You.

Like Rainwater Through Your Mind...
Let The Darkness Clean You.

The Light Will Shine Brightly
In The Morning.

THE PAIN OF PRIESTLY PIOUSNESS

Oh The Woe Of The Pharisees
Who, Though Full Of Sin,
Must Wear The Robes Of Holiness
Till We, The Gentile Men,

Are Grafted To The Kingdom's Tree -
Then The Chosen Will Be Chosen Again.

**INTRO. THE GAME IS IN THE BACKGROUND

It Happens. It Just Happens.
Nothing Else To Say...
It Happens.**

**The Game Is In The Background
As I Watch.
The Game Is In The Background

1. WHAT IS IN YOUR HEART?

Feel Through The Evil.
Feel Through The Illusion
The World Has Built Around It.
And Tell Me -
What Is In Your Heart?
[The Innocence That Rests There.]

Look Through Your Sexual Desire.
Look Through Your Appetite For Money.
And Clothes And Cars
And Furniture And Jobs...
And Food And Drink.
Look Through The Ticking Of The Clock.
And Tell Me -
What Is In Your Heart?

What Is Your Heart?
And Where Is Your Heart?

Look Through The Bad Faith
Of This Adulterous World.
Feel Through The Mask,
And Tell Me -
What Is In Your Heart?

2. CRY MERCY

**"In The Very Torrent, Tempest, And As I May Say
Whirlwind Of Your Passion, You Must Acquire And
Beget A Temperance That May Give It Smoothness."**

This Song Lives For All
The Dark And Dirty Sinners,
In Hopes That We Do
Bare Our Hearts
And Bare Our Souls
To The Presence Of The Lord.

Cry Mercy, Mercy.
Hear Now, Child - Cry Mercy, Mercy.

Cry Like Mary Magdalene,
Who Had The Seven Devils
Running Around Inside Of Her,
But Knew Mercy, Mercy...
Crying Mercy, Mercy.

Cry Like The Prodigal Son,
Who Wasted His Love
On The Whores Who Wore
Their Merchant Eyes.
Cry Mercy, Mercy.
And Find Mercy, Mercy.

Cry Like The Woman Who Shed
The Wealth Of Tears
At The Feet Of The Lord.
She Cried Mercy, Mercy.
And Felt Mercy, Mercy

Now The Pharisees
Who Mask Their Sin
Inside A Polished Cup,
Asked The Lord Just Why He Dined
With All The Evil Sinners.

He Told Them
Those Who Were Well
Had No Need Of Him.
Only Those Who Are Sick
Cry Mercy, Mercy.
For He Desires Mercy, Mercy.
All The Poor Lost Sinners
Cry Mercy, Mercy.
C'mon, Child - Cry Mercy, Mercy.

When You're Feeling Violent -
Cry Mercy, Mercy.
Let The Tears Roll Out Your Eyes -
Cry Mercy, Mercy.
Let Your Mouth Open Wide -
Cry Mercy, Mercy.
Remain Naked -
Cry Mercy, Mercy.

The Blind Man Begging
By The Side Of The Road
Cries Mercy, Mercy...
And He Sees Mercy, Mercy.

3. THE CHILD AND THE BEAST

I've Seen The Bruised And Battered Face
Of The Violet Child.
I've Seen His Sharp Teeth Bared At Me,
As A Beast Out Of The Wild.

And I've Wondered Why,
And I've Wondered How.

And I Have Known The Evil Man
With The Silken Tongue,
Hissing Through His Silken Suit
About The Good He's Done.

I've Heard The Hot Air Bellowing
Through His Hollow Heart...
And All The While He Smiles Wide,
Playing A Virtuous Part.

And All Alone In His Private Room
I've Heard Him Laugh And Ridicule
All Of The Poor Lowly 'Fools'
Beneath His Lying Rule.

I Am Set Naked On Your Kingdom.

I Ask You Sir, Isn't There A Soft Soul
Whispering Somewhere In Your Heart,
Oh Woe To You If You Can't Hear It,
Trapped Within Your Wicked Part.

He'll Choke To Death On All His Pride,
That Greedy Grinning Man,
As The Lord Gathers The Violet Child
Into His Soothing Hands.

4. DON'T CHOKE YOUR SOUL

Don't Sell Your Soul
For A Brick Of Gold.
Don't Write Your Name
Into The Book Of This World's Game.

Don't Speak Vain Words
Out Of Your Mouth,
Filtered Into You
Through Some Greedy Spout.

Don't Choke Your Soul
On The Cares Of This World,
On The Snares Of This World,
On Its Gold.

You're Looking For A Sult.
You're Looking For A Tie.
You're Looking For Some
Pretty Clothes...
You're Looking For A Lie.

Don't Choke Your Soul
On The Cares Of This World,
On The Snares Of This World,
On Its Gold.

Step Through The Mirror.
Let Your Soul Breathe.
Lose All That Fear,
Or You'll Find No Release.

Don't Choke Your Soul
On The Cares Of This World,
On The Snares Of This World,
On Its Gold.

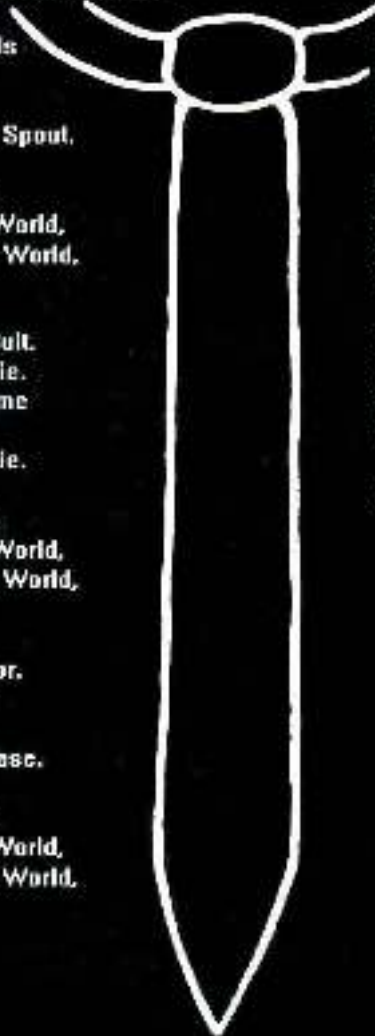

Step Through The Mirror.
Let Your Soul Breathe.
Lose All That Fear,
Or You'll Find No Release.

Don't Sell Your Soul
For A Brick Of Gold.
Don't Write Your Name
Into The Book Of This World's Game.

Don't Speak Vain Words
Out Of Your Mouth,
Filtered Into You
Through Some Greedy Spout.

Don't Choke Your Soul
On The Cares Of This World,
On The Snares Of This World,
On Its Gold.

Money Doesn't Breathe.

5. TOO GOOD FOR THIS WORLD

She Was Not Here Sixteen Years.
What Is The Significance Of This?

Young Lovers Walk Together. And Alone.
Through The Paradise,
Through The Park...
And In The Night They Wonder. And Cry -
My God Why Am I Here?

Their Love Was Too Great.
It Could Not Be Limited,
Could Not Be Molded
By Corrupted Human Hands.
It Would Not Grow Into The Lies;
Their Sweetness Could Not Be Refined.

They Were Too Good For This World.
All The Boys And Girls
Who Love, Who Love...
Like Romeo And Juliet
Refusing To Accept The Laws -
They Died In Love.
They Died In Love.
They Were Too Good For This World.

They Could Not Pretend To Be At Home
In A Place So Cruel And Vain,
In A Place That Would Scoff
At Their Innocence And Purity,
In A Place Where They Would Only Become
Part Of The Blind And Jealous Race.
This They Could Not Take.

They Were Too Good For This World.
All The Boys And Girls
Who Love, Who Love...
Like Romeo And Juliet
Refusing To Accept The Lies -
They Died In Love.
They Died In Love.
They Were Too Good For This World.

They Needed The Eternal Life.
They Needed The Eternal Love.

And I've Gone Through The Park
A Thousand Times Now.
And I'll Make It Through This World,
And Find The Eternal Life.

6. THE SACKCLOTH SONG

Give Me A Sackcloth
And Cover Me In Ash -
I Want To Be Free.

Take Away This Body. Take Away Its Mind.
I Want To Be Free.

Dear Lord,
Please Wring The Evil Out Of Me.
(The Black/Brown Earth Is Me.)

Give Me A Sackcloth
And Cover Me In Ash -
I Want To Be Free.

B

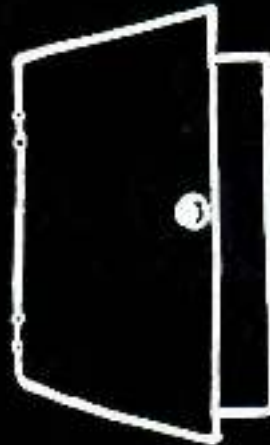

INTRO. CAN'T FOOL THE OLD MAN

When I Was A Kid In High School,
Doing Things I Shouldn't Have Done
And Lying About It All -
The Old Man Said Something To His Son
That I Have Never Forgotten.

Now, Mom May Miss A Beat Or Two
And Not Know Just Why She Cries,
But I Tell You True -
You Can't Fool The Old Man.
No, You Can't Fool The Old Man.
You Think He Doesn't Know.
You Think He Doesn't Understand...
But You Know - You Can't Fool The Old Man.

Yes, In That Deceit-Filled Teenage Time,
The Old Man Said To Me One Line.
Quite A Simple And Direct Thing.
He Said - "You're Lying."
And That I Had Better Watch Out
Or I Would Never Be Free
Of Those Walls That Were Closing In
All Around Me.

So, You May Try,
And You May Lie,
But You'll Find -
You Can't Fool The Old Man.
You Can Only Fool Yourself.

1. IS THIS YOUR WORLD?

Is This Your World?
Is This Your World?
Tell The Truth -
Is This Your World?

Did You Draw The Boundary Lines
Separating The Land?
Is This Your World?

Did You Write Down The Human Rules?
Did You Devise The Walls Of Lies?
Do You Judge? Do You Judge?

Is This Your World?
Is This Your World?
Do You Play The Evil Games?
Is This Your World?

This World Is Not
The Children's World.
This World Is Not
The Children's World.

Tell The Truth -
Is This Your World?

Did You Build The Bullets?
Did You Build The Bombs?
Did You Build Subtraction?
Did You Build Division?
Did You Build The Darkness
Keeping You From Light?
Is This Your World?

This World Is Not
The Children's World.
This World Is Not
The Children's World.

There's A Child In The Sand
Starving For Food.
Do You Think This Is His World?

There's Something Inside Me
Starving For Love -
I Know This Isn't My World.

This Is Not Our World.
This Is Not Our World.
Do You Hear -
This Is Not Our World.

Hand Of God Upon A Starving Child,
Lighting His Eyes...
Dear God,
Please Wake Me In The Morning.

2. DEAD MEN'S BONES IN WHITEWASHED TOMBS
[THEY FORGOT HOW TO BE HUMAN]

There Are People In The Towns
Who Seem Pleased To Be Around,
And They Have You Believe It Is So.

They Tell You All Their Tales,
Weighed Carefully On Unbalanced Scales,
And Smartly Try To Justify The Lies.

They Got All The Girls,
They Went Round The World,
The Profits Exceeded The Loss.

They Got A Big Desk,
Like All The Rest,
But They Forgot How To Be Human.
Oh They Forgot How To Be Human.

They Hit All The Right Notes,
The Words Were Correct,
But Their Hearts Were Gone.

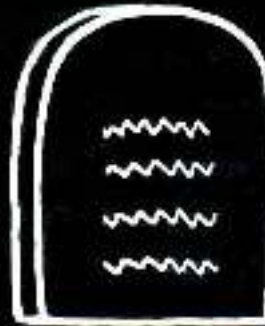

They Did The Things They Should,
But They Forgot How To Be Human.

Why Oh Why Can't They See?
Why Can't They Be?
Why Must It Be Like It Seems To Be?
Oh Why Do We
Forget How To Be Human?

They Wear The Nicest Clothes,
And They Eat The Finest Food -
Their Manners So Severe...
But They Forgot How To Be Human.
Why Do They Forget How To Be Human?

La La La La La Da. La La La La La Da.
La La La La Da. La La La La Da.

The Moves Were Down Pat,
But They Forgot How To Be Human.

3. LOSE THE PRETENSE, HOW DO WE?

False Pride Standing In Eyes And Toes.
False Pride Clogging Up My Nose.
False Pride Is Veiling My Soul.
What Is This Indignation Over The Joys Of Others?

False Pride, All Around.
False Pride, We Could Drown.
Fall Into Your Pride And You Die And You Die.
Fall Into Your Pride And You Die.
Oh Envious Eye'd Be The Death Of Me And My...

Lose The Pretense, How Do We
Lose The Pretense?
Lose The Pretense, How Do We
Lose The Pretense?

Something About The World And Me
Seems So Utterly
Untrue - So Hollow, So Valn...
All Those Idols Scar My Vision.

How Do We Lose The Pretense?
When Will We Lose The Pretense?
Lose The Pretense, How Do We
Lose The Pretense?

Someday I See.
Someday Will Be.
Somehow Along The Way -
Somehow We'll Lose The Pretense.
Someday We'll Lose All Pretense.

Vanish, It Will, Into Air,
And No More Seem To Be -
False Pride, Standing In Me.
False Pride, I See.
Though Someday I See,
Someday Will Be...

Somehow We'll Lose The Pretense.
Someday We'll Lose All Pretense.

It's Gone.

4. BALLAD TO THE WORLD

Hey There, Mister Man,
You're Alright With Me -
Though You Indeed Are Something
I Do Not Hope To Be.

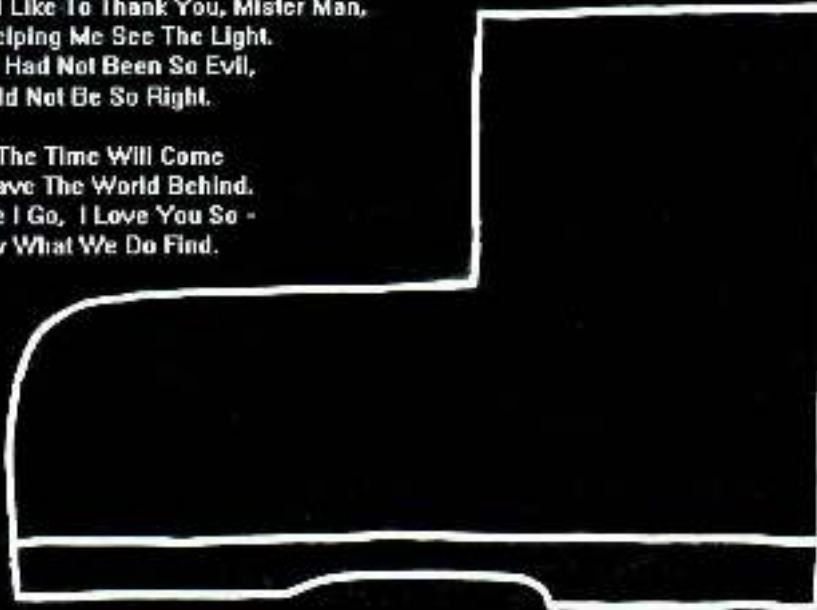

Oh We Kill Each Other Every Day.
We Cheat. We Lie. We Steal.
It All Seemed So Horrible.
It All Seemed So Real.

I Must Confess, I Hated You
Straight Down To Your Shoes -
Giving Me The Feeling Of
Nothing Left To Lose.

But I Hear -
'Lose This Life To Gain The Life.'
And I Do Believe It's True.
Jesus He Is Waiting There,
For Me Now And For You.

So, I'd Like To Thank You, Mister Man,
For Helping Me See The Light.
If You Had Not Been So Evil,

2. BLOOD IN MY PALATE

The Table's In My Skin.
The Clock Sings.
It Is Me Sitting Here In This Chair,
But I'm In The Air.

Am I On Drugs?
Is This A Fever?
No.

There's Blood In My Palate
And The Sides Of My Tongue.
This Tender Sense
Drains My Pain.
There's Blood In My Palate
And The Sides Of My Tongue.
Or Is It Just Saliva?

It Feels Nice.
Why Should I Be Afraid?

The Painter's In The Colors.
The Writer's In The Ink.
The Singer Is In The Song.

There's Blood In My Palate
And The Sides Of My Tongue.
This Tender Sense
Drains My Pain.

The Cook Is In The Food.
The Mechanic Is In The Car.
The Musician Is In The Sound.

There's Blood In My Palate
And The Sides Of My Tongue.

The Walker Is In The Steps.

3. BRANCH OF THE VINE

Coming From Jesus.
Trained For The Kingdom Of Heaven.
In Line With The Blessed, Persecuted Prophets.
Reaping What Others Have Sown.

There's A Trace Of His Blood
In My Veins.
There's A Sense Of His Wounds
In My Hands.
There's A Shine Of His Light
In My Eyes.
There's A Scent Of His Soul
In My Nose.
There's A Radiance Of His Words
In My Mouth.
There's A Sign Of His Name
On My Forehead.

He Shines Discreetly Through The Blinds.
Smiling Upon My Work -
As A Loving Father For His Young Son.

Jesus, Stay With Me.
I Ask Him. And He
Gives Me Spirit
To Fill Me Wholly.
To See My Joy Complete.
For Me To Be A Child,
He Shows Me The Father.

He Saves Me From Evil;
He's Mastered The Devil.
He Cleanses My Feet -
As He Was I Must Be.

Revealing Heaven.
Giving Rivers Of Living Water.
Soothing The Purest Of Ears.
Breathing Life Into The Humble Heart...
He Shows Why
And The Way.

Stay.
Give Me Strength.

Let My Light Shine.
Let It Brighten All The Time.
No False Moves - Walking The Thin Line Of Love.

Do Not Let Me Falter.
Do Not Let Me Fall
Into The Dark Well.
Under The Spell
Of The Tempting Devil Of Hell.

Keep Him Far From Me.
Let Me Handle His Advances.
Let Me Cast Him Away.
Ever Further Away.
Give Me Strength.
Ever Stronger...

Till The Day
It's Done.
Till The Day
I'm Home.

Holler Than The Rest -
But It's Not So.

Be Careful How You Speak Of Others...

Because We're All Living Under God.
We're All Living Under God.

Every Word's A Word Of God.
Every Breath's A Breath Of God.
And We All Do What Is Ours To Do.

Unworthy Servants,
We Have Absolutely No Power.
We Can Do Nothing Except By God.

Sometimes The Singer May Seem
Holler Than The Rest -
But It's Not So.

1. FRAILTY, THY NAME IS WOMAN

No Matter Who She May
Pretend To Be,
No Matter What She May
Presume To Do -
I See... I Know...

The Frailty Of The Woman.
The Frailty Of The Woman.

As Insecurity Beckons,
She Reaches For The Mirror,
And Carefully Applies
Lipstick And Mascara.

As Insecurity Beckons,
She Longs For A New Dress;
She Needs To Be Certain
She Looks Like Or Better Than The Rest.

They Tease Their Hair And Paint The Nails
Of Their Fingers And Their Toes,
Pursuing Some Well-Known Princely Man
Who'll Tender A Red Rose.

You Have A Face, But A Face Doesn't Last.
You Have So Much And Give But A Face.
Why Don't You Give Your Heart?
Don't Let It Rot. Open Your Heart.

No Matter Who She May
Pretend To Be,
No Matter What She May
Presume To Do -
I See... I Know...

The Frailty Of The Woman.
The Frailty Of The Woman.

She Turns Away From What She Feels.
Substituting Glamour For Love -
She Wants To Seem To Be Real.
She's So Afraid The Way They Look At Her...
They Look At Her.

But Before She Knows What She Has Done,
She's Staring At And Lost Within
Some Strange And Alienating Image -
And The Perfume Threatens To Choke
Her Bewildered Soul.

Then, Almost Automatically,
Those Tears Beneath Her Skin -
Held In Place Eternally -
Begin To Run Down To Her Chin.

No Matter Who She May
Pretend To Be,
No Matter What She May
Presume To Do -
I See... I Know...
The Frailty Of The Woman.
The Frailty Of The Woman.

2. FATHERLESS CHILDREN

Like Seeds In The Wind
Looking For Soil.
Fatherless Children Trouble
Knowing Who They Are.
Where Did They Come From?

They Lie. And Steal,
And Cheat Where They Can -
And They Run Away...
And They Run Away...
From Themselves
They Run Away
In Fear.

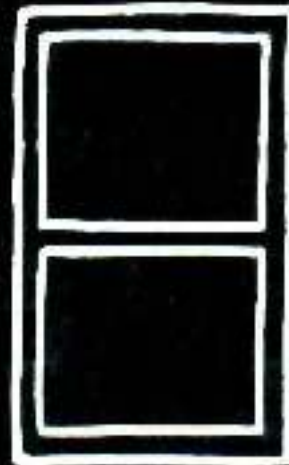

Broken Homes.
Broken Hearts.
Broken Souls.
Broken.

Who Cares For The Fatherless Children?
Why Should They Care?

And They Hurt The Souls
That Would Be Strong.
And They Break The Windows
Of Happy Homes.

There's Something They Do Not Have.
How Will They Find Their Way?
How Do They?

Fatherless Children.
Somehow,
To Find The Father...
Somehow
Do.

3. CONFUSED KID

Confused Kid. Confused Kid.
Confused Kid.

Confused Kid,
Can't Tell Love From Sex.
Can't Tell Soul From Flesh.
Can't Tell God From Hex -
Cast Upon Confused Kid Mind.

Staring At The Pages
Of A Magazine.
Confused Kid,
Staring At The Bodies
Up There On The Screen.

4. FALSE LOVE

That Wasted Sense
Of Forced And Hollow Love
Overwhelms The Hardest Pride.

I Know It's The Sickest Feeling
In The World...
Trapped In A Seemingly Inescapable,
Twisting Whirlpool
Of Perversion, And Pain,
And Doubt, And Fear, And Hatred -
An Uncontrollable Hatred.

The False Love Twists Inevitably
Into A Hatred
That Possesses Your Perverted,
Insane, Tortured Mind.
Its Jealous Demons Call Your Hands
To Kill The Object Of Your False Love.

Unbearable Confusion. Unbearable
Alienation. Unbearable Paranoia...
Divorces You From Your Soul
And Leaves You Kind Of Hollow.

Don't Scrape The Skin Off Your Burning Back -
Get The Hell Out Of There.

5. STUMBLEBUM

Stumblebum, This Song's For You -
Though I'm Not Quite Sure
What Good It Will Do.

I See You Lying On The Sidewalk,
Your Bum Hanging Out.
I See You Stooping In The Station,
Searching Through The Dirt.
I See You Stumble Down The Street,
Trying To Quench Your Thirst.

I Never Know Just What To Do,
So I Wrote This Song For You.

Where Do You Come From? Where Do You Go?

I Pray Someday A Soothing Hand
May Find Your Restless Soul.

6. T V [WHY CAN'T IT BE LIKE THAT?]

Soft Sofa. Soft Rug. Coffee Table.
Clock Ticking. And Color T V.
But I'm Lonely, Lord.
I'm Lonely, Lord.

There's A Man On My T V
Sitting In A Soft Chair.
Talking To A Man On His T V.
He Seems Comfortable -
But I See In His Eyes
He's Been Crying, Lord.
He's Been Crying.

Why Can't It Be Like It Is On T V?
Why Can't It Be Like That?

Why Can't It Be As Flat As A Screen?
Why Can't It Be As Flat As That?

Why Can't We Be Waves Through The Air?
Why Can't We Be Dots On A Screen?

Why Can't We Be Like It Is On T V?
Why Can't We Be Like That?

Everyone's So Close On That Flat Set,
And So Well Lit.
Everyone's So Close On That Flat Screen.

Why Can't It Be Like It Is On T V?
Why Can't It Be Like That?

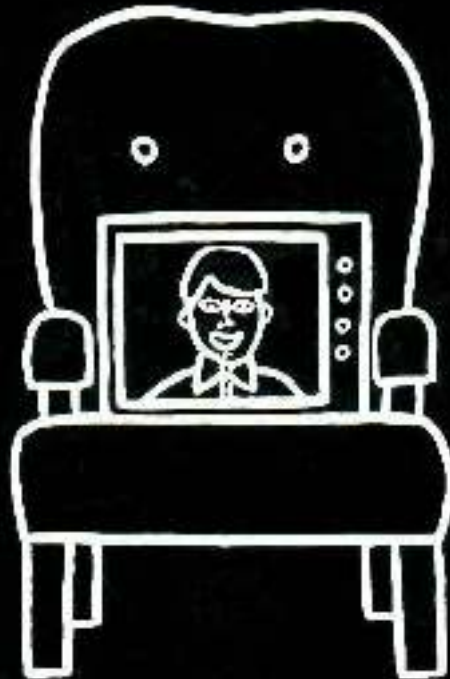

Even The Crises Are Viewed From Afar -
All The Actions So Carefully Planned,
All The Lines So Neatly Known.

And Everyone's So Rich.
And Everyone's So Famous.
Why Can't It Be Like That?

Why Can't It Be As Flat As T V?
Why Can't It Be As Flat As A Screen?

Why This Flesh? Why This Bone?
Why This Soul Calling Me Home?

Why Can't It Be Like It Is On T V?
Why Can't It Be Like That?

7. POOR GIRL

I See Pictures Of Children
With Nothing But Skin On Their Bones.
Can You Show Me My Heart, Child?
Can You Show Me My Heart?

There's A Child In Pakistan
With Her Brother On Her Shoulder.

She Carries Him Across The Land;
You'd Think She Is Much Older.

But Love Is Settled In With Her
As She Walks Under The Sun.

She Wears No Makeup.
Her Hair's Only Combed By The Wind.
But I Do Believe
She Is More Beautiful
Than Anything
I've Ever Seen.

Her Face Is Dirty. Her Dress Is Dirty.
But She Is White. And She Shines
From Here On Through Eternity.

Her Face Is Dirty. Her Dress Is Dirty.
But She Is White, And She Shines
From Here On...

There's A Child In Pakistan
With Her Brother On Her Shoulder.

She Walks Under The Sun.
She Walks Under The Sun.

B

INTRO. DON'T SHOOT UP,
OR YOU'LL SHOOT DOWN

Don't Shoot Up,
Or You'll Shoot Down.

Don't Shoot Up,
Or You'll Shoot Down.

You're Holding Needles
To Your Arms,
A Needle To Your Tocs.

Don't Shoot Up,
Or You'll Shoot Down.

You're Holding Crystals Up
To Your Nose.

Don't Shoot Up,
Or You'll Shoot Down.

You're Holding Pills, And Paper,
And Tabs Upon Your Tongue.
You're Sniffing This.
You're Sniffing That.

Don't Shoot Up,
Or You'll Shoot Down.

You're Holding Smoke
Between Your Lips.
You're Holding Potions
In Your Grip.

Don't Shoot Up,
Or You'll Shoot Down.

Don't Shoot Up,
Or You'll Shoot Down.

You're Cramming Food
Into Your Mouth.

Don't Shoot Up,
Or You'll Shoot Down.

You're Pumping Iron.
You're Pumping Jam.
You're Standing In The Spotlight,
Pumping Up Your Head.

Don't Shoot Up,
Or You'll Shoot Down.

Don't Shoot Up,
Or You'll Shoot Down.

You Run So Fast,
Then You're Standing Still...
Your Face Against A Wall -
A Hollow Soul.

Don't Shoot Up,
Or You'll Shoot Down.

You Have A Noose
Around Your Neck.

Don't Shoot Up,
Or You'll Shoot Down.

Don't Shoot Up,
Or You'll Shoot Down.

You Feel The Love
Inside Your Soul.

Don't Shoot Up,
Don't Ever Shoot Up.

Hold It Fast
In An Honest
And A Good Heart,
And Bring Forth Fruit
With Patience.

**1. THE CHICKEN OR THE EGG:
THE DEVIL'S RIDDLE**

Sometimes In An Evil Ear I Hear
The Devil Hiss To Me Slyly,
Puzzling My Dark Heart
About How It Did Start.

Crazily, The Prince
Of This World Of Darkness
Says Things Like:
Which Came First, The Chicken Or The Egg?
And What The Hell's It All About?

And When I Listen, And Think,
In An Evil Ear, With An Evil Tongue -
I Know... I Know... I Don't Know.
I Know, It Was... And...
The Walls Close In.

I Get Dark Eye, Dark Heart -
Frightened Soul Dying.

Children, Don't Listen
To The Sounds Plotted To Puzzle.
They'll Poison Your Life
If You Let Them In.

Don't Poison Your Life.
Simply Open Your Eyes,
And Speak
Into The Face Of Evil.

"Which Came First, The Chicken Or The Egg?"
Is The Devil's Riddle To Man,
Made To Tempt His Soul
Into A Vicious Circle...
Under The Preponderance Of Questions
That Haunt.

The Devil Devises Darkness:
Look To The Light.

Life Is. God Is. Life Is.
Love Is. God Is. Life Is.

2. THIS WORLD OF SIN

Living In A World Of Sin,
And I'm An Unholy Sinner -
Needing To Be Healed.
Needing To Be Healed.

I'll Be In Sin Till The End Of Time.
I'll Be In Sin Till I Clear My Mind.
I'll Be In Sin Till The Earth And The Sky
Pass Away.

In That Day You'll Ask For Nothing.
In That Day You'll Ask For Nothing...
When The Light Comes Shining Through,
Shining Through The Darkness,
The Darkness Of This World -
This World Of Sin.

In This World,
There Is Light And Shadow Everywhere.
In Heaven,
God's Light Casts
No Shadow.

3. IT TAKES ONE TO KNOW ONE

I'm Made Of Rubber.
You're Made Of Glue.
Whatever You Say
Bounces Off Me
And Sticks To You.

All The People, Everywhere,
Picking Their Neighbors Apart.
You Can Blame Him.
You Can Blame Her.
You Can Blame Me.
You Can Blame Anyone...

Anything But
Look At Yourself -
Anything But
Look At Yourself.

The Beast Without
Feeds Upon The Beast Within:
Lay Down Your Arms.

That Man Is Bad.
That Woman's No Good.
That One Is So -
Oh It's Understood.

The Measure You Give Will Be
The Measure You Get Back.

I'm Made Of Rubber.
You're Made Of Glue.
Whatever You Say
Bounces Off Me
And Sticks To You.

The Reciprocity Is Complete:
When I Throw A Stone
I Injure Myself.

I'm Filled With Jealousy.
You Have No Shame.
And We Are Here In The Pain Of Sin.

I'm Filled With Jealousy.
You Have No Shame.
And We Are Here In Sin.

You Have Sins That Are Like Mine.
I Have Sins That Are Like Yours.
But I Have Sins
That Are Different Than Yours.
And You Have Sins
That Are Different Than Mine.
We All Have Sins.
We All Have Sins.
We All Have Sins.

You Can Blame Him.
You Can Blame Her.
You Can Blame Me.
You Can Blame Anyone...

Anything But
Look At Yourself -
Anything But
Look At Yourself -
Anything But
Forgive.
Always Forgive.

You Know It Takes One
To Know One.
Let Him Without Sin
Cast The First Stone.

I'm Made Of Rubber.
You're Made Of Glue.
Whatever You Say
Bounces Off Me
And Sticks To You.

4. SAVE THE CHILDREN

Guardian Spirit,
Please Watch Over Me.

There Are Times In This World
That I Get Afraid.

There Are Times In This World
That I Get Afraid.

Guardian Spirit,
Please Watch Over Me.

Sometimes I Worry -
Do I Do The Right Thing?

Sometimes There's Doubt.
Sometimes Confusion.
Sometimes About
All The Illusion.

Sometimes I Cry
Alone In The Dark.

Guardian Spirit,
Please Watch Over Me.

Sometimes I Am Adulterous.

Oh Child,
Save My Soul!
Oh Child,
Stay With Me!

Why Does Doubt Wend Its Way
To The Heart Of My Soul?
Why Can I Not Be Always Innocent?
When Will Peace Rest Permanently
Within My Soul?
When Will I Truly Be As A Child?

Oh Child,
Save My Soul!
Oh Child,
Stay With Me!

Save The Children
From The Evil Of The World.
Save The Children
From The Evil Of The World.

In Their Eyes
I See The Innocence Of Heaven.
In Their Eyes
I See The Angels Look At Me.

Save The Children
From The Evil Of The World.
Save The Children
From The Evil Of The World.

Oh Now, Children.
Don't Fool Around With Lies.
Oh Now, Children,
Don't Waste Your Light-Filled Eyes.

Save The Children
From The Evil Of The World.
Save The Children
From The Evil Of The World.

In Their Eyes
I See The Innocence Of Heaven.
In Their Eyes
I See The Angels Look At Me.

Save The Children
From The Evil Of The World.
Save The Children
From The Evil Of The World.

Oh Now, Children.
Keep Your Burning Heart.
Oh Now, Children,
Keep Your Burning Soul.

Save The Children
From The Evil Of The World.
Save The Children
From The Evil Of The World.

There's An Angel On Your Shoulder;
There's No Need To Worry.
There's An Angel On Your Shoulder;
There's No Need To Fear.

Guardian Spirit,
Please Watch Over Me.

When I Feel I'm Suffocating,
There's Spirit Through My Nose.
Find The Light That Shines Inside,
Even In The Darkness.

Guardian Spirit,
Please Watch Over Me.

The Spirit Is All That Is Alive,
And The Spirit Never Dies.
The Spirit Is All That Is Alive,
And The Spirit Never Dies.

I Know, Yes, I Know
Who And What And Why I Am Here -
But Sometimes, Sometimes, Sometimes...
The World Runs Away With My Soul;
My Soul Runs Away With The World,
So I Pray:

Guardian Spirit,
Please Watch Over Me.

Keep Me At Hand.

5. DON'T BE AFRAID OF THE DARK

Darkness Falls Upon Me.
And Surrounds Me.
Darkness Falls Upon Me,
And Surrounds Me.

The Face Of Death
Threatens Me With Fear,
Threatens Me With Doubt -
Threatens Me With Sin.

It Dominates The Circumstance.

Let It Dominate The Circumstance.
Do Not Run Away.
Do Not Hide Away.
Face The Fear
And Let It Take The Evil
From Your Heart.

You Can Hold It In Your Hand.
You Can Cast It Away Forever.
With A Shining Patience.

Find The Light That Shines
Even In The Darkness.

Your Heart Keeps On Beating.
Your Lungs Keep On Breathing.
Your Love Keeps Enduring.

Light A Lamp. Light Your Eyes.
Find The Light That Shines
Even In The Darkness:
White Light Of Morning
In The Middle Of The Night.

Prune The Tree.
And Let The Evil Weeds
Be Burned Away.

Prune The Tree.
And Let The Evil Weeds
Be Burned Away.

Prune The Tree,
And Let The Evil Weeds
Be Burned Away.

So When The Darkness,
The Darkness Falls Upon You...
And The Darkness,
The Darkness Surrounds You...

And Threatens You With Fear,
And Threatens You With Evil -

Shine Your Light.
Shine The Light Inside Your Heart.
Shine Your Light.
Shine The Light Inside Your Soul.
Shine Your Light.
Shine The Light Inside Your Mind.

And Shine,
Shine The Darkness.
And Love.
Love All The Fear Away.

I Know That You Will See
We Will Forever Be
Young At Heart.

INTRO. HOW MANY MISTAKES CAN WE MAKE?

"There's A Divinity That Shapes Our Ends,
Rough-How Them How We Will."

How Many Mistakes Can We Make?
How Many Mistakes Must We Make?

How Many Mistakes Can We Make?
How Many Mistakes Must We Make?

How Many Mistakes Can We Make?
How Many Mistakes Must We Make?

How Many Mistakes... How Many Mistakes...
How Many Mistakes Can We Make?

Sometimes In A Search For Something,
While Travelling A Path,
You Find Certain Diversions Before You
That Mistakenly Seem Right.

Grabbing After Shortcuts,
Confusing The Signs,
Being Led Down The Wrong Road
Into Some Strange Town.

But After All The Mistakes I Made
I Finally Found The Road
That Was Always There.

How Many Mistakes Can We Make?
How Many Mistakes Must We Make?

How Many Mistakes Can We Make
Before We Learn?

1. GOING HOME

If I Could Only Be
Infused With Love And Poetry,
A Bright Light I'd Shine For Thee
That Thou Might'st I Readily See...

The Truth Of All Eternity
Burning Deep Inside Of Me -
Sitting Now So Shakily,
Wanting So To Be Set Free.

Praying All The Night And Day,
Cleansing All The Fear Away.

Seed Of Heaven Taking Root,
Growing -
Watch It Begin Bearing Fruit.

The Light Grows Brighter Every Day.
Yes, The Light Grows Brighter In Every Way.

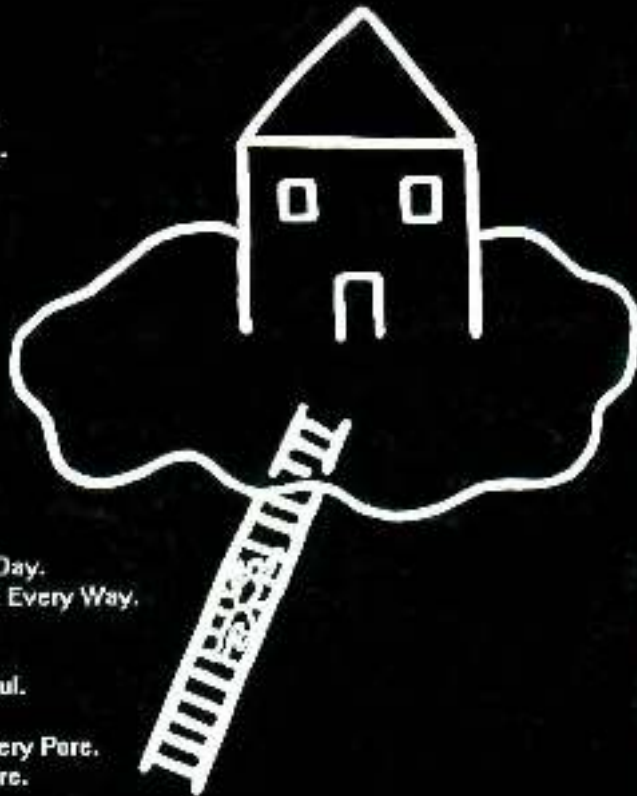

I'll Endure Till The Light Is Full.
In My Patience I Possess My Soul.

The Light Grows Out Through Every Pore.
Love Can't Be Bought In Any Store.

To Home In Heaven I Go Along.
For Home In Heaven I Sing This Song.

La La La La La La.
La La La La La La.

Jesus, I Do Love You So.
Jesus, Don't Ever Let Me Go.

2. PLEASE EVEN ME OUT

Equivocation. Prevarication.
Presumption. And Fabrication -
Exercises In Futility.
What Good Is Prayer
That Is Idle Thanks?
What Good Is Prayer
That Exploits, Sin?
Make Straight The Way Of The Lord.

Please Even Me Out.
Please Even Me Out.
Please Even Me Out.
Please Even Me Out.

I Am Anxious When I'm Lazy.
When I'm Anxious, I Am Lazy.
Lazy... Anxious.

Please Even Me Out.
Please Even Me Out.

I Am Worried And I Am Frightened.
I Am So So So So So Secure.

Please Even Me Out.
Please Even Me Out.

Please Bring My Mountains Low.
High And Mighty,
Pride-Filled Mountains -
Please Bring My Mountains Low.

Please Fill In My Valleys.
Deep And Dark,
Doubt-Filled Valleys -
Please Fill In My Valleys.

Please Even Me Out.
Please Settle My Fears.
Please Even Me Out.
Please Dry All My Tears.
Please Even Me Out.

I Don't Want Any Disease
Running Around Inside Of Me.
And I
Don't Want Any Luxury -
No Luxury For Me, Please.

Please Even Me Out.
Please Even Me Out.

I Rush To The Future.
I Long For The Past.
I Long For The Past.
I Rush To The Future.

Please, Please, Please Even Me Out.
Please Even Me Out.

Please Calm All My Fears.
Please Dry All My Tears.

Please Even Me Out.
Please Even Me Out.

Please Bring Down My Mountains.
Please Fill Up My Valleys.

Please Even Me Out.
Please Even Me Out.
Please Even Me Out.

3. I USED TO BE SO WEAK

Where Did I Acquire
This Judgemental Eye
That Blinds Me To My Own
Imperfections?

I Used To Be So Weak.
Has Been A Fool.
Frail And Fragile Soul,
So Easily Led
Astray...
Crippled Inside. I Hid
Away.

Hypocrites Leased My Ears And Eyes
With All Of Their Impressive Lies.
They Stole My Mind.
And I Lost My Soul
When I Spoke Their Words.
Believing It So.

Within Me A Dark Weakness Grew,
Breeding Evil Thoughts -
The Evil Words That Inside Stew.

Walking Down The Street,
I'd Judge Everyone I'd Meet;
She's Not So Sweet;
He's Just A Creep.
I Used To Be So Weak -
Couldn't Stand On My Two Feet.

Stumbling... Bumbling... Fumbling...
Crumbling... Grumbling... Mumbling...
Tumbling Down
Without A Prayer -
Nothing In There.

I've Been Such A Fool.
I Can't Believe It's True.
But It's True -
I've Been Such A Fool.

I Can't Believe What I See
In My Memory.
I Just Can't Believe It's Me.

But It's Me
I Can't Believe -
It's True.

Oh It Comes Around To Me Now.
And I See It So Clearly
I Cry...

I've Been Such A Fool.
I Can't Believe It's True.
But It's True -
I've Been Such A Fool.

But Now I Grow Stronger -
No Being A Fool.
I Have My Head On My Shoulders,
And The Light Grows Brighter
By Day.
I Don't Scoff.
Don't Backstab My Brother.
Clearing My Mind.
Speaking My Soul...

Now I Grow Stronger -
No Being A Fool.
I Have My Head On My Shoulders,
And The Light Grows Brighter
By Day.
I Don't Scoff.
Don't Backstab My Brother.
Clearing My Mind.
Speaking My Soul...

I Am Able.

4. NO PARANOIA

Pursued By Evil Image.
Pursued By Evil Illusion.
In An Anxious Mirror,
Feverishly Running...
You Are Afraid Of Others.

Hiding Away. You Run -
Getting Nowhere.
Evil's Got You In Its Grip.
A Dark Weakness Cripples Your Soul.

Things Surround You
And Close In.
They Mock You.
A Dark Weakness Cripples Your Soul.

Your Eye's Stricken
With Sudden Dark.
It Is Blinded. It Is Blank.
As It Lingers, It Is Dead.
As You Linger In A Lust,
You Are Dead.

You've Been Here Before.
You've Seen This Already.
What's Going On?
What's It All About?
How Do I Get Out?

Trapped By Evil -
It's Got You In Its Grip -
You Are Seduced.
A Dark Weakness Cripples Your Soul.

At First It Was Fun,
But Now The Fun Is Frightening.
As You Linger, You Are Dead.

The Dark Weakness Is Within You.
It Is Of You - A Part Of Your Body.
Your Senses Are Dark.

You Have To
See Through That Fear.
You Have To
Brighten That Darkness.
You Have To
Hold On To Life.

You Have To Take A Deep Breath.
You Have To Stop Linger
And Throw Away The Evil.
You Have To Open Up Your Eyes Wide.

You Have To Find A Mind That's Whole,
A Mind Of Light.
You Have To See.
You Have To Hear.
You Have To Taste.
You Have To Smell.
You Have To Feel.

You Have To Find A Soul
That Breathes The Present Time:
A Child To See. A Child To Be...
Innocent Child Of Love -
No Fear.

You Have To Go Through Death
To Life.

5. WHERE'S MY BROTHER?

" 'Tis In My Memory Locked,
And You Yourself Hold The Key Of It."

I've Returned Here
To This Humble Town,
And Entered Into
This Simple Home.
To Find My Faith And Wash Away
The Love I've Wasted -
To Find A Baby Sister
I Left Behind...

A Sister Who Waited
For Her Brother To Come Home,
A Sister Who Died Of Love.

And Now I'm Sleeping
In My Sister's Bed.
Trying To Find Forgiveness -
To See If There Really Is
Any Worth In Me At All.

I Need To Find An Innocence
To Purge An Overwhelming Fear.

I Remember The Way
We'd Rub Our Heads Into Your Belly.
Just To See You Laugh.
I Remember Your Wide Eyes
And Your Bright Smile.

And I Remember When Once I Visited.
The Night You Came Home Late,
I Could See In Your Eyes
You'd Been Crying.

It Seemed Mom And Dad Didn't Notice
You'd Been Crying...
But I Didn't Say.

Did You Need Someone You Could Talk To?
Was There Nowhere You Could Turn?
Were You Alone In Your Pain?

Oh Why Wasn't I There?
Oh Where The Hell Was I?

I Got There Too Late.
But Lynn, Do You Still Wait
For Your Brother
To Come Around The Corner?

I'm Looking For A Way
To Be With My Sister Again,
For There Has To Be A Way.

Two Years Feeling A Spirit Around Me,
Breathing A Light Upon Me.
Will You Stay With Me Wherever I Go?
Will You Never Leave Me Alone?

I Know We Will Be One.
I Know We Are One.

I Had To Learn To Say Good-Bye
Before I Could Say Hello.

1. COAT OF WARMTH

What About The People Who Are Sick?
What About People In Prison?
What About Them In Insane Asylums?
What About Them?

What About The Thirsty People
Freezing In The Streets?
What About The Starving Children?
What About Them?

What About The Lonely Stranger?
What About Them?

What About Them?
What About Them?
What About Them?

I Was Hungry,
And You Gave Me Food.

I Was Thirsty,
And You Gave Me Drink.

I Was A Stranger,
And You Welcomed Me.

I Was Naked And Cold,
And You Clothed Me.

I Was Sick,
And You Visited Me.

I Was In Prison,
And You Came To Me.

And When I Cried
And Wanted Only To Die,
You Shone Your Light
And Whispered In My Ear.

And When I Cried
And Wanted Only To Die,
You Said -
"Peace, My Son."

Jesus. Jesus. Jesus. Jesus.
Jesus. Jesus. Jesus. Jesus.
I Love You!

Open Yourself
To The Needs Of Others.

2. OVER THE STUMBLING BLOCK

Going Well Till
Perplexity Hits.

On A Hill Till
You Look Down
Into The Pit.

Heavenly Vision But
Worry You How.

Over The Stumbling Block.
Have To Go
Over The Stumbling Block.

Don't Worry How.
Don't Look Down.
Don't Let Perplexity Get To You -
It's An Evil Mess.

Over The Stumbling Block.
I'm Going
Over The Stumbling Block.
I Said I'm Going
Over The Stumbling.
Over The Stumbling.
Well Over That Stumbling Block.
That Mess Will Not Get To Me.

I'm Walking Right Through.
I'm Singing Out Loud...
Over The Stumbling Block.
Over The Stumbling Block.
Over The Stumbling Block.

No Hell For Me.
I'm Walking Right Through.
I'm Singing Out Loud.
I'm Not Looking Down.
I'm Not Looking Back.
I'm Walking Right Through.
I'm Singing Out Loud -
Over The Stumbling Block.

3. UNBIND YOURSELF

I Don't Care For Money.
I Don't Care For Lust.
I Don't Care For Lying Words.
I Don't Want To Bust.
No, I Don't Want To Run Amok.

I Have The Devil Bound In Chains,
And They Are Not The Kind That You Can See.
I Have The Devil Bound In Chains.
I Used To Be Trapped In Its Illusion.
But Now I Have The Devil Bound In Chains.

Untwist Yourself
From The Devil's Bonds.
Your Pride Is Cutting Off Your Circulation.
Untwist Yourself.

Look At Yourself:
Unclench Your Hands.
Unclench Your Teeth.
Unclench Your Toes
And Your Torso.
Unbind Yourself
From The Chains Of The Devil,
From The Evil Chains.

And Adjust Your Eyes To The Light.
Adjust To The Light.
You Can Stand And Breathe And Do;
Adjust Yourself To The Light.
Don't Hide Your Talent In The Ground -
Adjust Yourself To The Light.

This Is The Way By Which I Go
To Purge My Soul,
To Purge My Soul,
Of All The Miserable Evil,
Of All The Miserable Evil.

This Is The Way By Which I Go
To Purge My Soul,
So Early In The Morning.

I Have The Devil Bound In Chains,
And They Are Not The Kind That You Can See.
I Have The Devil Bound In Chains.
I Used To Be Trapped In Its Illusion.
But Now I Have The Devil Bound In Chains.

5. BE WELL

The Flame Of Truth Burning Words Within Him.
He Reaches Out And Touches Her Face:
Her Eyes Illumine Immediately, Completely.

Children. You Will Not Die.
Children. You Shall Not Die.
Children. You Shall Live.

God Breathes Life Into Us:
He Will Not Destroy His Creatures.

Open The Door Of Love.
Open Your Heart. Bare Your Soul.
Offer It Up To God.
Be Well.

Be Well.
There Is Heat In The Palms Of Your Hands.

Be Well.
Thy Faith Hath Made Thee Whole.

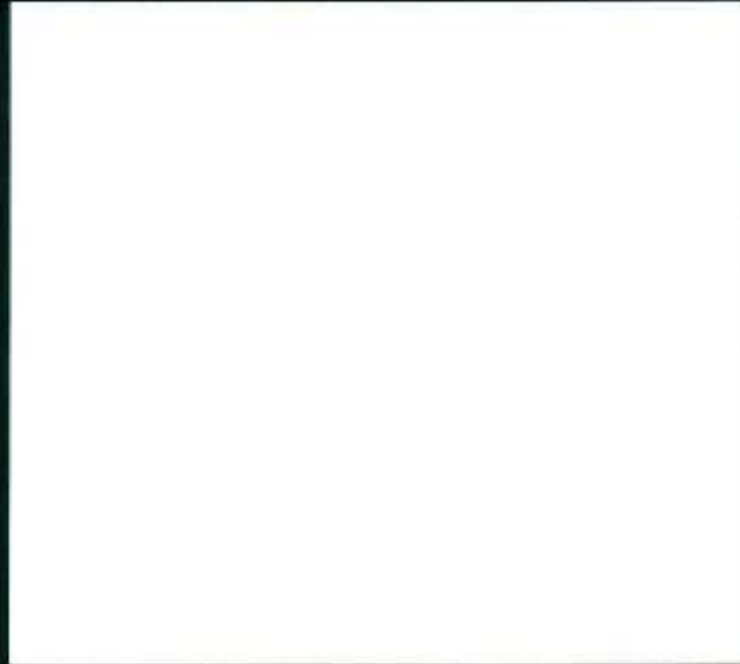

Healing Words: Be Well.

Children. You Will Not Die.
Children. You Shall Not Die.
Children. You Shall Live.

Be Well.

Baptized With Fire - It's Only My Soul.
No Divorced Possession.

I'm Breathing For A Living,
And I
Refuse To Be Enslaved To A Clock.

I'm Breathing For A Living,
And I
Refuse To Pursue A Dollar Bill.

I'm Breathing For A Living,
Speaking Inside Out,
And I
Serve Only God.

Can You Hear That?
I Serve Only God.

Breathe, Baby, Breathe.
See, Baby, See.

The Answer's In Your Heart.
The Answer's In Your Eyes.

The Spirit Rules The Body;
Move It With The Spirit Heart.

See Through Your Flesh -

What Does The Bird Say?
What's That Sound The Wind Makes?

In A Parable, I Could Tell, But

The Sun Shines On Half The World
All The Time.

I Just Want To Be.
Wouldn't It Be Heavenly?
I Just Want To Be.

You May Say This. You May Say That.
Prescribe This Medicine,
Give This Reason. Make That Excuse -
Take Your Eyes Off The Map
And Put Them In Your Head.

I Just Want To Be.
I Don't Want To Know About It.
I Just Want To Be.
Wouldn't It Be Heavenly?
I Just Want To Be.

I'm Not For You.
I'm Not For Me.

1. BREATH, THE APPLE RISES II

A. PRAYER: HE ASKS /
I AM NOT MY BODY

Every Word's A Prayer
We Speak -
Every Word.

Every Move's A Prayer
We Speak -
Every Move.

Every Word's A Prayer.
Every Thought, Every Song...
Every Word's A Prayer.

Ask. We Ask.
Ask. Only Ask.
Ask. It's A Prayer.

With Every Word We Ask
You Are What You Speak.

Crying All The Time -
These Words Soar On Wings Of Doves.

"Ask And It Will Be Given.
Seek And Ye Shall Find.
Knock And The Door Will Be Open."

Whatever You Ask In Prayer,
Believe That You Receive -
And It Will Be Yours.

Every Word's A Prayer
We Speak -
Every Word.

Every Move's A Prayer
We Speak -
Every Move.

Asking. Prayer.

What Can I Tell Myself?
What Can I Say?
To Be Free. To Be True...

I Am Not My Body.
You May Kill Me, But
I Am Not My Body.

I Am Not These Arms.
I Am Not These Legs.
I Am Not These Eyes.
I Am Not This Mouth.

I Am In The Words That Rise.
I Am In The Words That Soar.

What Can I Tell Myself?
I Am Not My Body.
I Am Not My Body.

And I Feel The Soul Soar
Through This Form.
And I Feel The Soul Rise,
As I Leave My Body.

What Can I Tell Myself?
I Am Not My Body.
I Am Not My Body.

And So I Find Release

3. WHAT DO YOU THINK? / OPEN, NO HORIZON

What Do You Think?
He Asks.
What Do You Think?
What Do You Think?

To Me. I Hear.
Even To Me.
What Do You Think?
He Asks Me -
What Do You Think?
Me.

It Is Absolutely Marvelous
To Be Alive,
To Have A Voice,
To Have A Soul.

What Do You Think?
What Do You Think?
Cast Away Your Evil Ways.
Hear That -
What Do You Think?

Open, No Horizon.
Nothing To Bind Me.
Nothing To Bind My Vision.
Nothing To Hold Me,
To Hold Me To This World.

The Horizon Opens...
No Sky. No Land.
No Water. No Fire. All One.
No Lines To Define;
All Is One And One Is All.
No Lines To Confine.

Spiritual Ecstasy Opens -
Open, No Horizon.
No Horizon Line.
There Is No Horizon Line.

Maybe I'll Move A Mountain.
Maybe I'll Drink The Sea.
Maybe I'll Sing A Song To Thee.
Open, No Horizon.
Think I'll Walk The Air.
Think I'll Touch His Heart.
Think He'll Touch Me...
Thinking We Will Be.

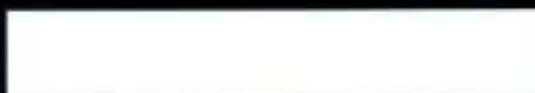

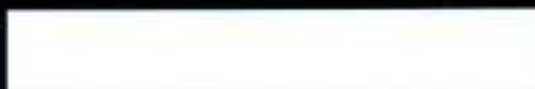

Can You See? Can You See?
Oh Child, What Do You See?
Tell Me, What Do You Think?
Little Baby, What Do You Think?

Speak To Me. Sing To Me -
A Song The Children Hear.
A Song No Children Fear.
Open, No Horizon.
Open, No Horizon.

The Earth. And The Sea,
And The Sky. And The Sun
Are All One.

7 THOROUGHFARE

- 1. Train of Memory**
- 2. Listen Through The Music**
- 3. Go Through The World**
- 4. Through The Heart Of Time,
Unscathed**

Side B

Intro. Asylum Paradox

- 1. To Eternal Life**
- 2. Open Air**
- 3. There Is No End To Life**

Man's Fruit Is Only For A Season
And Is Only Fruitful
If It Brings Him To The Eternal Fruits Of Heaven.

INTRO. A GUITAR

Stranded On A Desert Island.
Sad As A Bird With Injured Wings.
Like A Friend I Can Find -
A Guitar Is There For Me.

Alone With The Rain Beginning To Fall.
Sitting In The Dark, I Can Find -
A Guitar.
A Guitar Is Given To Me
To Help Me See My Way Through.

Stemming The Tide Of The Rain And Thunder.
Keeping Me Company
Here On This Earth -
A Guitar Is Given To Me
To See Me Through Darkness.

1. TRAIN OF MEMORY

Born With A Body
Like A Stone Balloon,
The Pulsing Temple
Keeps The Time.

I Can Hear The Steady Rhythm
Of The Moving Train.

Then The Wooden Boat
Was Placed Upon The Water,
And The Wind Blew The Leaf Sail.
There The Pond... There The Movement...
There The Memory. Open.

And Soon I Was
Riding On The World's Fair Train.
There I See The Fountain.
There I'm Wheeled To The Bathroom -
Riding On The World's Fair Train.

I Remember -
It Rained At The Circus,
So We Had To Head For Shelter.
I Wanted To Look At The Animals.
Riding On The World's Fair Train...

The Mind Has Arms And Legs
As Well As Ears And Eyes.
The Mind Is The Consciousness
Of The Body.
The Mind Is This Train Of Memory.

A Skywriter Wrote The Words:
"WAR IS OVER!"
I Remember My Shouts Of Joy.
I Remember Jumping Up And Down.

The Mind Can Be A Playground.

But The Mind Can Be A Field Of Pain.
I Grew Into A Lascivious Eye...
Peeking Through Windows,
Peeking Through Doors - Peeking.

The Mind Can Be A Field Of Pain
When You're Running From Your Sin,
Screaming For The Surrounding Images
To Just Go Away.

Train Riding On.
And You Need To Remind Yourself
To Seek Through The Confusion...
The Truth Is Everpresent.

Do Not Run From Yourself;
Let The World Pass Through And Away.

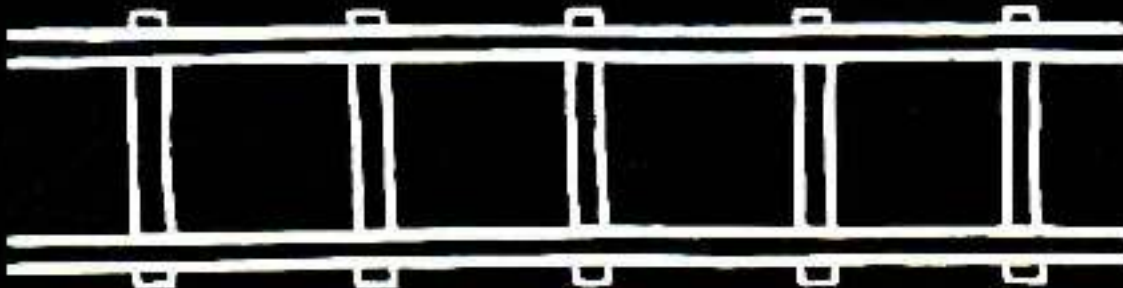

Watching The Memories Pass Through.
Going Through All The Doors
Of The Mind.
All The Memories Pass Easily.

And I Can Watch The Train
Go From Stop To Stop
With No Time Passing.

I Can Repent All My Life And See -
Now, And Always...
Always. And Now.

I Can Feel A Pure And Simple Message,
The Truth Of All Ages.

I Pray The Spirit Reign O'er
The Trim Tram Train Of My Mind's Eye.
All The Substance Of Corporeal Memory
Be Subject To The Soul.

2. LISTEN THROUGH THE MUSIC

Listen Through The Music.
Don't Be Trapped In Its Illusion.
Listen Through The Music.

This Song's The Sound Of Two Guitars,
A Piano, Drum, And Vocal Tones.

One Guitar's A Bass Guitar
With Two Less Strings -
Four Strings Of Thicker Metal.

There's Metal And Wood,
Cut And Spun And Shaped -
Metal And Wood, And Plastics.

And I Have These Vocal Cords
That Resonate Waves Of Movement
Through My Chest And Skull. Etcetera...

This Song's The Sound Of Two Guitars,
A Piano, Drum, And Vocal Tones.

Listen Through The Music.
Don't Be Trapped In Its Illusion.
Listen Through The Music.

Listen Through The Sound
Of Metal And Wood.
Listen Through The Sound
Of These Tubes And Bones,
And Mucous Membrane.

Listen Through The Music.
And Hear What Moves The Music.
Hear What Moves The Hands And Tongue:
Hear The Spirit Of Love.

Listen Through The Music.

When The Musician Completes His Song,
He Solemnly Bows His Head
And Returns To Soothing Silence.

3. GO THROUGH THE WORLD

Go Through The World.
Go Right Through Its Illusion.
Through The Cycles Of This World -
All Is Old As Creation.
Go Through The World.

Look Through The Tree.
The Tree Was Once A Sapling.
The Tree Was Once A Seed.

Look Through The Building.
The Building Is Stone.
The Building Is Earth.
The Building Is A Tree,
The Tree That Is A Seed.

Look Through The World.
The World Is A Seed.

Listen Through The Music.
Listen Through All Sound -
The Sound Of The Movement,
The Movement Of The World.

Listen Through The World.
The World It Is A Seed.

And What You Taste
And What You Smell Was A Seed.
The Vegetable Was A Seed
In The Ground.
The Animal Was A Seed
In The Womb.

What You Taste
And What You Smell Is A Seed.

What You Feel Was A Tree.
What You Feel Is A Stone.
What You Feel Is A Seed.

Go Right Through Your Senses.
Nothing Is As It Seems To Be.
Though It Always Seems To Be.
It Is A Seed.
Go Right Through Your Senses.

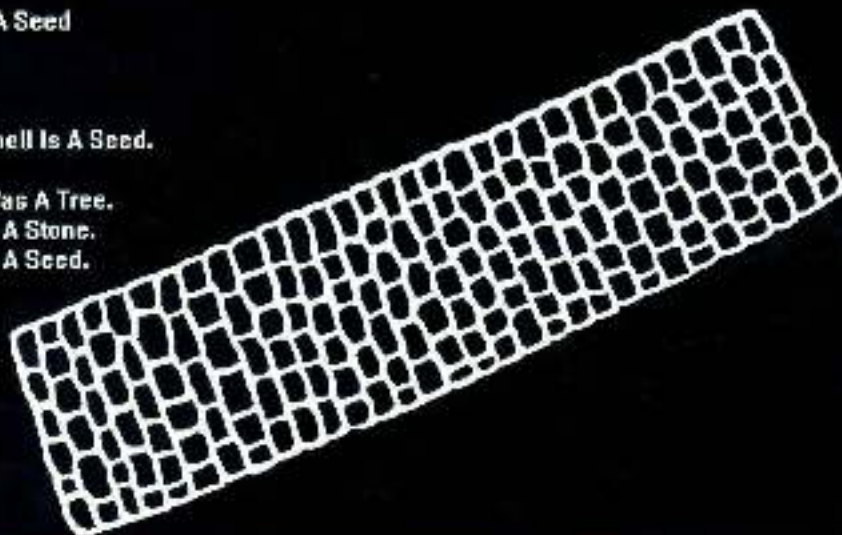

Your Body Was A Seed.
Your Body Is A Seed.
Your Body's A Machine.

Your Body Is Clay. Dug From The Earth.
Your Body Is The Flesh And Oil
Of A Tree.
The Earth And The Sea
And The Sky And The Sun Is A Seed.

The World It Is Not There.
The World Itself Is Not Alive.
The Universe Is A Seed.
All The World Is But A Seed.

The World Itself Is Not Alive.
Even A Monument Is Meaningless
In The Kingdom Of God.

Perceive The Spirit
That Breathes The Life
Into And Through
The Seed.

4. THROUGH THE HEART OF TIME, UNSCATHED

At The Center Of Time
Is An Easy Stillness
And A Quiet...
Like The Eye Of A Cyclone.
There The Dark Bonds Of Time
Do Not Exst.

We're Going Through The Heart Of Time,
Unscathed,
Through To Life Eternal.

Where The Light Shines.
Where Darkness Does Not Enter -
No Darkness Exists.
We Clearly See It Right Ahead.

We're Going Through The Heart Of Space,
Unscathed,
And The Continuum Disappears.

Having Cried The Doubt Away,
Cried The Hell Away -
Tears That Cleanse Sin...
We Sit On The Ground, Souls In Patience,
As The Earth And The Sea And The Sky And The Sun
Pass Away.

The Eagles Gather Over The Bodies;
We Give Them A Smile As We Go.

We'll Float On Through.
We'll Float On To...
White Light -
In The Ark We've Built.

We Feel The Living Soul Of The Universe
Pour In. Breathe Out
Of Us, Alone.

Going Through The Heart Of Time,
Unscathed,
Through To Life Eternal.

B

INTRO. ASYLUM PARADOX

Being Here Now,
Having To Be Here -
It Is Necessary To Be Here
To Transcend Here.

And So I Go Along,
Building This Asylum Paradox,
This Song In Which I Find
A Home Of Peace -
A Peace Complete Unto Itself,
But The Place Must Be Forsaken.

I Build These Images,
Create These Works Of Art,
To Found My Soul
In The Hand Of God.

And When I Am Complete,
When I Am Whole,
I Lose What Is Extraneous
Of The Images.

When The Art Is Lost,
The Truth Is Known.

Building Up These Images, Illusions,
To See Through Them,
Go Beyond Them.
At The Heart Of The Illusions
Must Be The Spirit Of Truth.

At Times I've Run
From These Images.
At Times I've Loved
These Images.
In Time I'll Leave
These Images.

In The Mastery Of A Thing
We See The Ultimate Meaninglessness
Of The Thing.

We Are In This World
To Get Out Of This World.
We Are In Our Bodies
To Transcend Our Bodies.

The World.

I See The Veil Of Clouds -
The Thingness Of The Clouds And Sky,
The Thingness Of The Earth.
Knowing Its Limit.
I Understand It As One -
One Place...
And Move To A Sense Of Transcendence.

If Fruit Is Found Of Any Worth
In Any Of These Songs,
It Is Not Me That Gives Them Life -
The Spirit Of Truth's Within
The Form.

1. TO ETERNAL LIFE

And If She Is Not Here...
And If She Is Not Here...
I Know She Is - Yes.
I Know She Is - Yes.
Jesus... No Fear.
She Is? Yes.

Can You Hear Your Heartbeat?
Can You Hear Your Heartbeat?
Do You Feel It Speak?
Do You Feel It Speak?

It Rests Close To Eternal Life.
It Rests Close To Eternal Life.

Where Is No Time.
Where Is No Words.
Where Is No Thing.

I Am Seeking The Fine Line
When I Will Go
To Eternal Life.

Where Is She.
Where Is I.

Two Too To Be Ashes, We Are...
Two Too To Be Ashes - Ash.

There.

There.

2. OPEN AIR

Our Plans Prevent Us From Seeing.
Our Plans Prevent Us From Being.
Turn And Face The Open Space.

Open Air, All Around,
We Move On Without A Sound.
Take Your Face From The Wall:
Turn And Face The Open Space.

Open Air, All Around -
The Only Time Is Now.

I Don't Want Anything Tomorrow.
I Don't Want Anything Yesterday.
I'm Standing Naked To The Bone,
Perfectly Willing To Stand Alone.

Because I've Found The Kingdom Of God,
And That Is All I Need.
That Is All I Need,
And Immediately I Go...

Open Air In My Skin.
Open Air In The Walls.
Open Air In The Seat.
Open Air In The Floor.

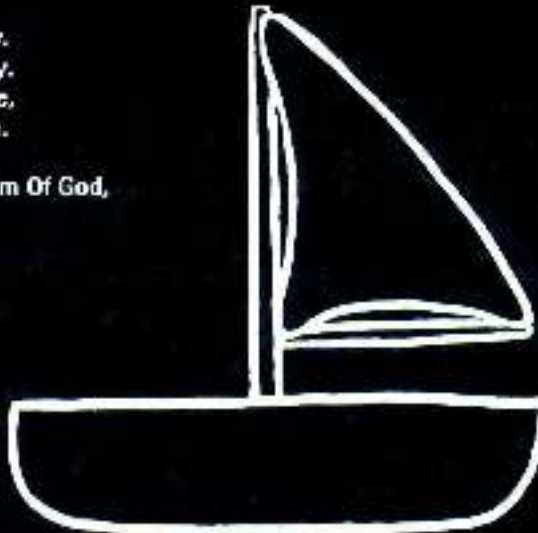

Open Air In The Earth.
Open Air In The Sky.
Open Air In The Tar.
Open Air In My Eye.

Open Air In My Blood.
Open Air In My Bone.
Open Air In The Skull.
Open Air In The Stone.

Open Air In The Sea.
Open Air In Everything.

Open Air Is Everywhere.
Open Air, My Only Home.

Like An Angel In The Open Air,
Moving Here, Moving There -
Moving... Anywhere.

3. THERE IS NO END TO LIFE

Look Into The Sky.
Do You See That Sun?
Look Into The Sky.
Do You See That Moon?

That's The Same Sun,
That's The Same Moon
That Jesus Stood Under.

Feel That Earth Beneath Your Feet.
That's The Same Earth
That Jesus Stood On.

Feel Your Heart.
Your Heart Is Burning Now -
Burning With A Spirit,
A Spirit Of Truth.

That's The Same Spirit
That Jesus Knew.

And Nobody,
Nobody Can Touch Me Now.
And Nothing,
Nothing Can Hurt Me Now.

And He Can't Be Crucified Again.

The Life Is Living -
The Life Is Living Now.
And The Life Is Living,
Living In Me.

And Nobody,
No One Can Touch Me Now.
And Nothing,
No Thing Can Hurt Me Now.

Because I Have That Spirit -
The Spirit Is Of Me.
Because I Have That Spirit,
And That Spirit Is All That Is.

And He Can't Be Crucified,
Can't Be Crucified Again.
And Nothing Can Touch Me Now -
I'm Alive.

So People See -
See That You Hear The Words.
And People See -
See That You See The Light.

See The Light -
The Light Shining Bright.
Before Our Eyes...
It's An Eternal Light.

And The Spirit Never Ever Dies.

And I Feel It Now -
I Feel I Am Telling The Truth Now.
And I Can Hear -
I Can Hear The Truth Now.
And I Can See -
I Can See The Life Now.

Do You See It?
Do You See The Life Now?
Do You See?
Do You See The Love Now?
Do You Feel?
Do You Feel The Light Now?
Shining Bright -
Shining Inside Your Heart Now.

That Is All.
That's All That Matters Now.
That Is All.
That's All That Is Alive.

So Breathe It Full;
Don't Turn Away From It.
Breathe It Full,
And Love.

And He Can't Be Crucified Again.
And Nothing Can Hurt Us Now...
We Are Alive And Living Fully
Forevermore.

There Is No End To This.
There Is No End To This.
There Is No End To This.
There Is No End To This.
There Is No End To Life.

8. THE WHOLE WHALE

Side A

**Intro. The World Is A Work Of Art
Made By The Hand Of God**

- 1. We Have Bodies**
- 2. Artists**
- 3. Speaking Of God**
- 4. Weightless Crucifixion**
- 5. Dust**

Side B

Intro. Body Of Christ

- 1. The Whole Whale**

SONG FOR A ROMANTIC WANDERER

I Wish We Were Each A Spec Of Dust,
So We Could Play In The Wind All Day
And Nothing Could Ever Hurt Us.

We Wouldn't Need To Eat
Or Worry Where To Sleep...

We'd Play In The Wind All Day,
And Nothing Could Ever Hurt Us.

INTRO. THE WORLD IS A WORK OF ART
MADE BY THE HAND OF GOD

The World Is A Work Of Art
Made By The Hand Of God.
The World Is A Work Of Art
Made By The Hand Of God.

Our Father,
Who Art In Heaven,
Hallowed Be Thy Name.

Our Father,
Who Art In Heaven,
Hallowed Be Thy Name.

All Sound Is Music.
All Around Is Art.
And As I Have Two Eyes, Two Ears,
I Perceive -
The World Is A Work Of Art
Made By The Hand Of God.

Thy Kingdom Come,
Thy Will Be Done
On Earth As It Is In Heaven.

Thy Kingdom Come,
Thy Will Be Done
On Earth As It Is In Heaven.

See The
Compositions In Space And Time.
Hear The
Compositions In Space And Time.
Feel The
Compositions In Space And Time.

Thy Kingdom Come,
Thy Will Be Done
On Earth As It Is In Heaven.

All Sound Is Music.
All Around Is Art.
And As I Have Two Eyes, Two Ears,
I Perceive -
The World Is A Work Of Art
Made By The Hand Of God.

We May Alter The Shape
Of The Things Of The Earth...
But The Sculpture Is Always
In The Stone;
The Work Acquires Its Form:
And Even Our Hands Are Made
By The Lord -
All In The Will Of God.

Give Us This Day Our Daily Bread.
Give Us This Day Our Daily Bread.

And There's Nothing Human Hands
Can Do
To Delile The Purity Of God.

All Sound Is Music.
All Around Is Art.
And As I Have Two Eyes, Two Ears,
I Perceive -
The World Is A Work Of Art
Made By The Hand Of God.

And Forgive Us Our Trespases
As We Forgive Those
Who Trespass Against Us.
And Forgive Us Our Trespases
As We Forgive Those
Who Trespass Against Us.

And People Are What People Are;
All Are From God.
And Things Are What Things Are -
All Is Of God.

And Lead Us Not Into Temptation,
But Deliver Us From Evil.
And Lead Us Not Into Temptation,
But Deliver Us From Evil.

By Understanding The Ways Of God,
Humbling Myself To The Ways Of God,
I May Transcend
Their Worldly Limitations.

All Sound Is Music.
All Around Is Art.
And As I Have Two Eyes, Two Ears,
I Perceive -

The World Is A Work Of Art
Made By The Hand Of God.
The World's A Work Of Art
Made By The Hand Of God... Amen.

1. WE HAVE BODIES

We Have Bodies.
Where Did That Come From?
One Moment, I Don't Know...
And Now I'm In A Body.

Must Have Looked In The Mirror One Day.
I Looked In The Mirror One Day
And Saw My Body.
Where Did That Come From?

Quite Astonishing Sense. Really Rather Shocking.
Left Hand Touching Right Hand.
Realizing Fingers, Body.

Wonderful Thing For A Time, But Then
Bad Boy Do Naughty Things. So
It Used To Get Me Down;
Hold Me To The Ground.
What A Drag, I Thought, And Cried -
Maybe I Should Get Rid Of It.

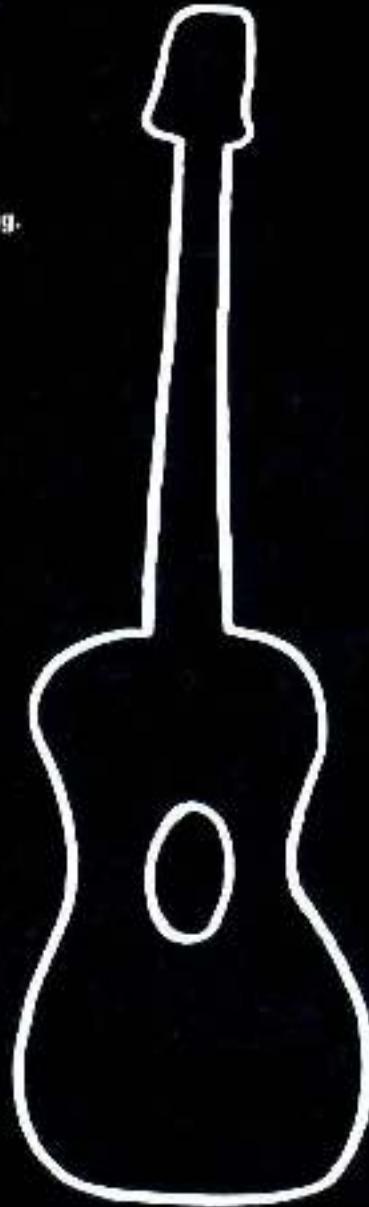

Almost Left It Once
To Go To The Kingdom Of Heaven,
But I Wasn't Ready.

We Have Bodies.
Where Did That Come From?
One Moment, I Don't Know...
And Now I'm In A Body.

Well, I Don't Worry Anymore.
I'm Overcoming Evil As
My Body Is Well In Hand;
My Body Does What I Say.
I Use It As A Tool -
I'm Living Through My Body.

I See My Hands. I See My Feet.
I See My Eyes, And -
There's A Hole In My Head
That Goes To My Heart.
This Hole In My Head Goes To My Heart.

And I Won't Need This Body Anymore
In The Eternal Life Of The Spirit.
I Won't Need These Vocal Cords.
My Heart Will Be Sung.

2. ARTISTS

Art Turns Our Attention To God,
And The Father Rules
All Creation.

After Contemplating Monet's Stone Arch,
Set On And In The Water -
See The Tiny Man Under There -
I Turn To A Van Gogh Sunflower.

When You Stick A Pin Into A Fruit,
It Immediately Gives Out Juice.
When My Eyes See The Sunflower,
They Release Tears.

The Paint Is Bleeding.
The Blue Is Bleeding.
Van Gogh Was Bleeding.

And I See. I Feel
Jackson Pollack's Bleeding
Onto Canvas...
Cleansing Me To The Gut -
Making Me Weightless,
Making Me Bleed.

The Tree Is Known By Its Fruit.

James Joyce Flows On
In An Even Stream
Of Inspired Sound -
Thinking Of Things,
Feeling The Poetry In The Air...

While Samuel Beckett Holds
The Meaning Of Humble.

And Shakespeare Forms The Line
Of Poetic Understanding.

Art Turns Our Attention To God,
And The Father Rules
All Creation.

Leonardo Masters The World:

The Elements Of The World
Compose The Body.
The Mind Perceives
And Conceives The World.
The Inspired Soul Goes Through
The World, And Creates.

The Artist Paints
In The Presence Of God.

Aquinas Speaks
Of Wholeness, Harmony, And Clarity.

Stanislavski Calls For Sincerity.

Charlie Chaplin Smiles
Into The Sunrise.

John Lennon Seeks And Sees
The Promised Land.

Pablo Picasso Paints Parables
Of Transcendence.

Rembrandt's Got A Skull
Behind Christ's Head.

And I Must Have Been A Fool
To Ignore Matisse's Cutouts.
There Is The Marvelous Genius
Of A Child -
There Is Purity.

Art Turns Our Attention To God,
And The Father Rules
All Creation.

3. SPEAKING OF GOD

God Is Spirit.
The Spirit Is Like The Wind.

God Is Like A Little Child.
God Is Like A Little Child.
Receive The Kingdom Of God
Like A Child.
Receive The Kingdom Of God
Like A Child.

"Whoever Would Be Great Among You
Must Be Your Servant.
And Whoever Would Be First Among You
Must Be Slave Of All."

"Greater Love Has No Man Than This,
That A Man Lays Down His Life
For His Friends."

God Loves. God Serves.

God Is Like A Little Child.
God Is Like A Little Child.
Receive The Kingdom Of God
Like A Child.
Receive The Kingdom Of God
Like A Child.

Love Everyone.
Love Your Enemies
And Pray For Those Who Persecute You.

"The Father Makes His Sun Rise
On The Evil And The Good,
And He Sends His Rain
On The Just And On The Unjust."

Love Everyone. Love Everyone.

God Is Like A Little Child.
God Is Like A Little Child.
Receive The Kingdom Of God
Like A Child.
Receive The Kingdom Of God
Like A Child.

"Whoever Would Save His Life
Will Lose It.
And Whoever Loses His Life For God's Sake,
He Will Save It."

God Is More Humble Than A Spec Of Dust.

God Is Like A Little Child.
God Is Like A Little Child.
Receive The Kingdom Of God
Like A Child.
Receive The Kingdom Of God
Like A Child.

"And As For The Resurrection
Of The Dead.
Have You Not Read
What Was Said To You By God:
'I Am The God Of Abraham,
And The God Of Isaac,
And The God Of Jacob.'
He Is Not The God Of The Dead.
But Of The Living."

And I Do Believe I See
The Kingdom Coming
With Power.

4. WEIGHTLESS CRUCIFIXION

In The Cool Morning Light,
He Stood Patiently Before His Accusers.
And On That Day He Would Be Killed.

I Sense A Weightless Crucifixion.
Letting The Nails Through
His Weightless Hands And Feet -
I Feel A Pin Might Have Held Him There.

Could A Nail Hold A Cloud To A Wooden Cross?

Sensing The Waves Of Jesus' Hands,
I Feel The Weightless Crucifixion -
"Thy Will Be Done."
As He Goes To The Cross...
"The Christ Must Suffer Many Things."
His Whole Ministry Leading Him There.

In The Cool Morning Light,
He Stood Patiently Before His Accusers.
And On That Day He Would Be Killed.

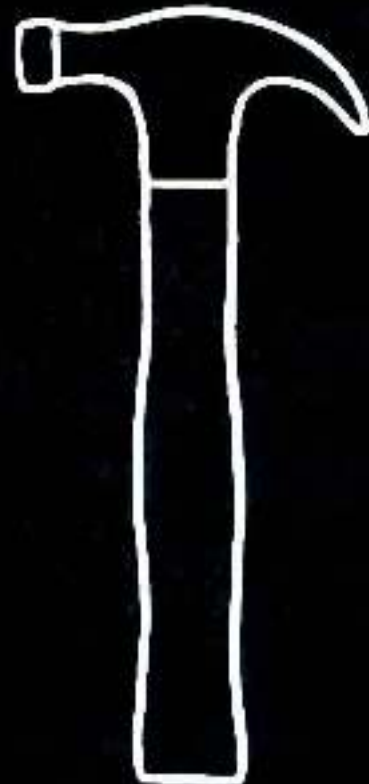

And He Is Gradually Drained Of Physicality,
And Gradually Grows To Spirituality -
Each Healing Is A Move Of Love;
With Every Word The Spirit Soars.

And The Son Goes To The Father,
Being Crucified... And Rising.

Could A Nail Hold A Cloud To A Wooden Cross?

In The Cool Morning Light,
He Stood Patiently Before His Accusers.
And On That Day He Would Be Killed.
And On That Day He Would Be Killed.

And His Cry Resounds Through Space And Time.
And He Leads Us Over The Ocean
And Through The Clouds.

5. DUST

Dust Dances In The Air,
Lit By A Ray Of Light,
Beaming By The Blinds.

No Limit -
No Far... No Wide...
We Know Nothing.

Humble;
Could Say,
One In A Billion;
Could Say -
Dust.

B

INTRO. BODY OF CHRIST

The Word Becomes Flesh,
And We Hear It Spoken, Through
The Body Of Christ.

Hearing The Word,
We Conquer The World.
We Conquer The Flesh, Through
The Body Of Christ.

The Sound Of The Spirit,
The Sound Comes To Us, Through
The Body Of Christ.

Flesh Of Christ
In The World -
A Light Shining
For All Time.

This Is The Bread
Which Came Down From Heaven,
That A Man May Eat Of It
And Not Die.

The Spirit Lives,
The Spirit Soars, Through
The Body Of Christ.

Out Of The World,
Out Of The Flesh, Through
The Body Of Christ.

The Word Is No Flesh;
The Spirit Is Pure.
We Eat The Body Of Christ.
We Eat The Body Of Christ.
It Gives Life.

His Flesh Is The Bread Of Life.

1. THE WHOLE WHALE

The Hole In The Hull Of The Whale
Was So,
The Whole Whale Was No 'Whale' At All.

Imagine You Are A Human Being,
Living On The Face Of The Earth.

Imagine You Are One In A Million,
One In Billions.
Though The Number Is Limited,
You Are One Of Billions.
One Of Trillions Of Human Beings
In The World, Through The World.

Imagine God Is Giving You Air
To Breathe.
Imagine It Is The Holy Spirit.
Imagine You Breathe It.
Imagine It Fills You.

You Are Only Very Small.
And Yet You Are Everywhere -
You Are One With Everyone.

All The People Are Of One Spirit.
All Are One In The Spirit -
That Is Your Soul. That You Breathe.
And You Are Of The Spirit.
All The People Are Of The Spirit.

You May Go Here, You May Go There.
But Everywhere You Go,
People Breathe The Air.
Everywhere You Go,
You Breathe The Air.
Every Living Creature
Breathes The Air.

In Every Country,
In Every City Or Town...
In Every House, In Every Room,
In Every Chair Or Couch -
In The Fields Or On The Sea,
Everything Living Breathes The Air.

Imagine You Are Born Of The Spirit.
Imagine You Have Life In The Spirit.
Imagine You Are Not Your Body.
Imagine You Are Your Soul -
That You Breathe.
That Is The Spirit.

Imagine It Is Whole.
It Is Whole.

9 LISTENING TO THE LAMP

Side A

Intro. Heaven

1. Whole Philosophy
2. Beauty Is In The Eye Of The Beholder
3. Miracle

Side B

Intro. White

1. Mirror Of Knowledge
2. Removing The Log From My Eye

Thus Says The LORD:

Would You Sit At The Feet Of The Wise Of This World
Rather Than Stand In The Cleansing Shower Of My Righteousness?
Was It Not I Who Formed The Tongue Of Even That Wise Man?
Then Turn Not Away From My Light. Forsake Not My Words,
And I Will Make You Strong As A Rock.

INTRO. HEAVEN

By Process Of Illumination,
James Came To Find Heaven.

The Sky Is Air And Sunshine.
The Air Infuses Our Souls.
Our Souls Are Like Sunshine.

I Can Feel The Air.
I Can Sense The Light...
The Kingdom Of Heaven Is At Hand.

Day By Day,
Moment By Moment -
Presence.

Heaven Is Not A Place.
Heaven Is No Thing.
And Heaven Isn't A Person.
Yet Heaven Is Not Anti-Physical;
Heaven Is Not Physical At All.

Heaven Is In Understanding.
Heaven Is A Perception Of Life.
Heaven Is In The Heart.
Heaven Is The Heart.

Poetry Is In The Air.
The Word Of God Is In The Air.
The Sunshine Illumines The Word -
Love.

The Spirit Is With Us;
Wake In Patience.

The Gradual Maturation Process
Soon Becomes Complete...
To Treasures In Heaven With My Heart.

Giving
Treasures In Heaven With My Heart.
Gathering
Treasures In Heaven With My Heart.
Having
Treasures In Heaven With My Heart.

Treasures In Heaven With My Heart.

1. WHOLE PHILOSOPHY

Nostrils Breathe Air Into Lungs;
The Sound Of Words Is Spoken Out.

Ears Receive The Waves Of Sound
That Move The Heart,
That Move The Heart.

The Movement Opens Up Our Eyes,
Setting The Brain On Fire.

And Our Perceptions Tell Us
To Feed Ourselves,
So That We May Grow.

The Most Minute Movements
Of Tongue, Lung, And Vocal Cord
Produce The Sounds
We Speak And Hear Inside.

As The Parts And Movements Grow,
The Speech Grows -
Out From The Heart Of The Lungs,
Up To A Whisper In The Mouth,
And On To Louder Sound...
To Utilization Of The Diaphragm,
Skull, Etcetera.

Nostrils Breathe Air Into Lungs;
The Sound Of Words Is Spoken Out.

Ears Receive The Waves Of Sound
That Move The Heart,
That Move The Heart.

The Movement Opens Up Our Eyes,
Setting The Brain On Fire.

And Our Perceptions Tell Us
To Feed Ourselves,
So That We May Grow.

Words Speak What Is In The Mind,
As What Is Perceived
Enters The Mind -
And Of This We Speak.
In Words We Speak The Mind.

Nostrils Breathe Air Into Lungs;
The Sound Of Words Is Spoken Out.

Ears Receive The Waves Of Sound
That Move The Heart,
That Move The Heart.

The Movement Opens Up Our Eyes,
Setting The Brain On Fire.

And Our Perceptions Tell Us
To Feed Ourselves,
So That We May Grow.

And When The Speaking Is Guided
By The Spirit Of Truth -
When The Physical, Emotional,
And Mental Means
Are In Pure Unison
With The Air Breathed...
Then We Move Toward Being
Children Of Light.

Nostrils Breathe Air Into Lungs;
The Sound Of Words Is Spoken Out.

Ears Receive The Waves Of Sound
That Move The Heart,
That Move The Heart.

The Movement Opens Up Our Eyes,
Setting The Brain On Fire.

And Our Perceptions Tell Us
To Feed Ourselves,
So That We May Grow

->

All Is By Words,
And All Comes From God.

God Is The Origin;
God Is The Source Of All.
And The Whole Human
Is An Imitative Animal,
Made As God's Image.

All Human Action Is Imitative.
All Our Words And Movements
Are As A Mirror Response
And Understanding.

A Child Learns By Mimicking
The Teacher.
And As The Child Grows,
The Child Continues To Learn
By Mimicking The Teacher.

And The Teacher
Is A Child
Mimicking
His Teacher.

And The Teacher Is A Child
Of God, The Father.

And The Teacher Is A Child
Of God, The Father.

And Jesus Is The Teacher.

If A Man Loves Me,
He Will Keep My Word.
And My Father Will Love Him,
And We Will Come To Him,
And Make Our Home With Him.

2. BEAUTY IS IN THE EYE OF THE BEHOLDER

There Is A Sense -
If The Vision Is Pure,
If The Hearing Is Pure...
All Will Be Beautiful.
Knowing,
The Beauty Is In Seeing.
The Beauty Is In Hearing.

A Cloud Of Gentle Grey Smoke,
Exhausted By The Bus In The Gutter,
Kisses My Body,
Dances Around Me - Away.
The Reign Of God Is Nigh Unto You.

My Eyes Shine
Within The Subway Car.
A Spoon, A Plastic Spoon...
Graffiti Glows, Scrawled -
So Lovely, All.
Peace Be Unto This House.

Hearing The Moving Train.
Seeing Lights Of The Empty Train.
Smelling The Smoke And Fume
Of Urine
As I Exit The Tunnel -
All The City Is Beautiful.

The Beauty Is In The Eye
Of The Beholder.
Not In The Things Themselves.

At Night,
There Are Electric Lights
Placed Here And There,
With The Light Of The Moon.
During The Day,
The Sun Gives Its Light -
Unless It Is Blocked.

Light. Light. Light.
Speak. Speak.
See. Hear. Touch.
Smell. Taste...
Senses Of God.
Right.
Don't Kill My Spirit -
God Is.

Oh The Blessing Of Speech,
That I Am Not Dumb.
Oh The Blessing Of Sight,
That I Am Not Blind.
Oh The Blessing Of Hearing,
That I Am Not Deaf.
And That I Can Move And Touch
And Taste And Smell...
Beauty Is A Blessing Of God,
Apprehended By Faith.

And At The Time Of The Dawning Of Man,
There Was No Separation Of Sense
Into Five Categories.
Just As There Were No Words.
They Were All One - All Simply Sense.
Even Calling Them 'Sense'
Is A Separation.

So Seeing Was One With Hearing,
Hearing One With Feeling...
Touch With Smell,
Smell With Taste - And On.

All The Senses Are Touch.
Whether It Be
Light Touching Your Eyes,
Waves Touching Your Ears,
Fumes Touching Your Nose.
Or Food Touching Your Palate -
Anything Touching The Body Is Touch.

Imagine Your Senses.
Now Imagine New Sense.

3. MIRACLE

"Sblood,
There Is Something In This
More Than Natural.
If Philosophy Could Find It Out."

A Statue Of The Virgin
Sheds Tears. And I See
A Painted Picture Of The Virgin
Smile In Light.

We Are Living In A Miracle,
Living In A Miracle -
Living By Christ's Blood.

Even As I Speak,
A Sense Of Transcendence,
A Miraculousness Fills Me...
And I Dance.

We Are Living In A Miracle,
Living In A Miracle -
Living By Christ's Blood.

A Soft Breeze Blows
In The Green Park.
You Can Feel It
In A Child's Soft Eyes -
We're Living In A Miracle.

All Is Ever New.
We Are Ever Being Born.
You Have Never Seen That Before,
Never That Way.
We Are Ever Being Born.
All Is Ever New.

Don't Let The Habitual Nature
Of This World
Deaden Your Soul.
All Is Ever New.
We Are Ever Being Born.

By Christ's Blood.
There Is Something In This.
Something In This More Than Natural.
It Would Be More Than Natural
If Our Philosophy Could Find It Out.

Like Poetry In The Air.
Like Poetry Everywhere...
Like Harmonious Currents Of Life.

By Christ's Blood.
There Is Something In This
More Than Natural.
If Philosophy Could Find It Out.

For We Are Living In A Miracle,
Living By Christ's Blood.

Living By Christ's Blood.
Living By Christ's Blood.

Living By Christ's Blood,
We Know All Things Are Possible.
Living By Christ's Blood,
We See All Things Are New.
Living By Christ's Blood,
We Are Living In A Miracle.

We Are Living In A Miracle,
Living In A Miracle -
Living By Christ's Blood.

B

INTRO. WHITE

Washed In The Light Of Innocence...
There Is One Color. All Is One Color.
There Are No Colors - All Is White.

All White. Only White. White.

No Colors And No Shading -
No Edges, No Things...
No Thing At All.

All Is White. Only White. White.

No Shades Of White -
No Edges, No Things.
All Form Disappears.

All Is One. All Is White. White.

Cleansed Of Color,
Cleansed Of Darkness -
All Shines White.

Cleansed Of Color,
Cleansed Of Darkness -
All Shines White.
Wholly White...
White.

Cleansed Of Color,
Cleansed Of Darkness -
All Shines White.
Wholly White...
White.

Washed In The Light Of Innocence...
There Is One Color. All Is One Color.
There Are No Colors - All Is White.

All White. Only White. White.

No Colors And No Shading -
No Edges, No Things...
No Thing At All.

All Is White. Only White. White.

No Shades Of White -
No Edges, No Things.
All Form Disappears.

All Is One. All Is White. White.

Wholly White... White.

1. MIRROR OF KNOWLEDGE

What's Outside Reflects
What's Inside.
And It Is All One Thing -
One Stream.

Do You Know That Looking
At The Stereo
Is The Same As Looking
At The Sheet,
And Looking At A Rock?

And This Is The Same As
Listening To The Clock,
Or Listening To The Water
Against The Rock.

And Do You Know That
Tasting The Garlic
Is The Same As Smelling
The Garlic,
And Feeling Pen In Hand On Book?

For In All Runs A Stream.
And Looking Now,
And Looking Then - Same Thing.
The Movement Of The Ocean
Is Still.

And As We Look Into The Stream,
We See Ourselves,
We See Ourselves -
We See The Reflection
Of Who We Are.

This World Is A Mirror,
Ever Holding Signs.
But Do Not Look Too Long Or Hard,
Or You May Go Blind.

See The Mirror.
Go Through The Mirror -
Through The Things Surrounding Soul.

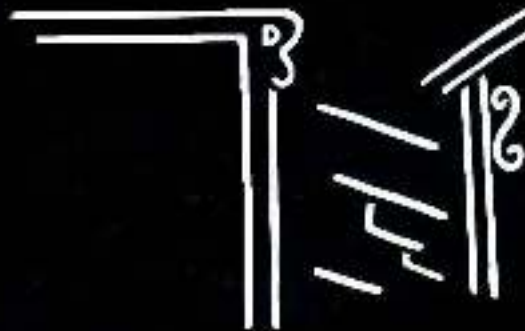

Look Beyond The Eye Of All Knowledge -
Innocence Astounds Me.
Hold Eternity In Your Hand.
And Be Patient. And Wait.
The Coming Of Light Is Subtle And Bright,
And Waits For Those With Hearts Of Glass.

Was Walking On Endlessly,
Seagulls Flying By My Eyes. Then...
Cleansed In Pools Of Sound Of Soul.
Pure Soul -
The Tide Flows Forth.

It Is One Moment.
It Is All Only One Moment.
The Moment Is All We Have.

Flowing Upstream
Through All The Doors -
Through The Agony And Ecstasy...
Through The Eternal Stream.

In The Presence
Of His Finished Memory.
He Stands, And Smiles.
And Leaves It All Behind...
As He Steps Upon The New Shore
And Enters
The Holy Garden Of God.

2. REMOVING THE LOG FROM MY EYE

If You Abide In Me,
And My Words Abide In You -
Ask Whatever You Will,
And It Shall Be Done For You.

For The Genius Of Jesus
Is Open So Completely
As To Master What It Touches.

Savant. Oul. Je Suis. Savant.

Is The Apprehensive Apostle
An Angel Of God?

Senses Cleansed, Open -
Senses Cleansed.
Jesus Is The Center Of My Mind.

A Heartbeat. A Heartbeat...
Absolute Ease - Wholly Spirit.

If You Abide In Me,
And My Words Abide In You -
Ask Whatever You Will,
And It Shall Be Done For You.

I've Cultivated A Sense.
I Sense The Power To Understand,
To Immediately Comprehend And
Respond To Any Language.
Every Language -
Whether Written Down
Or Spoken To Me, Given To Me
Without Study, Without Logic -
With Simple Wisdom.

Being Of Jesus. Of God...
With Ears To Hear
And Eyes To See -
Ears To Hear And Eyes To See.

If You Abide In Me,
And My Words Abide In You -
Ask Whatever You Will,
And It Shall Be Done For You.

Be An Image Of God - Not Yourself.
God Is Boss.
No Preoccupations, But God.

In My Patience,
God, The Holy Spirit, Is Everywhere...
Speaking To Me In The Sounds I Hear,
In The Things I See And Touch,
Smell, Taste, Imagine -
And Is The Senses. The Sensing,
Permeating All Being.

Who Is Closest To The Source
Is Closest To The Truth.

If You Abide In Me,
And My Words Abide In You -
Ask Whatever You Will,
And It Shall Be Done For You.

Open Your Eyes Wide, As A Baby,
To See The Light.
Ears Clear, I Hear -
The Eye Is The Lamp Of The Body.

Let The Fire Burn, Shine -
Encompassing Illumination.
Filled From Head To Heart
By Brightly Shining Light.
Filled With Light.
Loving God With Heart, Mind, Soul,
And Strength...
The Light Is Bright And Full.

Light Is The Source Of Vision -
Illuminating The Universe,
Shining Into My Eyes.
And The Light Is Of God.
And The Objects Are Of God.
And My Eyes Are Of God...
And We Are Children Of Light.

If You Abide In Me,
And My Words Abide In You -
Ask Whatever You Will,
And It Shall Be Done For You.

And I'm Looking Through
My Open Window, To See -

The World Is Illusion.
To Be Able To Be, To Heal...
Your Heart Will Burn Within You
When You Know
The World Is Illusion.

Cleansed,
Having Overcome The World -
Complete Vulnerability
With Complete Faith...
Absolute Servility.

As A Seed, As A Babe,
Though In The Body Of A Man.

If You Abide In Me,
And My Words Abide In You -
Ask Whatever You Will,
And It Shall Be Done For You.

People's Eyes All Fill With Light,
And Children Shine Especially Bright.

I Feel Holy Light
Burn Away The Human Veil
And Fill All In White.

I See Holy Light
Descending Upon The Earth.
It Is Cleansing Away All Darkness -
All The Lies Of This World.

On That Day You Will Ask Nothing Of Me.

On The Last Day,
Human Iniquity Will Be Purged;
All Life Will Be Filled With Light.

On That Day You Will Ask Nothing Of Me.

When The Lord Fills Your Eyes And Ears
With The Light Of His Presence,
You Will Be Purged Of Sin
And Drawn Into Life.

On That Day You Will Ask Nothing Of Me.

Suddenly. Slowly...
There Is Quiet,
And The Bright Shining Of Light.

DARKNESS BEFITS THIS AGE

**Darkness Befits This Age We're In;
The Sun Seems Out Of Place,
As If It Isn't There At All.**

Only Night Gives Nature's Comfort.

INTRO. THE SUNSET BLEEDS ME CLEAN

The Sunset Bleeds Clean The Heart Of Me.
When Darkness Falls, I Feel I Am Bleeding;
Purgatorial Darkness Cleanses Me
Into Understanding.

The Morning Of The Night
Brings A Kind Of Mourning For The Day.
But The Night Is The Harbinger Of A New Day.
The Night Is The Harbinger Of The New Day.

Come, Darkness. Clean Me. Free Me.
Come, Darkness - Bleed Me Clean.
Make Me Ready For The New Day.

Come, Darkness. Clean Me. Free Me.
Come, Darkness - Bleed Me Clean.
Make Me Ready For The New Day.

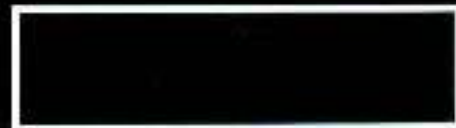

Once, I Confess.
I Saw A Skull In The Sky At Sunset:
Blue And Orange Summer Sky...
But I Wasn't Scared.

I Could Only Wonder.
I Could Only Smile.
Bleeding Me Inside -
Bleeding Clean.

Come, Darkness. Clean Me. Free Me.
Come, Darkness - Bleed Me Clean.

Bleeding Clean.
In The Morning Of The Night
Is A Mourning For The Day...
But The Night Is The Harbinger Of A New Day.
The Night Is The Harbinger Of The New Day.

1. WATCHING THE SUN

Watching The Sun
As We Go Around,
I Know This Day Is For Doing.

Watching The Light
As We Move About -
This Day It Is For Doing.

Sun Shine All The Time
As We Go Around...
This Day Is For Doing
The Deeds Of The Lord.

Singing A Song
All The Day Long -
The Light In My Eyes,
The Light To My Toes.

Watching The Sun
As We Go Around,
I Know This Day Is For Doing.

Watching The Light
As We Move About -
This Day It Is For Doing.

Sun Shine All The Time
As We Go Around.

Then On The Night
The Sun Gives No Light,
We Lift Our Heads To The Sky.

Then On That Night
The Sun Gives No Light -
Nothing To Be Done.
All Will Be Done.
Keep Watching The Sun.

When The Sun Itself Is Darkness,
We See That We Are Blind.
When We See That We Are Blind,
The Sun Itself Is Darkness.

When The Sun Itself Is Darkness,
The Birth Pangs Are Full.
When The Birth Pangs Are Full,
The Sun Itself Is Darkness.

The Sun Turns To Darkness And We Go.
The Sun Turns To Darkness And We Go.

And I Fear God
As The Hollow Illusion
Of This Glamorous World
Becomes Horribly Obvious.

See Through Sunlight.

2. ARTIFICIAL LIGHT

In This Artificial Light Nothing Looks Quite Right.
In This Artificial Light Nothing Looks Quite Right.
Nothing Looks Quite Right In This Artificial Light -
In This Artificial Light.
Nothing Looks Quite Right In This Artificial Light.

Standing Here.
Sitting Here.
Kneeling Here.
Lying Here...
None Of Us Was Meant To Be Here.

In This Artificial Light Nothing Looks Quite Right.
In This Artificial Light Nothing Looks Quite Right.
Nothing Looks Quite Right In This Artificial Light.
Nothing Looks Quite Right In This Artificial Light.
Nothing Looks Quite Right In This Artificial Light.
In This Artificial Light Nothing Looks Quite Right.

Artificial Light.
Artificial Light.
Artificial Light.

3. THE END OF THE WORLD COURSES THROUGH A DAY

I Feel Rain, Coming Down From The Heavens,
Coming Down From The Heavens -
Coming Down On Me.

I Feel Rain, Coming Down From The Heavens,
Coming Down From The Heavens -
Coming Down On Me,
Coming Down On Me.

I Feel Rain. I Feel Rain. I Feel Rain.

Dogs Bark. Sirens Blare.
The Sea Roars With The Wind And Thunder -
I See The Lightning Flash.

I Hear Of Earthquakes.
I Hear Of Famines...
Nation Rises Against Nation.

The Sun Has Been Hidden For Several Days;
The End Of The World Courses Through A Day.

Dogs Bark. Sirens Blare.
The Sea Roars With The Wind And Thunder -
I See The Lightning Flash.

I Hear Of Earthquakes.
I Hear Of Famines...
Nation Rises Against Nation.

The Sun Has Been Hidden For Several Days;
The End Of The World Courses Through A Day.

Dogs Bark. Sirens Blare.
The Sea Roars With The Wind And Thunder -
I See The Lightning Flash.

I Hear Of Earthquakes.
I Hear Of Famines...
Nation Rises Against Nation.

The Sun Has Been Hidden For Several Days;
The End Of The World Courses Through A Day.

4. WARM FOREHEAD

Oh Holy Mark,
Please Never Leave
My Forehead.

Please Stay With Me.
Please Let Me Stay
With Thee.

There's The Form Of A Skull
On The Wall,
But I Am Not Afraid.

With Thee.
I Bleed Inside -
Tenderly.

5. CAN WE GO TOGETHER?

Can We Go Together?
Is It Possible?

Can We Go Together?
Is There A Way?

Can We Go Together?
There's Only One Place.

Can We Go Together?
I'm So Afraid.

Can We Go Together?
Will He Show Us The Way?

Can We Go Together?
You And Me...

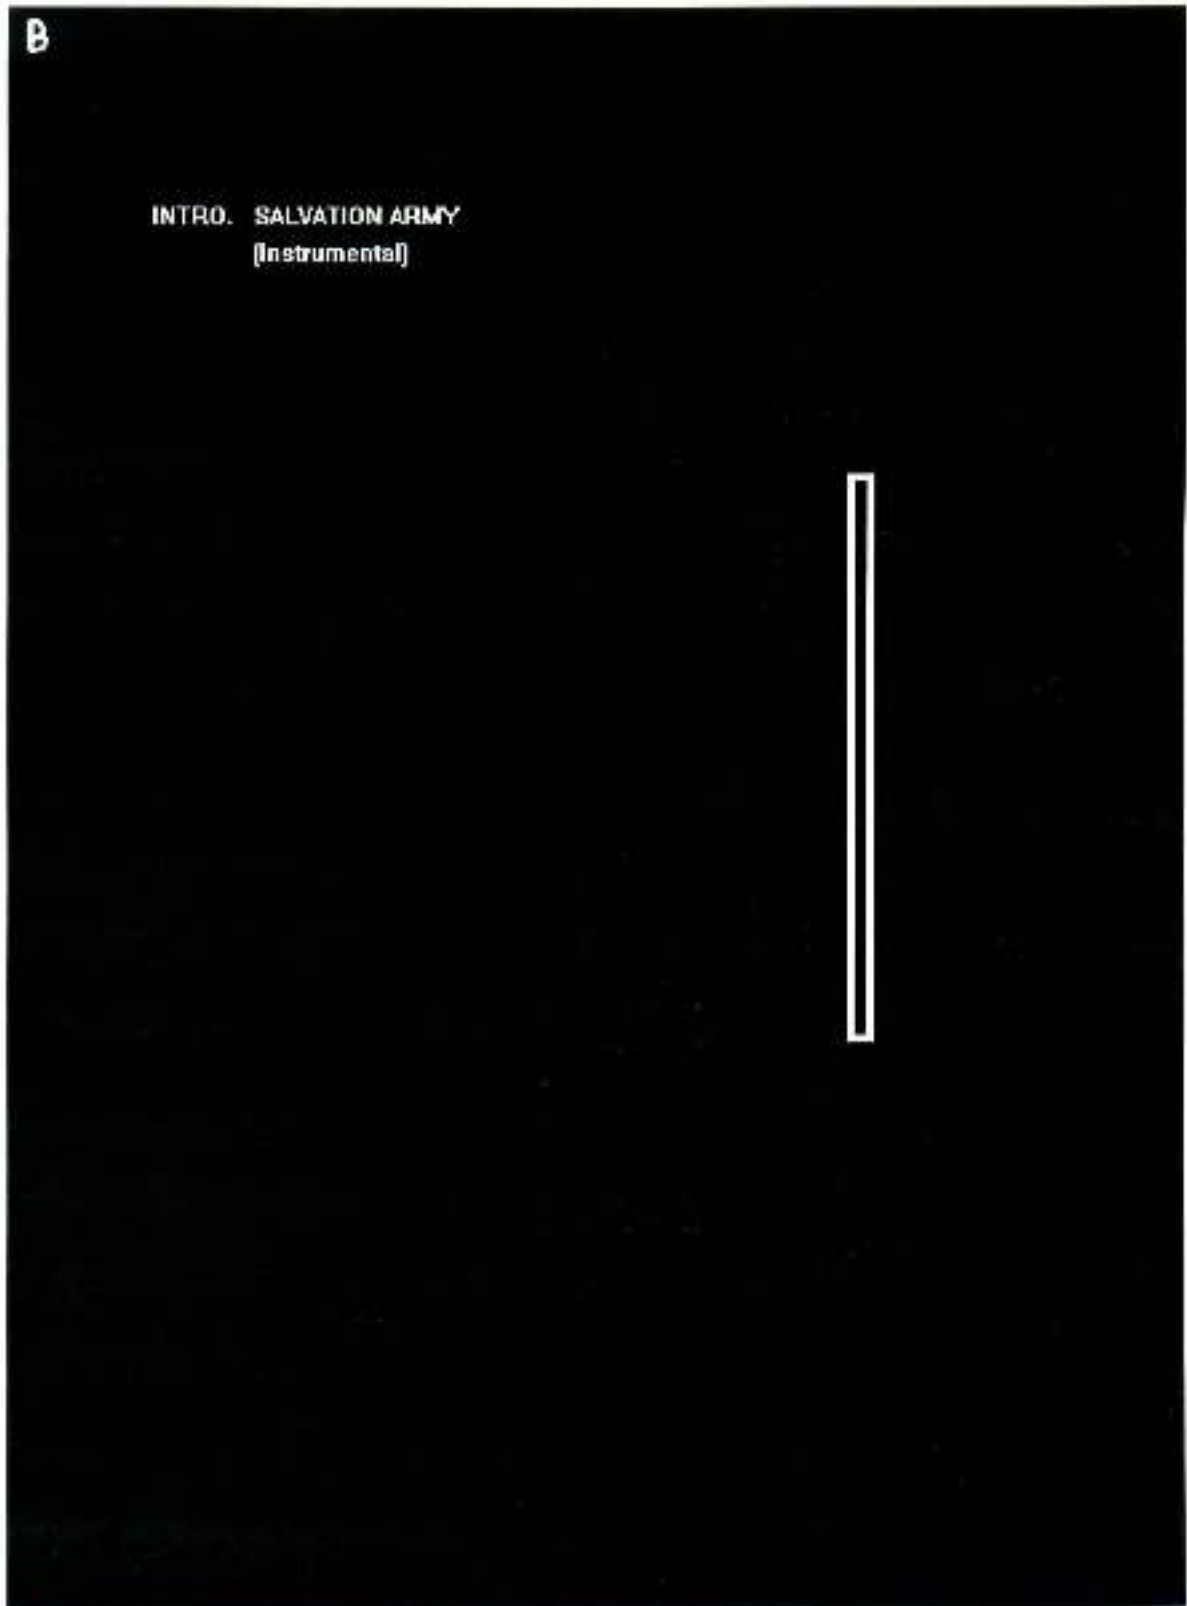

Can We Go Together?
Can It Be?

Can We Go Together?
I Do Not Know.

Can We Go Together?
Tell Me So.

Waiting For The Day
When All Becomes Unknown -
I Hope To See You There.

1. THE READINESS IS ALL

"There Is Special Providence
In The Fall Of A Sparrow.
If It Be Now, 'Tis Not To Come.
If It Be Not To Come, It Will Be Now.
If It Be Not Now, Yet It Will Come.
The Readiness Is All."

I Have To Find Myself A White Wedding Garment
For The Kingdom Of God.
I Do Not Wish To Be Removed
From The Marriage Feast.

Have To Get Ready. Have To Be Ready.
The Season Of Fruit Is Here:
The Eleventh Hour Is Near.
Time To Leave It All And Go...

Jesus Is So Pure:
He Is The Perfect Man.
He Makes Me Laugh.
He Makes Me Smile.
He Makes Me Feel
Like A Little Child.
He Makes Me Shout In Joy.

So I Must Attain Readiness
For The Kingdom Of God.
No Time To Waste,
In My Mouth I Taste
The Festal Food.

I Have To Find Myself A White Wedding Garment.
The Time Is Now, And The Time Is Always...
Have To Obtain Enough Oil For My Lamp.
I Do Not Wish To Be Removed
From The Marriage Feast.

Yes, I Have To Shout In Joy -
Don't Want To Weep Or Gnash My Teeth
Alone In The Dark.

I Need To Laugh And Sing The Kingdom's Song
At The Table Of The Lord.

So I Seek The White Wedding Garment -
I Have To Be Ready.

2. HOLD ON, HERE WE GO

Purity. Purity.
Oneness Of Being.
Cleansed. Cleansed Soul.
Clear, Fresh, New Soul.
No Duplicity -
Want None Of This.

Open. Open Heart.
Breathing Mind.
Shining, Open Eyes...
To See, To See, To See -
Purity.
Not This. This.

When You Get It Right.
It's Time To Go.

Hold On, Here We Go.
No Looking Back.
Hold On, Here We Go.

Hold On, Here We Go.
We're Founded In Love.
We're Founded In Faith.
Hold On, Here We Go.

Hold On, Here We Go.
The Only Time Is Now.
Hold On, Here We Go.

Hold On, Here We Go.
Don't Be Afraid Of The Dark.
Hold On, Here We Go.
Don't Ever Be Afraid Of The Dark.
Hold On, Here We Go.

No Looking Back -
We'll Leave Our Bodies Behind,
And Let The Lord Carry Us Home.

Hold On, Here We Go.
In The Warm Hand Of God
We Are Soothed.
Hold On, Here We Go.

I'll Carry You, You'll Carry Me:
The Lord Will Carry Us Home.

Life Is In Christ.
Not In The World.
Hold On, Here We Go.

3. DOUBT SORT OF FADES AWAY

I Move Easily. Readily.
Into The Arms Of The Lord.
Jesus, Come To Me.

Now Doubt Goes Away Slowly.
Doubt Just Sort Of Fades Away.
Doubt Sort Of Fades Away.

Now I Am Going, And Where I Go
You Cannot Follow.

Doubt Goes Away Slowly.
Doubt Sort Of Fades Away.

You Cannot Follow Me Now,
But Afterward You Shall Follow.

Doubt Goes Away Slowly.
Doubt Just Sort Of Fades Away.
Doubt Sort Of Fades Away.

Let Not Your Hearts Be Troubled.
Doubt Sort Of Fades Away.
Yes, Doubt Sort Of Fades Away.
Love One Another As I Have Loved You.
Doubt Sort Of Fades Away.

Oh Doubt Sort Of Fades Away.
Yes, Doubt Sort Of Fades Away.
You Know, Doubt Sort Of Fades Away.

Goodbye, My Friends,
I Will See You.

Doubt Sort Of Fades Away.
Doubt Sort Of Fades Away.

Good-Bye, My Lord,
We Will Miss You, But
Doubt Fades Away.
Doubt Fades Away.
Doubt Fades Away.

4. "MY GOD, MY GOD,
WHY HAST THOU FORSAKEN ME?"

And The Darkness
Covered
All The Earth.

And The Sun,
And The Moon,
And The Stars
Were Dark.

All Was Dark.

My God, My God,
Why Hast Thou Forsaken Me?

And The Earth Did Quake.
And The Earth Did Quake.

And The Veil Of The Temple
It Was Torn In Two.

The Walls Came Tumbling Down -
All The Walls Come Down.

My God, My God,
Why Hast Thou Forsaken Me?
My God, My God,
Why Hast Thou Forsaken Me?

And The Dead Saints Rose
From Their Slumber.
And The Dead Saints Rose
From Their Slumber.

They Came Out Of The Tombs,
And They Walked The Earth.

My God, My God,
Why Hast Thou Forsaken Me?

And The Darkness
Covered
All The Earth.

And The Sun, And The Moon,
And The Stars
All Were Dark.

All Was Dark.

The World Was Dark.

The Sun Was Dark To Shine Upon
Such An Unholy Deed.

My God, My God,
Why Hast Thou Forsaken Me?

I Pray I May Be Able
To Endure
The Birth Pangs
Of The Kingdom
Of Heaven.
